Bound by Stone is the third book in the Protectors of Magic series. Rowena finds out who Jasper gave his oath to, but things don ' t turn out as planned when she and her guardians go to find her. As in the first two books, this third book had lots of twists and turns to the plot. It kept me captivated all the way through.

Amazon.com: Customer reviews: Bound by Stone (Protectors ...
Stone Protectors is a 1993 British/American/French multi-media entertainment property consisting primarily of an action figure line and animated series. The series also had a tie-in video game released for the Super NES. It served as a late attempt to market the troll doll craze of the early 1990s to young boys. While not particularly successful, nor inspired by a prior medium, Stone Protectors generally followed in the same vein as contemporaries including Toxic Crusaders, Swamp Thing, and the

Magic is dying. And I'm the only one who can stop it.Human. Weak. Sick. That's what I've been told I am all my life. But when magic hunters attack the castle where I've been kept hidden since birth, I discover my whole world is built on lies.Because the hunters after me. Running for my life, I'm rescued by four dangerously handsome gargoyle shifters. They say they're here to save me...but maybe they only want to save themselves.Because, as it turns out, I'm not merely human. I am a Protector of Magic-if I die, magic will vanish from the world. And my four winged guardians will turn to stone forever.Wings of Stone is the first book in a new reverse harem urban fantasy series full of romance, danger, and magic.

TITUS — To most his gift seems like a blessing, but for him it ' s a curse the other Eternal Guardians—those who protect the mortal realm—seek to exploit. One he would gladly trade for the chance to be free··· Obsessed. Her touch is like a drug. From the moment he met her, Titus knew she was different. Even dangerous. Yet though his guardian brethren are convinced Natasa is working for the enemy, Titus can ' t stop thinking about her. Can ' t stop fantasizing about her. Can ' t stop craving the one thing he knows could lead to the downfall of his world. Possessed. Faced with stopping Natasa or joining in her quest, Titus falls to temptation and is thrust into a world of lust, deception, and deadly treachery. Her touch—only hers—frees him from his bonds, but desire may just condemn him. Because before the end he ' ll have to decide which is more important: duty and honor to those he took an oath to defend, or a woman who could very well be the biggest curse to them all. *** All books in the Eternal Guardians series can be read in order or as stand-alones: MARKED - Book 1 ENTWINED - Book 2 TEMPTED - Book 3 ENRAPTURED - Book 4 ENSLAVED - Book 5 BOUND - Book 6 TWISTED - Book 7 RAVAGED - Novella, Book 7.5 AWAKENED - Book 8 UNCHAINED - Novella, Book 8.25 HUNTED - Novella, Book 8.5 ENSNARED - Novella, Book 8.75 and coming soon... WICKED - Book 9

Join author Robert Young as he walks along the roads traveled by Henry David Thoreau and companion Richard Fuller in 1842. Explore and relive the thrill and the challenge of making the 34 mile journey from Concord, MA to Mt. Wachusett, located in Princeton, MA.

It is a new world after the Great Collision, Gryphons fly past skyscrapers, wizards battle it out in coffeehouses and women riding motorcycles with large swords strapped to their backs are normal sights. Human only city dweller, Larissa Miller is attacked by zombies and rescued by the leader of the gargoyles. They find out why Larissa is being targeted by the Necromancers and are running against time to save Larissa and the fate of the new Realm as well.

There ' s popping out for a quick pint, and then there ' s this – a gloriously preposterous 27,000 mile journey across 25 countries to grab a beer in pubs (bars) at opposite ends of the world. We ' re talking an epic adventure, from an abandoned Soviet mine 700 miles from the North Pole, to a remote pub at South America ' s southernmost tip. A journey undertaken in a TVR sports car, a car that many might consider untrustworthy just to drive to the shops. The journey packed a lot into its eight months. From braving the sheer drops of Bolivia ' s Death Road, to drag racing the locals in Texas. From roaring across flooded salt flats, to sailing the straits of Magellan. From the highs of the planet ' s best driving roads, to the lows of life in No-Man ' s-Land, trapped between borders by red tape and bureaucracy. And from looking out for Polar Bears in the High Arctic, to dodging penguins in Tierra del Fuego. The story of the Pub2Pub Expedition is an inspirational account of where your dreams can take you if only you believe in them. Chronicling the epic journey made by Ben Coombs in his TVR Chimaera, this book is both an exciting adventure and a fascinating snapshot of the life and culture of the countries that he drove through.

This book represents the first full-length study of the relationship between neo-Victorianism and nineteenth-century sensation fiction. It examines the diverse and multiple legacies of Victorian popular fiction by authors such as Wilkie Collins and Mary Elizabeth Braddon, tracing their influence on a range of genres and works, including detective fiction, YA writing, Gothic literature, and stage and screen adaptations. In doing so, it forces a reappraisal of critical understandings of neo-Victorianism in terms of its origins and meanings, as well as offering an important critical intervention in popular fiction studies. The work traces the afterlife of Victorian sensation fiction, taking in the neo-Gothic writing of Daphne du Maurier and Victoria Holt, contemporary popular historical detective and YA fiction by authors including Elizabeth Peters and Philip Pullman, and the literary fiction of writers such as Joanne Harris and Charles Palliser. The work will appeal to scholars and students of Victorian fiction, neo-Victorianism, and popular culture alike.
