A multi-volume English language textbook with alphabetically arranged entries on such topics as grammar, style, punctuation, and writing and research skills.

No ordinary collection of tales, this anthology was the result of extensive research that led Shah to conclude that there is a certain basic fund of human fictions which recur again and again throughout the world and never seem to lose their compelling attraction. This special paperback version of World Tales concentrates on the essentials, the text of the stories, and omits the illustrations which were part of a previous edition.

Book Excerpt: --when there's business in it. At breakfast I occupied my usual seat--selected because it afforded a view of papa Fuller's face, and was near enough for me to hear the talk that went on at his table. Seventy-five or a hundred people were in the room, and all discussing that item, and saying they hoped the seeker would find that rascal and remove the pollution of his presence from the town--with a rail, or a bullet, or something. When Fuller came in he had the Notice to Leave--folded up--in one hand, and the newspaper in the other; and it gave me more than half a pang to see him. His cheerfulness was all gone, and he looked old and pinched and ashy. And then--only think of the things he had to listen to! Mamma, he heard his own unsuspecting friends describe him with epithets and characterizations drawn from the very dictionaries and phrase-books of Satan's own authorized editions down below. And more than that, he had to agree with the verdicts and applaud them. His applause tasted bitter in his
