A More Perfect Union: America Becomes a Nation is a 1989 American feature film dramatizing the events of the 1787 Constitutional Convention. The film was produced by Brigham Young University to commemorate the 200th anniversary of the drafting of the United States Constitution , and many professors from BYU's School of Fine Arts and Communications were involved in its production either as actors or in other capacities.

Describes how the Constitution was drafted and ratified and the spirit of late-eighteenth-century America

Dr. Ben Carson, the acclaimed, bestselling author of One Nation, America the Beautiful, and Gifted Hands, returns with his unique blend of insight, clarity, and common sense in A More Perfect Union. Dr. Carson proves that you don't have to be a legal scholar to understand, appreciate, and defend the United States Constitution.

In this definitive collection, the writings of Herbert J. Storing have been assembled into six categories: the Founding Fathers and their legacy; race relations in America; rights and the public interest; bureaucracy and big government; statesmanship and the presidency; and liberal education. With profound understanding and incisive prose, Herbert J. Storing elucidates the nature and enduring importance of America's deepest political principles. His work is presented here with the thoughtful care and organization of one of his students - Joseph M. Bessette.

Many important questions regarding the creation and adoption of the United States Constitution remain unresolved. Did slaveholdings or financial holdings significantly influence our Founding Fathers' stance on particular clauses or rules contained in the Constitution? Was there a division of support for the Constitution related to religious beliefs or ethnicity? Were founders from less commercial areas more likely to oppose the Constitution? To Form a More Perfect Union successfully answers these questions and offers an economic explanation for the behavior of our Founding Fathers during the nation's constitutional founding. In 1913, American historian Charles A. Beard controversially argued in his book An Economic Interpretation of the Constitution of the United States that the framers and ratifiers of the Constitution were less interested in furthering democratic principles than in advancing specific economic and financial interests. Beard's thesis eventually emerged as the standard historical interpretation and remained so until the 1950s. Since then, many constitutional and historical scholars have questioned an economic interpretation of the Constitution as being too narrow or too calculating, believing the great principles and political philosophies that motivated the Founding Fathers to be worthier subjects of study. In this meticulously researched reexamination of the drafting and ratification of our nation's Constitution, Robert McGuire argues that Alexander Hamilton, James Madison, George Mason and the other Founding Fathers did act as much for economic motives as for abstract ideals. To Form a More Perfect Union offers compelling evidence showing that the economic, financial, and other interests of the founders can account for the specific design and adoption of our Constitution. This is the first book to provide modern evidence that substantiates many of the overall conclusions found in Charles Beard's An Economic Interpretation while challenging and overturning other of Beard's specific findings. To Form a More Perfect Union presents an entirely new approach to the study of the shaping of the U.S. Constitution. Through the application of economic thinking and rigorous statistical techniques, as well as the processing of vast amounts of data on the economic interests and personal characteristics of the Founding Fathers, McGuire convincingly demonstrates that an economic interpretation of the Constitution is valid. Radically challenging the prevailing views of most historians, political scientists, and legal scholars, To Form a More Perfect Union provides a wealth of new findings about the Founding Fathers' constitutional choices and sheds new light on the motivations behind the design and adoption of the United States Constitution.

America is at a spiritual and political crossroads. A new narrative is needed to counter the discord in her politics and culture, a new way forward rooted in Martin Luther King Jr.'s vision of community. A More Perfect Union calls for a shared vision that transcends partisanship to live out America's best ideals and realize a more perfect union.

Inspired by a true story, Tammye Huf's debut explores the epic love story of an Irish immigrant and a plantation slave who must navigate love, identity, and sacrifice in 19th-century America.

In this new work, Jackson provides ample documentation and insightful analysis of the inextricable link between race and economics.

A More Perfect Union- Unifying Ideas for a Divided America We are a divided country, but we don't have to be. A More Perfect Union-Unifying Ideas for a Divided America is the essential guide for a polarized country. Author David Gottstein has identified the most pressing issues that Americans must address to prosper at home and abroad. More importantly, he offers common sense solutions that will unite Americans regardless of their politics. Imagine solutions that provide enough water and energy for generations, leaving a cleaner planet in return. Imagine a way to end unemployment and welfare as we know it. Gottstein shares a vision of America where success is based on how hard you work and not where you were born. If you are looking to be inspired by an America that can be, you have found the right book. Read it, share it, and add your voice to A More Perfect Union.

The year is 1999. A tourist is killed, saving hundreds of innocent people at the Washington Air and Space Museum. A shadowy group calling itself DEFCO One claims responsibility for what is undeniably an act of domestic terrorism. The FBI believes the group is a covert terrorist cell within an overt right-wing militia, based in Wyoming. Recruited by the FBI, Gabriele Barnes, the grieving wife of the victim, agrees to go undercover as a confidential informant. Another wife of the victim, now missing and presumed dead, has reported that the group's inner circle accepts only married couples. Jerry Tompkins, her late husband's teammate and closest friend, agrees to "marry" Gabriele. Together, they penetrate the secretive gang, living among them in order to gather enough evidence for the FBI to arrest the group. Gabriele has nothing to live for except revenge; Jerry vows to protect his friend's wife-and use his considerable military skills to help her exact retribution. Too late, they realize that Gabriele is in way over her head, and Jerry's military skills are not nearly enough. Trapped in a cauldron of white supremacist hate, Jerry and Gabriele must find a way to expose the gang for what it is, save their own lives, and prevent a catastrophic act of terrorism that will kill millions. And time is running out!
