This book is an amazing guide to understanding an Eternal Relationship. The media so often is fringe centric and the average couple is left thinking that the beauty and Eternal perspective must be an outdated notion. Dr Hughes makes the connection most people embrace. Love is intimacy between a loving couple within the sacred bounds of marriage.

marriage: relationship with in-laws, finances, communication, praying together, and parenting. There was no discernable or significant rating as to which ones of these caused more or less stress within marriages. This points to the reality that the difficulties couples face are many and varied, so preparation for marriage should be broad based with

Just as Masters and Johnson were pioneers in the study of human sexuality, so Dr. John Gottman has revolutionized the study of marriage. As a professor of psychology at the University of Washington and the founder and director of the Seattle Marital and Family Institute, he has studied the habits of married couples in unprecedented detail over the course of many years. His findings, and his heavily attended workshops, have already turned around thousands of faltering marriages. This book is the culmination of his life's work: the seven principles that guide couples on the path toward a harmonious and long-lasting relationship. Straightforward in their approach, yet profound in their effect, these principles teach partners new and startling strategies for making their marriage work. Gottman helps couples focus on each other, on paying attention to the small day-to-day moments that, strung together, make up the heart and soul of any relationship. Being thoughtful about ordinary matters provides spouses with a solid foundation for resolving conflict when it does occur and finding strategies for living with those issues that cannot be resolved. Packed with questionnaires and exercises whose effectiveness has been proven in Dr. Gottman's workshops, The Seven Principles for Making Marriage Work is the definitive guide for anyone who wants their relationship to attain its highest potential. The Seven Principles for Making Marriage Work is the result of Dr. John Gottman's many years of closely observing thousands of marriages. This kind of longitudinal research has never been done before. Based on his findings, he has culled seven principles essential to the success of any marriage. Maintain a love map. Foster fondness and admiration. Turn toward instead of away. Accept influence. Solve solvable conflicts. Cope with conflicts you can't resolve. Create shared meaning. Dr. Gottman's unique questionnaires and exercises will guide couples on the road to revitalizing their marriage, or making a strong one even better.

Drawing on groundbreaking research into the dynamics of healthy relationships, a study of the basic principles that make up a happy, long-lasting marriage shares easy-to-understand, helpful advice on how to cope with such issues as work, children, money, sex, and stress. 35,000 first printing. Tour.

The classic book on counseling has been updated to provide the latest information to counselors and pastors. Recommended by Dr. James Dobson.

People sometimes say that life doesn't come with a manual. But as you are about to discover, that is not necessarily true. Your decisive guide to personal development and marital bliss has arrived! Mordechai and Esther Fintz, authors of the popular books, What Makes Our Life a Success and the TLC series, present their insightful all-in-one handbook that features comprehensive ways to conduct your journey to personal and marital happiness, peace, and success. The authors demonstrate that only when you engage in self-improvement, your ultimate goal of leading a fulfilling life with your soulmate and family lies within reach. The book also offers valuable techniques for realizing your dreams, planning your wedding and honeymoon, and cultivating habits that will help you sustain a rock-solid romantic and marital relationship and overall family experience. Decades of happily married life have given the authors unique perspectives on the above topics, which they incorporate into their everyday lives and seek to share with their wide readership. Dive into the book's pages and discover your personal and marital happiness. Read the offered wisdom repeatedly and adapt each lesson to your vision and lifestyle. The book will forever change you and your outlook on yourself, your soulmate, and life in general.

Originally published in the early 1930s this learned work on Sex and Marriage presents in a realistic and practical manner the essential facts of mating and reproduction whilst also dealing with common sexual and marital problems which confront the average couple.Contents Include: Fitness for Marriage The Biology of Marriage The Male Sex Organs The Female Sex Organs Reproduction Problems of Reproduction Prevention of Conception The Art of Marriage Sex Technique and Orgasm Sexual Disharmonies Health in Marriage etc. Illustrated. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Home Farm Books are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

You aren't a licensed marriage and family therapist. You didn't do a doctoral dissertation on pastoral counseling. You're simply God's person caring for God's people in the local church. And the marriages in your church need help. Many pastors feel ill-equipped to handle the challenges that arise when a couple is going through marital difficulties. They feel lost and inadequate. What do you say? What counsel do you offer? Should I say anything or just listen? Do I schedule a follow-up appointment? Do I ask questions? What questions? If you are or have been in this situation before, this book offers you a practical guide to get started with the first sessions and then offers specific guidance on nine of the most common topics that come up in marriage counseling. Author and pastor Jonathan Holmes offers a solid, biblical theology and methodology to help you navigate through the world of marriage counseling with the fundamental conviction that God's word is powerful enough to address the deepest of marital issues, and robust enough to handle whatever might come your way. In each chapter, you'll meet a new couple dealing with a different issue, much like the people in your church, office, and neighborhood. Through the book you'll also hear advice from several respected voices in the biblical counseling community. Whether you're a novice or already knowledgeable, Counsel for Couples provides theologically sound and biblically practical tools to help you as you help couples in need.
