When a bomb goes off at 221B Baker Street, Evelina Cooper is thrown into her uncle Sherlock's world of mystery and murder. But just when she thought it was safe to return to the ballroom, old, new, and even dead enemies are clamoring for a place on her dance card. Before Evelina's even unpacked her gowns for a country house party, an indiscretion puts her in the power of the ruthless Gold King, who recruits her as his spy. He knows her disreputable past and exiles her to the rank alleyways of Whitechapel with orders to unmask his foe. As danger mounts, Evelina struggles between hiding her illegal magic and succumbing to the darker aspects of her power. One path keeps her secure; the other keeps her alive. For rebellion is brewing, a sorcerer wants her soul, and no one can protect her in the hunting grounds of Jack the Ripper. Praise for Emma Jane Holloway's A Study in Silks []This book has just about everything: magic, machines, mystery, mayhem, and all the danger one expects when people's loves and fears collide. I can't wait to return to the world of Evelina Cooper![]Kevin Hearne, New York Times bestselling author of The Iron Druid Chronicles []As Sherlock Holmes's niece, investigating murder while navigating the complicated shoals of Society[]and romance[]in an alternate Victorian England, Evelina Cooper is a charming addition to the canon.[]Jacqueline Carey, New York Times bestselling author of the Kushie's Legacy series []Holloway takes us for quite a ride, as her plot snakes through an alternate Victorian England full of intrigue, romance, murder, and tiny sandwiches. Full of both thrills and frills.[]Nicole Peeler, author of the Jane True series []A Study in Silks is a charming, adventurous ride with a heroine who is both clever and talented. The brushes with the Sherlock Holmes myths only add to the fun of this tale, and readers are bound to fall in love with Evelina and the London she inhabits.[]Philippa Ballantine, author of Geist []In A Study in Silks, Emma Jane Holloway has created a wonderful reimagining of the Sherlock Holmes myths set in a late-Victorian Britain ruled by nefarious industrial titans called steam barons. Holloway's clever writing, attention to detail, and sublime characters forge a fascinating world that combines brass-plated steampunk technology with magic. By turns a coming-of-age story, a gas-lamp thriller, and a whimsical magical fantasy, A Study in Silks is the premiere novel of an author to watch.[]Susan Griffith, author of the Vampire Empire series []Holloway stuffs her adventure with an abundance of characters and ideas and fills her heroine with talents and graces, all within a fun, brisk narrative.[]Publishers Weekly []Splendid . . . The characters are thoroughly charming and the worldbuilding is first-rate.[]RT Book Reviews (four stars)

W. R. Johnson confronts the inherent (and much commented upon) melancholy of Vergil's poem, and gives us an interpretation as brilliant and as it is original. He questions accepted readings that emphasize Vergil's faith in empire. Instead, he points to Vergil's multiple allegories, his lyrical and enigmatic style, and the ways in which Vergil teaches us about darkness. Using close readings and comparisons to Homer, Johnson reveals how wise and moving theAeneid can be. No poet,[] he writes, not Dante himself, has imagined the disintegration of justice and truth with such precision and power, and for this reason no poet, not Homer himself, has shown how precious and how fragile are the formation and equilibrium of man's integrity of spirit.[]

Evelina Cooper, the niece of the great Sherlock Holmes, is the unforgettable heroine of the Baskerville Affair series, a rollicking trilogy blending paranormal fantasy, romance, and mystery. Reimagining Victorian London as the battleground between magic and machine, Emma Jane Holloway captures the city in stunning detail, from 221B Baker Street to the hunting grounds of Jack the Ripper. Now this eBook bundle brings together all three captivating novels: A STUDY IN SILKS A STUDY IN DARKNESS A STUDY IN ASHES Also includes prequel short stories for all three novels: []The Adventure of the Wollaston Ritual,[] []The Strange and Alarming Courtship of Miss Imogen Roth,[] and []The Steamspinner Mufny![] In a Victorian era ruled by a council of ruthless steam barons, mechanical power is the real monarch and sorcery the demon enemy of the Empire. Nevertheless, the most coveted weapon is magic that can run machines[]something Evelina Cooper has secretly mastered. But rather than making her fortune, her special talents could mean death or an eternity as a guest at Her Majesty's secret laboratories. What's a polite young lady[]poised to enjoy her first Season in London Society[]to do but mind her manners and pray she's never found out? But first there's a murder to deal with[]not to mention missing automatons, a sorcerer, and a talking mouse. As Sherlock Holmes's niece, Evelina should be able to find the answers, but she has a lot to learn. And the first decision she has to make is whether to trust the handsome, clever rake who makes her breath come faster or the dashing trick rider who would dare anything for her if she would only just ask. Praise for The Baskerville Affair []As Sherlock Holmes's niece, investigating murder while navigating the complicated shoals of Society[]and romance[]in an alternate Victorian England, Evelina Cooper is a charming addition to the canon.[]Jacqueline Carey, New York Times bestselling author of the Kushie's Legacy series []This book has just about everything: magic, machines, mystery, mayhem, and all the danger one expects when people's loves and fears collide. I can't wait to return to the world of Evelina Cooper![]Kevin Hearne, New York Times bestselling author of The Iron Druid Chronicles, on A Study in Silks []Holloway stuffs her adventure with an abundance of characters and ideas and fills her heroine with talents and graces, all within a fun, brisk narrative.[]Publishers Weekly, on A Study in Silks []Riveting . . . The villains and scoundrels continue to be wonderfully complex, and heroine Evelina only grows more interesting as she explores the fearsome and fascinating darker side of her Blood magic.[]RT Book Reviews, on A Study in Darkness []An exciting trilogy . . . what a stunning conclusion to such a phenomenal series![]Fresh Fiction, on A Study in Ashes

Through her faithful study of Scripture, Bethany shows how any layperson with the ability to read can teach children--even as the adults themselves are learning--while avoiding the pitfalls of interpretation and theological speculation. Teaching, she explains, is as simple as defining words, following the plot, identifying characters, looking up historical facts, and, most importantly, sticking to the text. Parents should read the stories of the Bible to their children without comment. "Narration," Bethany explains, "teaches children submission to the story." I hasten to add that her book challenges parents to do the same. That Bethany takes this directive seriously is evident in her insightful exegesis of various passages.

As an artist, David Bowie is widely considered a chameleon, shedding one persona to create a new one and thus staying popular, relevant and compelling. In reality, Bowie is able to work with the resources around him to create something new, causing many to see him as a sort of lone artist rather than a collaborator in the creation of his own celebrity. Since mid-career, Bowie has presented himself as a figure in darkness, progressively more hidden. He requires an audience for his continued celebrity but works against that audience in the creation--or rather the destruction--of his star image. This tension is made clear in his 1995 album 1. Outside, which has him performing for an audience while simultaneously shunning them. This book explores Bowie's negotiation of his celebrity during his later career, with particular focus on 1. Outside, an album symptomatic of deep-seated societal and personal anxiety.

A Study Guide for Ursula K. LeGuin's "The Left Hand of Darkness," excerpted from Gale's acclaimed Novels for Students.This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Nonfiction Classics for Students for all of your research needs.

How does one read the Old Testament as Christian Scripture? This question, voiced in both academic and ecclesial settings, invites a reflection on how to take these texts with both hermeneutical alertness and sustained imaginative seriousness. While scholars have recently engaged in robust discussion about theological hermeneutics, there have been relatively few worked examples with particular Old Testament texts. This book seeks to meet this need by providing a close reading of Isaiah 14:3[]23, a text with a complex amalgam of textual, historical-critical, history-of-reception, and theological issues.

When her heart-mate, Kerrick, goes missing, healer Avry, who has survived the plague and defeated King Tohon, must now choose between love and duty when the Skeleton King rises to claim the Fifteen Realms for his own. Original.
