A Woman in Berlin: Diary 20 April 1945 to 22 June 1945 ... A Woman in Berlin (German: Eine Frau in Berlin) (1959/2003) is an anonymous memoir by a German woman, revealed in 2003 to be journalist Marta Hillers. It covers the weeks from 20 April to 22 June 1945, during the capture of Berlin and its occupation by the Red Army. The writer describes the widespread rapes by Soviet soldiers, including her own, and the women's pragmatic approach to survival, often taking Soviet officers for protection.

A Woman in Berlin - Wikipedia Storyline. A nameless woman keeps a diary as the Russians invade Berlin in the spring of 1945. She is in her early 30s, a patriotic journalist with international credentials; her husband, Gerd, a writer, is an officer at the Russian front. She speaks Russian and, for a day or two after the invasion, keeps herself safe, but then the rapes begin.

Row over naming of rape author | World news | The Guardian A Woman in Berlin Quotes Showing 1-21 of 21. 0These days I keep noticing how my feelings towards men - and the feelings of all the other women - are changing. We feel sorry for them; they seem so miserable and powerless. The weaker sex. Deep down we women are experiencing a kind of collective disappointment.

A Woman in Berlin Quotes by Marta Hillers Book Summary The diary of a young woman, recording her and her neighbors' experiences as, for six weeks in 1945, Berlin fell to the Russian army. An astonishing find - the landmark journal of a woman living though the Russian occupation of Berlin - which has already earned comparisons to diaries by Etty Hillesum and Victor Klemperer

A New York Times Book Review Editors' Choice For eight weeks in 1945, as Berlin fell to the Russian army, a young woman kept a daily record of life in her apartment building and among its residents. "With bald honesty and brutal lyricism" (Elle), the anonymous author depicts her fellow Berliners in all their humanity, as well as their cravenness, corrupted first by hunger and then by the Russians. "Spare and unpredictable, minutely observed and utterly free of self-pity" (The Plain Dealer, Cleveland), A Woman in Berlin tells of the complex relationship between civilians and an occupying army and the shameful indignities to which women in a conquered city are always subject--the mass rape suffered by all, regardless of age or infirmity. A Woman in Berlin stands as "one of the essential books for understanding war and life" (A. S. Byatt, author of Possession).

A wartime journal by a reporter and editor living through the Russian occupation of Berlin includes her observations of resident survival in the face of starvation, no water, and freezing conditions; the mass rapes endured by the city's women; and the corruption of Berlin citizens by their Russian occupiers. Reprint. 35,000 first printing.

The author of the international bestseller The Rise and Fall of the Third Reich offers a personal account of life in Nazi Germany at the start of WWII. By the late 1930s, Adolf Hitler, Führer of the Nazi Party, had consolidated power in Germany and was leading the world into war. A young foreign correspondent was on hand to bear witness. More than two decades prior to the publication of his acclaimed history, The Rise and Fall of the Third Reich, William L. Shirer was a journalist stationed in Berlin. During his years in the Nazi capital, he kept a daily personal diary, scrupulously recording everything he heard and saw before being forced to flee the country in 1940. Berlin Diary is Shirer's first-hand account of the momentous events that shook the world in the mid-twentieth century, from the annexation of Austria and Czechoslovakia to the fall of Poland and France. A remarkable personal memoir of an extraordinary time, it chronicles the author's thoughts and experiences while living in the shadow of the Nazi beast. Shirer recalls the surreal spectacles of the Nuremberg rallies, the terror of the late-night bombing raids, and his encounters with members of the German high command while he was risking his life to report to the world on the atrocities of a genocidal regime. At once powerful, engrossing, and edifying, William L. Shirer's Berlin Diary is an essential historical record that illuminates one of the darkest periods in human civilization.

"Despina Stratigakos is assistant professor of architecture at the University at Buffalo, State University of New York."--BOOK JACKET.

"I have always had faith that the best writers will rise to the top, like cream, sooner or later, and will become exactly as well-known as they should be-their work talked about, quoted, taught, performed, filmed, set to music, anthologized. Perhaps, with the present collection, Lucia Berlin will begin to gain the attention she deserves." -Lydia Davis A MANUAL FOR CLEANING WOMEN compiles the best work of the legendary short-story writer Lucia Berlin. With the grit

of Raymond Carver, the humor of Grace Paley, and a blend of wit and melancholy all her own. Berlin crafts miracles from the everyday, uncovering moments of grace in the Laundromats and halfway houses of the American Southwest, in the homes of the Bay Area upper class, among switchboard operators and struggling mothers, hitchhikers and bad Christians. Readers will revel in this remarkable collection from a master of the form and wonder how they'd ever overlooked her in the first place.

Marie `Missie' Vassiltchikov as a White Russian emigree caught with her family in Hitler's Germany at the outbreak of the war. She was a Bright Young Thing, part of the cosmopolitan set who managed to maintain a trance-like normality until as late as 1941 - picnics, house-parties, dinners at the Eden . . . Before long, however, Missie became sickened by the brutal and repressive nature of Nazi-rule which ovshadowed every aspect of her life. Through Adam Von Trot, for whom she worked in the Information Department of the Foreign Ministry, she became involved in the Resistance and the diaries vividly describe her part in the drama of July 1944 and its appalling aftermath. Living among the ruins of Berlin during Allied bombing raids, she grows us to be strong-minded, committed and courageous woman as she daily displays uncommon bravery in the face of the Gestapo and the detestable Dr Six of the SS. Having survived the Nazis, Missie ends the diaries as she flees from Vienna, where she has been working as a nurse, before the advancing Red Army.

A thrilling piece of undiscovered history, this is the true account of a young Jewish woman who survived World War II in Berlin. In 1942, Marie Jalowicz, a twenty-year-old Jewish Berliner, made the extraordinary decision to do everything in her power to avoid the concentration camps. She removed her yellow star, took on an assumed identity, and disappeared into the city. In the years that followed, Marie took shelter wherever it was offered, living with the strangest of bedfellows, from circus performers and committed communists to convinced Nazis. As Marie quickly learned, however, compassion and cruelty are very often two sides of the same coin. Fifty years later, Marie agreed to tell her story for the first time. Told in her own voice with unflinching honesty, Underground in Berlin is a book like no other, of the surreal, sometimes absurd day-to-day life in wartime Berlin. This might be just one woman's story, but it gives an unparalleled glimpse into what it truly means to be human.

Longlisted for the Andrew Carnegie Medal for Excellence A New York Times Book Review Editor's Choice "Here in Berlin is one of the most interesting new works of fiction I've read . . . The voices are remarkably distinct, and even with their linguistic mannerisms . . . mark them out as separate people . . . [This novel] is simply very, very good." ¶The New York Times Book Review Here in Berlin is a portrait of a city through snapshots, an excavation of the stories and ghosts of contemporary Berlinits complex, troubled past still pulsing in the air as it was during World War II. Critically acclaimed novelist Cristina Garcia brings the people of this famed city to life, their stories bristling with regret, desire, and longing. An unnamed Visitor travels to Berlin with a camera looking for reckonings of her own. The city itself is a characterivibrant and postapocalyptic, flat and featureless except for its rivers, its lakes, its legions of bicyclists. Here in Berlin she encounters a people's history: the Cuban teen taken as a POW on a German submarine only to return home to a family who doesn't believe him; the young Jewish scholar hidden in a sarcophagus until safe passage to England is found; the female lawyer haunted by a childhood of deprivation in the bombedout suburbs of Berlin who still defends those accused of war crimes; a young nurse with a checkered past who joins the Reich at a medical facility more intent to dispense with the wounded than to heal them; and the son of a zookeeper at the Berlin Zoo, fighting to keep the animals safe from both war and an increasingly starving populace. A meditation on war and mystery, this an exciting new work by one of our most gifted novelists, one that seeks to align the stories of the past with the stories of the future. "Garcia's new novel is ingeniously structured, veering from poignant to shocking . . . Here in Berlin has echoes of W.G. Sebald, but its vivid, surprising images of wartime Berlin are Garcia's own." ¶BBC Culture, 1 of the 10 Best Books of 2017
