ordinary sorceress who can raise the dead to do her killing. But that's exactly what Riley expects to find at the end of a trail of female corpses used—and discarded—in a bizarre ritual of evil. With pressure mounting to catch one fiend, another series of brutal slayings shocks the vampire world of her lover, Quinn. So the last thing Riley needs is the heat of the upcoming full moon bringing her werewolf hormones to a boil—or the reappearance of a sexy bounty hunter, the rogue wolf Kye Murphy. Riley has threatened Murphy with arrest if he doesn't back off the investigation, but it's Riley who feels handcuffed by Kye's lupine charm. Torn between her vamp and wolf natures, between her love for Quinn and her hots for Kye, Riley knows she's courting danger and indulging the deadliest desires. For her hunt through the supernatural underworld will bring her face-to-face with what lurks in a darkness where even monsters fear to tread.

As part-wolf, part-vampire Guardian Riley Jenson investigates a series of brutal murders, she is torn between the two sides of her nature and between her vampire lover, Quinn, and irritating but handsome bounty hunter Kye Murphy.

Mercy's friend Rainey has enlisted her help to solve her sister's murder. Then a horrible accident claims Rainey's life, leaving Mercy only five days to find the killer: If Mercy fails, according to dragon law, Rainey's soul will be doomed to roam the earth for eternity. But how can Mercy help when she herself is a target? With nowhere else to turn, she must join forces with a sexy stranger—the mysterious man they call “Muerte,” or death itself, who's as irresistible as he is treacherous.
