missionary work and events from the 1970s to the present, will stir and encourage the hearts of readers to serve and follow God passionately.

Engulfed in the darkness of Irian Jaya's Snow Mountains live the Yali, naked cannibals who call themselves lords of the earth. Yet, in spite of their boldness, they live in terror and bondage to the women-hating, child-despising gods they serve. Missionary Stan Dale dared to enter their domain and be an instrument to change their future. Peace Child author, Don Richardson, tells the story of Dale, his wife, his companions and thousands of Yali tribesmen in *Lords of the Earth*. This unforgettable tale of faithful determination and zeal against overwhelming odds brings unlikely characters together in a swirl of agony and bloodshed climaxing in a dramatic, unexpected ending. Readers will find their perceptions of how God moves enlarged and inspired by this classic story. For parents and youth leaders looking for real-life role models for the new generation of young people, you will want to meet the Dales in *Lords of the Earth*.

From Cannibals to Christ-Followers--A True Story In 1962, Don and Carol Richardson risked their lives to share the gospel with the Sawi people of New Guinea. Peace Child tells their unforgettable story of living among these headhunters and cannibals, who valued treachery through fattening victims with friendship before the slaughter. God gave Don and Carol the key to the Sawi hearts via a redemptive analogy from their own mythology. The "peace child" became the secret to unlocking a value system that had existed through generations. This analogy became a stepping-stone by which the gospel came into the Sawi culture and started both a spiritual and a social revolution from within. With an epilogue updating how the gospel has impacted the Sawi people, this missionary classic will inspire a new generation of readers who need to hear this remarkable story and the lessons it teaches us about communicating Christ in a meaningful way to those around us.

At the Foot of the Snows tells the inspiring story of an American family living among the virtually unknown Kham Magar of Nepal, developing a deep bond of friendship that transcended their cultural divide. Through years of study and hard work, they translated Scripture into the Kham language, igniting a spark of interest in the gospel that would fan to life through years of persecution. Through it all, David and Nancy Watters struggled to demonstrate that gospel to these people who lived, in the words of the Khams, "at the foot of the snows."

"I lived in Afghanistan for five years. I learned the rules I had to." Riveting and fast paced, *In the Land of Blue Burqas* depicts sharing the love and truth of Christ with women living in Afghanistan, which has been called "the world's most dangerous country in which to be born a woman." These stories are honest and true. The harsh reality of their lives is not sugar-coated, and that adds to the impact of this book. Through storytelling, the author shows how people who don't know Christ come to see Him, His truth, and His beauty. The stories provide insight into how a Jesus-follower brought Jesus' teachings of the Kingdom of God to Afghanistan. They reveal the splendor of Christ, the desire of human hearts, and that precious instance where the two meet. All of the names of those involved—including Kate's—plus the locations have been changed to protect the participants.

"The Heavenly Man" tells the true story of Liu Zhenying, also known as Brother Yun, who, for the past 30 years, has committed himself to bringing the gospel of Christ to all of China. Imprisoned, tortured, and separated from his family for his beliefs, Brother Yun shares his story.
