Virgin businesses around the world. Now he shares the inside track on his life in business and reveals the incredible truth about his most risky, brilliant, and audacious deals. Combining invaluable advice with remarkable, and candid stories of Virgin's greatest achievements, as well as some of its setbacks, this is a dynamic, inspirational, and truly original guide. Whether you are an executive, an entrepreneur, or are just starting out, Branson strips business down to show how you can succeed and make a difference.

This is a book on leadership from someone who has never read a book on leadership in his life. While building the Virgin Group over the course of forty years, Richard Branson has never shied away from tackling seemingly outlandish challenges that others (including his own colleagues on many occasions) considered sheer lunacy. He has taken on giants like British Airways and won, and monsters like Coca-Cola and lost. Now Branson gives an inside look at his strikingly different, swashbuckling style of leadership. Learn how fun, family, passion, and the dying art of listening are key components to what his extended family of employees around the world has always dubbed (with a wink) "the Virgin Way." This unique perspective comes from a man who dropped out of school at sixteen, suffers from dyslexia, and has never worked for anyone but himself. He may be famous for thinking outside the box--an expression he despises--but Branson asserts that "you'll never have to think outside the box if you refuse to let anyone build one around you."

"Can we bring more meaning to our lives and help change the world at the same time? Richard Branson, at his brilliant and motivating best, reveals how with his exciting new vision for the future. It is time to turn capitalism upside down - to shift our values, to switch from a just profit focus to caring for people, communities and the planet. "Screw business as usual" shows how easy it is for both businesses

and individuals to embark on a whole new way of doing things, solving major problems and turning our work into something we both love and are proud of." -- Back cover.

Richard Branson, who has been called "England's most outrageous billionaire," is also one of the world's most successful business leaders. Since the age of 16, when he founded Student magazine, Branson has been creating companies and finding innovative ways to grow them into the prodigious conglomerate known as the Virgin Group. At the age of 20, Branson founded a mail-order record retailer. Two years later he built a recording studio where the first artist signed to his Virgin label, Mike Oldfield, recorded the haunting soundtrack to *The Exorcist*. Decades later, industries as varied as entertainment (Virgin Music), retail (Virgin Megastores), transportation (Virgin Airlines), and telecommunications (Virgin Mobile) all bear Branson's business moniker. For the first time, the most thought-provoking, revealing, and inspiring quotes from Branson are compiled in a single book. *Virgin Rebel: Richard Branson in His Own Words* is a comprehensive guidebook to the inner workings of the Virgin Group chairman and founder. Hundreds of Branson's best quotes, comprising thoughts on business, music, entrepreneurship, politics, exploration, and life lessons, provide an intimate and direct look into the mind of this modern business icon.

'Read on, and rediscover how to live a fuller and more successful life' SIR RICHARD BRANSON, from the foreword There are some 400 million people worldwide whose creativity, imagination and determination put the rest of us to shame. They are experts in their field, despite having no experience to speak of. Once, you were one of them too. They are toddlers - and they hold the key to unlocking our creative potential as adults. In *Little Wins: The Huge Power of Thinking Like a Toddler*, Ella's Kitchen

founder Paul Lindley reveals the nine characteristics and behaviours that we can all learn from recalling our toddler selves. From attention-grabbing tactics that would humble most marketing experts to the art of thinking divergently, Lindley shows how much we've lost in getting old - and how we can get it back. Never mind growing up; it's time we grew down.

NEW YORK TIMES BESTSELLER • The founder and co-CEO of Salesforce delivers an inspiring vision for successful companies of the future—in which changing the world is everyone ’ s business. “ The gold standard on how to use business as a platform for change at this urgent time. ” —Ray Dalio, founder of Bridgewater Associates and author of Principles: Life and Work What ’ s the secret to business growth and innovation and a purpose-driven career in a world that is becoming vastly more complicated by the day? According to Marc Benioff, the answer is embracing a culture in which your values permeate everything you do. In Trailblazer, Benioff gives readers a rare behind-the-scenes look at the inner workings of one of the world ’ s most admired companies. He reveals how Salesforce ’ s core values—trust, customer success, innovation, and equality—and commitment to giving back have become the company ’ s greatest competitive advantage and the most powerful engine of its success. Because no matter what business you ’ re in, Benioff says, values are the bedrock of a resilient company culture that inspires all employees, at every level, to do the best work of their lives. Along the way, he shares insights and best practices for anyone who wants to cultivate a company culture positioned to thrive in the face of the inevitable disruption ahead. None of us in the business world can afford to sit on the sidelines and ignore what ’ s going on outside the walls of our workplaces. In the future, profits and progress will no longer be sustainable unless they serve the greater good. Whether you run a company, lead a small team, or have just draped an ID badge around your neck for the first time, Trailblazer reveals how anyone can

Praise for Trailblazer “ A guide for what every business and organization must do to thrive in this period of profound political and economic change. ” —Jamie Dimon, chairman and CEO of JPMorgan Chase “ In Trailblazer, Benioff explores how companies can nurture a values-based culture to become powerful platforms for change. ” —Susan Wojcicki, CEO of YouTube

A celebration of fifty years of daring innovation at the iconic Virgin brand.

Throughout my life I have achieved many remarkable things. In *Screw It, Let's Do It*, I will share with you my ideas and the secrets of my success, but not simply because I hope they'll help you achieve your individual goals. Today we are increasingly aware of the effects of our actions on the environment, and I strongly believe that we each have a responsibility, as individuals and organisations, to do no harm. I will draw on Gaia Capitalism to explain why we need to take stock of how we may be damaging the environment, and why it is up to big companies like Virgin to lead the way in a more holistic approach to business. In *Screw It, Let's Do It* I'll be looking forwards to the future. A lot has changed since I founded Virgin in 1968, and I'll explain how I intend to take my business and my ideas to the next level and the new and exciting areas - such as launching Virgin Fuels - into which Virgin is currently moving. But I have also brought together all the important lessons, good advice and inspirational adages that have helped me along the road to success. Ironically, I have never been one to do things by the book, but I have been inspired and influenced by many remarkable people. I hope that you too might find a little inspiration between these pages.
