Retail supply chain consists of multiple segments from sales to distribution to finance. Retail manufacturers rely on a complicated web of suppliers. Customer demand and market competition today requires extreme efficiency from end to end. This book offers the retail supply chain executive with the tools needed for full strategic advantage. The new edition gives special attention to recent challenges, such as vast technological change, higher levels of customer personalization, and more global supply chains.

Building Literacy in the Content Areas reflects the diversity of today's student population and emphasizes the need to gear instruction to include all students. With templates, sample lessons, and actual teaching scenarios, this new text provides preservice teachers with the tools they need to effectively teach reading at all grade levels.

Presents more than 150 recipes for a range of healthful dishes, in a cookbook that features information on the art of healthy eating.

Geeze O'Pete is a small town farmer going about his business cutting hay for his cattle. Until he finds himself face-to-face with a tiny purple creature bent on revenge. He must fight against the impossible. If he fails everyone he loves could be in danger.

Former covert operator Nick Stone seems to be living his dream in book eight of the best-selling series - not a care in the world as he steers his camper van around the surfing and parachuting paradise of Australia. But when he sees a news report of the massacre of women and children in a terrorist outrage on the other side of the world, long-suppressed memories are triggered, and Nick knows he must risk everything to repay a longstanding debt of friendship. As events unfold in the teeming streets of modern Istanbul and the bleak, medieval villages of Georgia, Nick finds himself catapulted once more into the murky, clandestine world he thought he'd left behind - a world in the grip of nameless enemies who linger in the shadows, and stalk the corridors of power...
