After uncovering a secret that upends her life, Scarlett will need to do the impossible. And Legend has a choice to make that will forever change and define him. The instant #1 New York Times bestseller! Stephanie Garber's limitless imagination takes flight once more in the colorful, mesmerizing, and immersive sequel to the bestselling breakout debut Caraval... A heart to protect. A debt to repay. A game to win. After being swept up in the magical world of Caraval, Donatella Dragna has finally escaped her father and saved her sister Scarlett from a disastrous arranged marriage. The girls should be celebrating, but Tella isn't yet free. She made a desperate bargain with a mysterious criminal, and what Tella owes him no one has ever been able to deliver: Caraval Master Legend's true name. The only chance of uncovering Legend's identity is to win Caraval, so Tella throws herself into the legendary competition once more--and into the path of the murderous heir to the throne, a doomed love story, and a web of secrets...including her sister's. Caraval has always demanded bravery, cunning, and sacrifice. But now the game is asking for more. If Tella can't fulfill her bargain and deliver Legend's name, she'll lose everything she cares about--maybe even her life. But if she wins, Legend and Caraval will be destroyed forever. Welcome, welcome to Caraval...the games have only just begun.

Two starcrossed magicians engage in a deadly game of cunning in The Night Circus, the spellbinding New York Times best seller that has captured the world's imagination. The circus arrives without warning. No announcements precede it. It is simply there, when yesterday it was not. Within the black-and-white striped canvas tents is an utterly unique experience full of breathtaking amazements. It is called Le Cirque des R\u00eaves, and it is only open at night. But behind the scenes, a fierce competition is underway: a duel between two young magicians, Celia and Marco, who have been trained since childhood expressly for this purpose by their mercurial instructors. Unbeknownst to them both, this is a game in which only one can be left standing. Despite the high stakes, Celia and Marco soon tumble headfirst into love, setting off a domino effect of dangerous consequences, and leaving

the lives of everyone, from the performers to the patrons, hanging in the balance. Look for Erin Morgenstern's new novel, *The Starless Sea*, available now.

*Once Upon a Broken Heart* marks the launch of a new series about love, curses, and the lengths that people will go to for happily ever after from Stephanie Garber, the #1 New York Times bestselling author of *Caraval*. For as long as she can remember, Evangeline Fox has believed in true love and happy endings...until she learns that the love of her life will marry another. Desperate to stop the wedding and to heal her wounded heart, Evangeline strikes a deal with the charismatic, but wicked, Prince of Hearts. In exchange for his help, he asks for three kisses, to be given at the time and place of his choosing. But after Evangeline's first promised kiss, she learns that bargaining with an immortal is a dangerous game – and that the Prince of Hearts wants far more from her than she'd pledged. He has plans for Evangeline, plans that will either end in the greatest happily ever after, or the most exquisite tragedy...

*IN THE ENCLAVE, YOUR SCARS SET YOU APART*, and the newly born will change the future. In the future, in a world baked dry by the harsh sun, there are those who live inside the walled Enclave and those, like sixteen-year-old Gaia Stone, who live outside. Following in her mother's footsteps Gaia has become a midwife, delivering babies in the world outside the wall and handing a quota over to be "advanced" into the privileged society of the Enclave. Gaia has always believed this is her duty, until the night her mother and father are arrested by the very people they so loyally serve. Now Gaia is forced to question everything she has been taught, but her choice is simple: enter the world of the Enclave to rescue her parents, or die trying. A stunning adventure brought to life by a memorable heroine, this dystopian debut will have readers racing all the way to the dramatic finish.
