Ceaseless is the third book in the Existence Trilogy by Abbi Glines. If you haven't read this series yet you can see my reviews for book one and book two. At first I wasn't so sure on this book, the whole idea that Dank had to win Pagan all over again, it felt like a story rehash. And you know how I hate love triangles.

Ceaseless by Abbi Glines | Audiobook | Audible.com

I do love how Abbi switches from one character to the next in the chapters so you can see the story from all points of view. I think Pagan is a great protagonist and isn't a pathetic so and so like some in other YA books. You can't help but love Dank. I love Abbi Glines, she is a fantastic author with a

knack for storytelling.

Can he make her fall in love with him... again? When Pagan Moore proved worthy of Death's devotion, he was given the gift of getting to keep her. But Dank was never promised that Pagan would keep him. When a soul is created, so is its mate. In every lifetime those souls find each other. They complete the other's destiny. It's time for Pagan's soul to choose if she truly wants an eternity at Death's side or if she wants the mate created just for her. Dank didn't think he had to worry about her choice. He knew where her heart belonged. Until he realized that every kiss, every touch, every moment of their time together would be washed from her memories. He would have to win her heart all over again and prove to her soul that he was where she belonged. If only her soul's mate wasn't right there standing in his way.

Seventeen year old Pagan Moore can see souls, so when she spots one lounging on a picnic table on the first day of school, she knows he is dead. Then he does something none of the others have ever done before, he speaks. Pagan is fascinated by the soul. What she doesn't realize is that her appointed time to die is drawing near and the soul she is falling in love with is not a soul at all. He is Death and he's about to break all the rules.

The high school quarterback and reigning heartthrob, Leif Montgomery, is missing. While the town is in a frenzy of worry, Pagan is a nervous wreck for other reasons. Apparently good 'ol Leif isn't your average teenage boy. He isn't even human. According to Death, Leif doesn't have a soul. The quarterback may have skipped town but he's still showing up in Pagan's dreams... uninvited. Dank has known from the beginning Leif wasn't human. But he hadn't worried about a simple soulless creature. Now, he realizes he made a grave mistake. Pagan's soul has been marked since birth as a restitution, to a spirit so dark not even Death walks near it. Dank knows saving Pagan's soul won't be easy but Pagan is his. And he's already proven he'll defy Heaven to keep her. If Hell wants a piece of him too, then bring it on.

Tired of trying to live up to the expectations of her popular boyfriend, Sawyer, Ashton finds herself attracted to Sawyer's cousin, Beau, who, despite not wanting to hurt his cousin, finds Ashton irresistible.

The fifth book in the #1 New York Times bestselling Field Party series—a southern soap opera with football, cute boys, and pick-up trucks—from USA TODAY bestselling author Abbi Glines. Ryker Lee is finally enjoying his senior year—he has great friends, hangs out with hot girls, and is on track to get a football scholarship that will set him up for college. Despite this, a small part of him wonders if there's more to life than parties and meaningless hookups—and if football even means as much to him as it does to his fellow teammates. And when he meets the new girl at school, his world totally changes... Aurora McClay is new to Lawton. She's grateful that her twin brother, Hunter, is star of the football team and can help her adjust to her new school, but she's not grateful at how overprotective he is over every person she meets. Just because she is deaf does not mean people have to treat her differently. When she meets Ryker Lee, the two of them spark an instant and intense chemistry, one that proves to be controversial not only because of Ryker's reputation as a player, but also because of Aurora and Hunter's father's bigoted views about who Aurora can and can't date. Aurora and Ryker know in their hearts that they are meant for each other. But can their relationship endure the turmoil of rumors and prejudice?

"They say blood is thicker than water, but I was never proud of mine. A female born into the Kamlock bloodline was destined to possess three things they couldn't-- crazy as hell mother, an unfair amount of beauty, and a Charmed soul that was as black as night."-- back cover

From the #1 New York Times- and USA Today-bestselling author of the Rosemary Beach and The Vincent Boys series, Abbi Glines delivers another smoldering, compulsively readable YA romance with *As She Fades*. On the night of her high school graduation, Vale McKinley and her boyfriend Crawford are in a terrible car accident that leaves Crawford in a coma. They were supposed to spend the summer planning for college, for a bright future full of possibility. Together. Instead, Vale spends long days in the hospital, hoping Crawford will awaken. Slate Allen, a college friend of Vale's brother, has been visiting his dying uncle at the same hospital. When he and Vale meet, she can't deny the flutter of an illicit attraction. She tries to ignore her feelings, but she's not immune to Slate's charm. Slowly, they form a cautious friendship. Then, Crawford wakes up . . . with no memory of Vale or their relationship. Heartbroken, Vale opts to leave for college and move on with her life. Except now, she's in Slate's territory, and their story is about to take a very strange turn. Glines' millions of fans will adore *As She Fades*, a novel as romantic as it is full of twists and unexpected turns.

Taking a summer job to salvage the scholarship that was threatened by a DUI charge, Cage clashes with the farm manager's daughter before discovering the reasons behind her anger, forcing him to make a careful choice.

From the author of the red-hot Vincent Boys, *Sea Breeze* and *Too Far* novels, comes another steamy romance... Can you handle bad-boy Woods? My future was about to be completely thrown off track because Della Sloane was under my skin, and I had to have her. I couldn't ignore it anymore. . . . I'd gotten close enough to her to see deeper. Della Sloane is not your average girl. Yearning to break free of her dark and sheltered past, Della plans a solo road trip to experience real life on her own terms. But the trip is nearly cut short in the little beach town of Rosemary when she realizes she can't even pump her own gas-until Woods Kerrington shows up, more than willing to help out a pretty girl in need. Woods's family wants him to settle down with a wealthy woman in pearls, but he can't resist this carefree girl in cutoffs passing through town. A one-night stand should have been enough, but months later, Woods can't get the irresistible Della out of his head. When a twist of fate brings Della back to Woods, all signs point to trouble if they don't keep their distance. Neither is truly free, and a relationship could destroy both of them. With their hearts on the line, Della thinks the safest bet is to walk away. But Woods isn't about to let that happen...

The only thing hotter than the weather South of the Mason Dixon line are the boys. Worn, faded blue jeans, slow Southern drawls, and those naughty moments in the back of pickup trucks a girl never forgets. Welcome to the world of the Sutton boys. Five brothers who fight, party, drink a little too much, but more importantly, they love their momma. Nothing can tear them apart... until the girl next door wins more than one of their hearts.
