A lively insider's guide to starting a successful small business selling items old and new on eBay, written with personal anecdotes, well-kept secrets, and insider tips by Adam Ginsberg, eBay's most successful private salesperson. This is the insider's guide to making money on eBay. Adam Ginsberg is the most successful seller on eBay, moving around a million dollars' worth of merchandise every month. Not only will he impart his personal secrets on how to sell on eBay—learned through years of experience—and his tips on expanding your small business using eBay as a global market, but he'll also give fun side-notes and anecdotes, keeping the book lively and making it a fun and interesting read. This book will be a must-have for all current and aspiring eBay sellers, all small-business owners, and anyone who wants to learn how to start a million-dollar company.

In *Back Where He Started*, Chris Thayer finds himself packing up the last pieces of a quietly extraordinary life. After twenty-three years of marriage to Zack Ronan—and after raising the widower's three kids—Chris finds himself facing an uncertain second act. Seeking refuge in North Carolina's Outer Banks, Chris has to come to terms with his own empty nest and challenge himself to move forward with a new relationship. This is a subtle depiction of the meaning of family and motherhood, and of the

search for your true soul. Jay Quinn's Lambda-nominated novels transcend traditional gay fiction, exploring universal issues of marriage, aging parents, addiction, and attraction, all while presenting unique characters and page-turning drama. Don't miss any of Quinn's novels: *Metes and Bounds*, *Back Where He Started*, *The Good Neighbor*, *The Beloved Son*, and *The Boomerang Kid*.

Crap. We all have it. Filling drawers. Overflowing bins and baskets. Proudly displayed or stuffed in boxes in basements and garages. Big and small. Metal, fabric, and a whole lot of plastic. So much crap. Abundant cheap stuff is about as American as it gets. And it turns out these seemingly unimportant consumer goods offer unique insights into ourselves—our values and our desires. In *Crap: A History of Cheap Stuff in America*, Wendy A. Woloson takes seriously the history of objects that are often cynically-made and easy to dismiss: things not made to last; things we don't really need; things we often don't even really want. Woloson does not mock these ordinary, everyday possessions but seeks to understand them as a way to understand aspects of ourselves, socially, culturally, and economically: Why do we—as individuals and as a culture—possess these things? Where do they come from? Why do we want them? And what is the true cost of owning them? Woloson tells the history of crap from the late eighteenth century up through today, exploring its many categories: gadgets, knickknacks, novelty goods, mass-produced collectibles, giftware, variety store merchandise. As Woloson shows, not all crap is crappy in the same way—bric-a-brac is crappy in a different way from, say, advertising giveaways, which are differently crappy from commemorative plates. Taking on the full brilliant and depressing array of crappy material goods, the book explores the overlooked corners of the American market and mindset, revealing the complexity of our relationship with commodity culture over time. By studying crap rather than finely made material objects, Woloson shows us a new way to truly understand

Key tips from 12 unbelievably successful internet gurus like Mark Joyner & Armand Morin.

Showcases spectacularly bad attempts at taxidermy, including a toad enjoying a beer and a smoke, a cat with eerily flexible front legs, and a smiling lion with receding gums.

Once a literary wunderkind, author Kip Weiler now teaches creative writing at Brixton County Community College—a third-rate school in a rural mining town. But when he saves his class from a potential bloodbath, he is initiated by two of his students into a cult-like group that worships the essential nature of handguns, and rekindles his long-absent creative spark. But as Weiler's involvement with the cult deepens and the end of his novel is in sight, the lines between art and life blur until they become unrecognizable. In this church, there's no need for red wine or wafers. In Gun Church, the blood and bodies are for real.
