"Generous and entertaining." -Publishers Weekly (starred review) Finalist for the PEN/Diamonstein-Spielvogel Award for the Art of the Essay From the #1 New York Times bestselling author and columnist comes a "fiercely funny, powerfully smart, and remarkably brave" (Cheryl Strayed) collection of heartwarming personal essays "as wonderful as her fiction" (Mindy Kaling) that "will enthusiastically reach out to readers and swiftly draw them close" (Publishers Weekly , starred review). She's also a mom, a daughter, and a sister, a clumsy yogini, and a reality-TV devotee. In this "unflinching look at her own experiences" (Entertainment Weekly ), Jennifer fashions tales of modern-day womanhood as uproariously funny and moving as the best of Nora Ephron and Tina Fey. No subject is off-limits in these intimate and honest essays: sex, weight, envy, money, her mother's coming out of the closet, her estranged father's death. From lonely adolescence to hearing her six-year-old daughter say the F word-fat-for the first time, Jen dives into the heart of female experience, with the wit and candor that have endeared her to fans all over the world.

The last decade of Cannie's life has brought some surprises. Her life story, in fictional form, became an unexpected bestseller, and Cannie has since retreated from fame's fallout, writing science-fiction under a pen name and praying that all her daughter inherited from her father, Cannie's ex-boyfriend Bruce Guberman, are her curls and her eye-colour, and not his predilection for smoking pot. Meanwhile Cannie's best friend, Samantha, is looking for love in all the wrong places, and Cannie's husband, Peter, has decided that he'd like to have a baby, and the family's first choice for a surrogate is none other than Cannie's flamboyant kid sister ...

She dreams of fame and fortune -- and of getting her dowdy big sister to stick to a skin-care regime.
