Effective Academic Writing presents the writing modes and rhetorical devices students need to succeed in an academic setting.

Getting it Across is a practical guide for researchers and graduate students who need to publish their findings. The focus of the book is on effective writing: using strong sentences, clear word choice, and effective structure to get the message across. The book includes over a hundred examples of actual written texts, mostly taken from the architecture and planning field. Using this "real text" approach and written in a light and accessible tone, the book addresses-in a very practical way-all the issues facing the academic writer: structure, grammar, word choice, and especially style. Apart from its many applied examples, the book includes complete explanations, exercises and a thorough answer key. This makes the book an ideal self-study and reference book, as well as a practical text book for academic writing courses in the social sciences.

Effective Academic Writing presents the writing modes and rhetorical devices students need to succeed in an academic setting.

A practical guide to both writing and getting published, written by an expert in academic publishing.

Ideal for overseas students studying at English-medium colleges and universities, this practical writing course enables international students to meet the required standard of writing and use an appropriate style for essays, exams and dissertations. Newly revised and updated to include extra exercises and material suggested by teachers and students, Academic Writing explains and demonstrates all the key writing skills and is ideal for use in the classroom or for independent study. Useful at every stage of an academic career and beyond, this indispensable book features: different styles and formats from CVs and letters to formal essays a focus on accuracy coverage of all stages of writing, from understanding titles to checking your work essential academic writing skills such as proper referencing, summarising and paraphrasing diagrams and practice exercises, complete with answers.

This concise and practical guide takes students step-by-step through the writing process, and covers core aspects of academic writing, from understanding the task and researching the topic through to composing a draft, editing copy and responding to feedback. Chapters feature numerous self-study activities, top tips and opportunities for reflection, alongside examples of good writing from a range of disciplines. By engaging with the text, students will develop confidence, technique and clarity as writers in their discipline, as well as transferable skills that are highly valued by employers. This book will be an invaluable source of guidance for students of all disciplines and levels who are required to write essays, reports, papers or dissertations as part of their studies. New to this Edition: - Incorporates visual learning strategies throughout, making it more accessible to both learners with learning differences and students for whom English is a second language - Contains a number of exercises designed to foster creativity in academic writing

'A comprehensive, well-written and beautifully organized book on publishing articles in the humanities and social sciences that will help its readers write forward with a first-rate guide as good company.' - Joan Bolker, author of Writing Your Dissertation in Fifteen Minutes a Day 'Humorous, direct, authentic ... a seamless weave of experience, anecdote, and research.' - Kathleen McHugh, professor and director of the UCLA Center for the Study of Women Wendy Laura Belcher's Writing Your Journal Article in Twelve Weeks: A Guide to Academic Publishing Success is a revolutionary approach to enabling academic authors to overcome their anxieties and produce the publications that are essential to succeeding in their fields. Each week, readers learn a particular feature of strong articles and work on revising theirs accordingly. At the end of twelve weeks, they send their article to a journal. This invaluable resource is the only guide that focuses specifically on publishing humanities and social science journal articles.

"Effective Academic Writing is a workbook for university students who are keen to understand and improve their academic writing skills. It provides students and teachers with a framework for understanding writing and offers many useful writing activities at sentence, paragraph and essay level for learning and teaching. The book explains four highly valued essay types which university students are expected to write. These are information reports, explanations, expositions and discussions. In addition, managing essay questions, citations and evidence are also addressed and practised."--Publisher.
