Emerald Star is, I think, my least favourite Jacqueline Wilson book yet. Hetty Feather or Sapphire Battersea or Emerald Star or whoever she is, is getting boring by now. Her story reached its end long ago. It is tired out and finished. The first of the trilogy was exciting, the second book enjoyable, but the third book is just good. It is only good because of Wilson's skilled writing and the ...

Emerald Star book review!!! This book is excellent and has great imagery. It puts you on a rollercoaster of emotions. If you have difficulties with handling troubling family issues and death then maybe don't read. Remember to read Little Stars! Not a wide variety of voices and could be found a bit boring. On the other hand it is excellent and has a interesting plot. I seriously ...

A fantastic adventure for brave, feisty Hetty Feather - one of Jacqueline Wilson's most well-loved characters. Since leaving the Foundling Hospital, Hetty has seen her fair share of drama, excitement, tragedy and loss. After the death of her beloved mama, she sets off to find a real home at last - starting with the search for her father. But Hetty is no longer a simple country girl, and begins to fear she'll never truly belong anywhere. And even when she is reunited with her beloved childhood sweetheart Jem, Hetty still longs for adventure - especially when an enchanting figure from her past makes an unexpected reappearance. Could a more exciting future lie ahead for Hetty?

London, 1876. Hetty Feather is just a tiny baby when her mother leaves her at the Foundling Hospital. The Hospital cares for abandoned children - but Hetty must first live with a foster family until she is big enough to go to school. Life in the countryside is sometimes hard, but with her foster brothers, Jem and Gideon, Hetty helps in the fields and plays vivid imaginary games. Together they sneak off to visit the travelling circus, and Hetty is mesmerised by the show - especially the stunning Madame Adeline and her performing horses. But Hetty's happiness is threatened once more when she must return to the Foundling Hospital to begin her education. The new life of awful uniforms and terrible food is a struggle for her, and she desperately misses her beloved Jem. But now she has the chance to find her real mother. Could she really be the wonderful Madame Adeline? Or will Hetty find the truth is even more surprising? Jacqueline Wilson will surprise and delight old fans and new with this utterly original historical novel. Featuring a brand-new feisty Victorian heroine, Hetty Feather, this is a compelling, moving, funny and totally fascinating Tracy Beaker-esque tale that will thrill and captivate readers.

Berlin, 1944Ariella Bannon is being hunted. Someone is determined to betray her, but she has survived against incredible odds, and the end is in sight. She will be reunited with her precious children, no matter what it takes. Meanwhile, Liesl and Erich have found a home in Ireland away from the chaos of war-ravaged Europe. As the dark news of what has happened to their fellow Jews filters through, they are torn - love for their mother and their home on one hand, and the profound sense of peace and belonging they have in Ballycreggan on the other. Like all of the other children who escaped Nazi territory on the Kindertransport, they must wait to hear the fate of their loved ones. For their foster parents, Elizabeth and Daniel, their dearest wish, that Ariella would survive the war, is also their deepest fear. Would her return mean the loss of the children they have come to think of as their own? As the Third Reich crumbles under relentless Allied bombs, Ariella is careful, but Berlin is a very dangerous place to be, and somebody knows she survived. Can she take one last enormous risk to be reunited with Liesl and Erich or will her betrayer see her finally captured? The Emerald Horizon is the long awaited sequel to the best-seller, The Star and the Shamrock.

"A strong . . . new trilogy, invoking just a little Harry Potter and Series of Unfortunate Events along the way."—Realms of Fantasy Siblings Kate, Michael, and Emma have been in one orphanage after another for the last ten years, passed along like lost baggage. Yet these unwanted children are more remarkable than they could possibly imagine. Ripped from their parents as babies, they are being protected from a horrible evil of devastating power, an evil they know nothing about. Until now. Before long, Kate, Michael, and Emma are on a journey through time to dangerous and secret corners of the world . . . a journey of allies and enemies, of magic and mayhem. And—if an ancient prophesy is true—what they do can change history, and it's up to them to set things right. "A new Narnia for the tween set."—The New York Times "[A] fast-paced, fully imagined fantasy."—Publishers Weekly "Echoes of other popular fantasy series, from "Harry Potter" to the "Narnia" books, are easily found, but debut author Stephens has created a new and appealing read . . ."—School Library Journal, Starred Review

Hetty Feather is a Foundling Hospital girl and was given her name when she was left there as a baby. When she is reunited with her mother, she hopes her beautiful new name, Sapphire Battersea, will also mean a new life! But things don't always go as planned... Follow the twists and turns of Hetty's adventure as she goes out to work as a maid for a wealthy man. She longs to be reunited with her childhood sweetheart Jem - but also finds a new sweetheart, Bertie the butcher's boy, who whisks her away from her chores to experience the delights of the funfair! But Hetty's life may also take a darker path. Can she cope with the trials ahead?

Diamond wasn't always a star. Born to penniless parents who longed for a strong, healthy son, she was a dainty, delicate daughter - and a bitter disappointment. Discovering an extraordinary gift for acrobatics, Diamond uses her talent to earn a few pennies, but brings shame on her family. When a mysterious, cruel-eyed stranger spots her performing, Diamond is sold - and is taken to become an acrobat at Tanglefield's Travelling Circus. The crowds adore Diamond, but life behind the velvet curtains is far from glamorous. Her wicked master forces Diamond to attempt ever more daring tricks, until she is terrified to step into the ring. But there are true friends to be found, too: the gentle Mister Marvel; the
