"Se reúnen varias obras de la autora, en su mayoría breves, en los que, con el lenguaje poético y metafórico que caracteriza la escritura de la autora, se plantean temas de carácter universal, pero sin perder de vista la realidad argentina. La casa sin sosiego es un libreto para ópera de cámara"--Handbook of Latin American Studies, v. 58.

"The book highlights the many possibilities of the innovative work of these dramatists, and this will, it is to be hoped, help the editors to achieve one of their other key goals: productions of the plays in English." [Times Literary Supplement "This thoughtfully crafted book with its insightful and informative studies elucidates an overlooked, essential component of the Latin American literary canon." [Choice Contributors discuss 15 works of Latin-American playwrights, delineate the artistic lives of women dramatists of the last half of the twentieth century]from countries as diverse as Argentina, Brazil, Chile, Mexico, Puerto Rico, and Venezuela[and highlight the problems inherent in writing under politically repressive governments.

Since Argentina's transition to democracy, the expression of human fragility on the stage has taken diverse forms. This book examines the intervention of theatre and performance in the memory politics surrounding Argentina's return to democracy and makes a case for performance's transformative power.

One of Latin America's most important and prolific writers, Griselda Gambaro has focused on the dynamics of repression, complicity, and violence—specifically, the terror of violent regimes and their devastating effects on the moral framework of society. Information for Foreigners is a drama of disappearance, an experimental work dealing with the theme of random and meaningless punishment in which the audience is led through darkened passageways to a series of nightmarish tableaux. The collection also includes The Walls and Antígona Furiosa.

Latin American Women Writers: An Encyclopedia presents the lives and critical works of over 170 women writers in Latin America between the sixteenth and twentieth centuries. This features thematic entries as well as biographies of female writers whose works were originally published in Spanish or Portuguese, and who have had an impact on literary, political, and social studies. Focusing on drama, poetry, and fiction, this work includes authors who have published at least three literary texts that have had a significant impact on Latin American literature and culture. Each entry is followed by extensive bibliographic references, including primary and secondary sources. Coverage consists of critical appreciation and analysis of the writers' works. Brief biographical data is included, but the main focus is on the meanings and contexts of the works as well as their cultural and political impact. In addition to author entries, other themes are explored, such as humor in contemporary Latin American fiction, lesbian literature in Latin America, magic, realism, or mother images in Latin American literature. The aim is to provide a unique, thorough, scholarly survey of women writers and their works in Latin America. This Encyclopedia will be of interest to both to the student of literature as well as to any reader interested in understanding more about Latin American culture, literature, and how women have represented gender and national issues throughout the centuries.
