Sometimes called "Green Walls" or "Vertical Gardens," living walls are easier than ever to plan and grow! Grow a Living Wall is the first wall-gardening book to focus exclusively on the needs of home gardeners. Make your vertical garden environmentally friendly and sustainable. It's easy with author Shawna Coronado's help! One of her themed vertical gardens is stocked mostly with flowers to make it a haven for bees and other pollinators. Other gardens are filled with vegetables and herbs so anyone with an outdoor wall can grow their own food - beautifully! Even more gardens promote aromatherapy or medicinal plants. Some are designed to provide a green net of air filtration near a living area, or to protect exterior walls from exposure to direct sunlight, which helps to keep the indoors cool. In addition to the comprehensive, step-by-step information that explains the basics of vertical gardening, each of the 20 featured gardens has its own chapter filled with useful tips, stunning photography, and fascinating background stories that point out how much difference a small garden can make. Like author Shawna herself, the gardens you'll find in Grow a Living Wall are positive, life affirming, and sure to produce a smile or two.

Are you interested in starting your vegetable garden? If yes, this is the right book for you! Vegetable planting incorporates picking a site, arranging the nursery, setting up the dirt, choosing the plants and seeds, planting a yield, and developing the plants until they are prepared for reap. The outcome is new products to eat, offer, or market. Any individual who will invest some energy every day or 2 to sustain the harvests may grow a vegetable nursery. It doesn't take a considerable amount of money, time, or capacity; however, a portion of each will be helpful. With training and persistence, your abilities will improve every year. Developing veggies takes some separation. A vegetable nursery might be on the floor or inside a planting bed; numerous vegetables can be brought up in compartments.
