We use the second conditional to say what we might possibly do in an unlikely situation. We have seen in Pre-Intermediate level how the zero conditional and the first conditional are used to talk about possibility and result. The second conditional is another structure used to talk about present or future possibility but it sees the possibility as very unlikely, remote, improbable.

The world's best-selling grammar series for learners of English. Basic Grammar in Use Fourth Edition is an American English self-study reference and practice book for beginner level learners (A1-B1). With simple explanations, clear examples, and easy to understand exercises, it is perfect for students who are learning on their own, but can also be used in the classroom. It comes with an easy to use answer key in the back of the book.

This is an adaptation of Essential Grammar in Use for Thai elementary learners.

Grammar in Use Intermediate is a highly successful grammar text known for its clear, concise explanations and innovative format. Ideal for students preparing for the TOEFL® test or other standard examinations, the new edition of this popular North American English grammar title offers even more support, with a larger format to include more explanation and practice, eight new units on phrasal verbs, and 10 pages of Additional Exercises. This edition, with answers, can be used in the classroom or for self-study. It includes a CD-ROM featuring additional practice exercises, progress reports, interactive games, and a link to the Cambridge Dictionaries Online. You can even create your own tests to review the language learned.

Fully updated in line with the latest developments in Information Communications Technology (ICT), this course teaches students the language and skills they need to understand and work in the world of computers. The 30 topic-based units cover everything from computer essentials through to programming, web design, job hunting, and future technologies. A focus on terminology is combined with vocabulary and grammar practice to give students the tools to use English in areas such as describing features and functions, applying for jobs and discussing the world of ICT. With the support of clear explanations, no specialist knowledge of ICT is required, making this course ideal for anyone who needs to understand the English of computing for study or work.

"CD-ROM provides over 200 extra exercises to help you practice the grammar presented"--P. [3] of cover.

Grammar in Use Intermediate (Japanese Edition) is a bilingual (English / Japanese) edition of Grammar in Use Intermediate (With Answers) Second Edition (052162598x) targeted at learners in Japan whose mother tongue is Japanese and whose command of English is relatively weak. The classic In Use format remains, with explanation and examples on the left page followed by exercises on the right. As in the monolingual edition, there are six Appendices, Additional Exercises, a Study Guide and Answer Key. In the Japanese Edition, grammatical explanation and terminology as well as selected example sentences (or parts of sentences) are translated on the left page. On the right page, exercise instructions are translated. There is a modest amount of content adaptation, typically consisting of additional explanation or examples for grammar which is identified as a weak spot for Japanese learners. As the book is for sale in the locally-produced EFL materials section of Japanese bookstores, the dimensions of the book have been reduced. The extent remains the same as in the original. The Japanese Edition does not contain a CD.

Grammar in Use Intermediate is a highly successful grammar text known for its clear, concise explanations and innovative format. The Grammar in Use Intermediate Third edition Workbook provides students with further opportunities to practice difficult grammar points and consolidate their understanding of related topics covered in Grammar in Use Intermediate Third edition. It offers a wide range of challenging activities and opportunities to work with grammar structures in meaningful contexts. This edition, with answers, is ideal for classroom use or self-study.

The world's best-selling grammar series for learners of English. Grammar in Use Intermediate, authored by Raymond Murphy, is the first choice for intermediate (B1-B2) learners of American English and covers all the grammar required at this level. It is a self-study book with simple explanations and lots of practice exercises, and has helped millions of people around the world to communicate in English. This version does not include an answer key for the exercises and can be used as a supplementary text in classrooms.

The second edition of Grammar in Use: Intermediate contains nine units of new material, more exercises, and a free Audio CD with recordings of example sentences. Two new sections have also been added: Additional Exercises, which give students the opportunity to consolidate what they have learned; and the Study Guide, which helps students determine which units they need to study. Grammar in Use: Intermediate is suitable for students who are preparing

for the TOEFL and other standard examinations. The workbook provides students with further practice opportunities.
