The original 1927 Wentz translation of The Tibetan Book of the Dead stirred much interest, but most non-scholars found it difficult to understand. By stressing the Buddhist concepts and minimizing culturally based images, this "Beginner's Guide" has helped many people to better understand the basic message of this classic text.

This reissued third edition of A User's Guide to View Camera introduces photographers to large-format cameras, covering their use with both film and digital capture. Readers will learn the anatomy of cameras with a separately adjustable back or front, the proper techniques for using view cameras, and how to take care of large-format cameras—all through straightforward and practical instruction and abundant visual examples. This latest edition features: • Practical approaches to mastering lenses, shutters, accessories, and the ever-important maintenance of your view camera • Tips for both simple operation and advanced control of the camera, including film holders, bellows, and tripods, and film handling and development • A section on digital equipment, offering updates on the nearly 200-year-long history of the view camera

Art lovers are passionate seekers, but locating the works of the great masters can often present a challenge. In The Art Lover's Pocket Guide, author Dr. Henry P. Traverso offers a guide to locating the works of the most popular and well-known Western visual artists worldwide. Featuring diverse artists such as Joseph Albers, Picasso, Monet, Francisco de Zurbaran, and a host of others, this comprehensive handbook provides essential biographical information and historical context for more than 250 visual artists. It follows with an orderly list of each artist's works and where those works are located throughout the world, including museums, galleries, churches, monasteries, athenaeums, universities, parks, and libraries in the United States, Canada, and Europe. Both an easy-to-search database and a crash course in art history, The Art Lover's Pocket Guide provides an enhanced understanding of the arts along with the tools needed to plan an art history trip and to better navigate museums.

A tool to help gain momentum and clarity in the sometimes-confusing maze called life and work. The book covers subjects as diverse as parenting, finances, relationships, career, and more.

The indispensable Rough Guide to Laos is the definitive guide to this fascinating Southeast Asian country, taking you from the remote mountainous north to the sleepy south. It's packed with detailed, lively reviews of accommodation and restaurants to suit all budgets, plus practical information on things like border crossings and road and river travel. With comprehensive research, accompanied by stunning photographs, The Rough Guide to Laos is your essential companion, whether you want to follow the well-trodden route along the Mekong, or blaze your own trail. The guide's authoritative background section provides essential information on Laos's often turbulent history and teaches you about the country's fascinating hill tribes and vibrant festivals. And with dozens of clear, accurate maps The Rough Guide to Laos gets you under the skin of this dynamic country. Originally published in print in 2011. Make the most of your trip with The Rough Guide to Laos. Now available in ePub format.

"A User's Guide to the View Camera, Third Edition" continues the tradition of offering a practical guide to the professional photographer's ultimate tool: the large-format camera system. Written in the clear, accessible style that is Jim Stone's hallmark, this text features careful presentation of the unusual features and advantages of large-format and view cameras, practical suggestions for operation and maintenance, and helpful, well-illustrated discussions of processes and components, including film systems, lenses, and accessories. The new edition features new material on digital accessories for large-format photography, including information about view cameras purpose-built for digital use. New illustrations by contemporary photographers update the standard reference on large-format cameras for the new millennium.

If you purchase The Unofficial Guide to Walt Disney World in ebook format, receive free monthly updates via your device so you'll be in the know about important changes, making your vacation planning better than ever! March-April 2015 Updates Available! Your Kindle update includes important changes to the Magic

Kingdom and Epcot monorail schedules through July 2015; ticket prices, dates, and times for the Magic Kingdom's Night of Joy celebration in September; and updates to Fastpass+ locations for the Magic Kingdom's parades. Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum, The Unofficial Guide to Walt Disney World digs deeper and offers more than any other guide.
