Earl Swagger is a lawman just returned from World War II to Hot Springs, Arkansas, where his latest battle is with the Mafia and the corrupt men who run the casinos.

In 1951, the disappearance of Sam Vincent, a former prosecutor assigned to investigate a prison for violent African-American convicts in Thebes, Mississippi, draws his old friend Earl Swagger into a dangerous confrontation with a town that guards itself from strangers with a private army of brutal, Klan-type thugs and rednecks. Reprint.

violence.

“A harsh, visceral, novel of conspiracy and betrayal . . . a disturbing mix that plays on our sense of history while at the same time it appeals to our darkest fantasies of rough justice.”—Chicago Tribune The inspiration for the USA Network series Shooter He was one the best Marine snipers in Vietnam. Today, twenty years later, disgruntled hero of an unheroic war, all Bob Lee Swagger wants to be left alone and to leave the killing behind. But with consummate psychological skill, a shadowy military organization seduces Bob into leaving his beloved Arkansas hills for one last mission for his country, unaware until too late that the game is rigged. The assassination plot is executed to perfection—until Bob Lee Swagger, alleged lone gunman, comes out of the operation alive, the target of a nationwide manhunt, his only allies a woman he just met and a discredited FBI agent. Now Bob Lee Swagger is on the run, using his lethal skills once more—but this time to track down the men who set him up and to break a dark conspiracy aimed at the very heart of America.

They busted out of McAlester State Penitentiary--three escaped convicts going to ground in a world unprepared for anything like them.... Lamar Pye is prince of the Dirty White Boys. With a lion in his soul, he roars--for he is the meanest, deadliest

animal on the loose.... Odell is Lamar's cousin, a hulking manchild with unfeeling eyes. He lives for daddy Lamar. Surely he will die for him.... Richard's survival hangs on a sketch: a crude drawing of a lion and a half-naked woman. For this Lamar has let Richard live... Armed to the teeth, Lamar and his boys have cut a path of terror across the Southwest, and pushed one good cop into a crisis of honor and conscience. Trooper Bud Pewtie should have died once at Lamar's hands. Now they're about to meet again. And this time, only one of them will walk away....

In *The 47th Samurai*, Bob Lee Swagger, the gritty hero of Stephen Hunter's bestselling novels *Point of Impact* and *Time to Hunt*, returns in this intense and exotic thriller. Bob Lee Swagger and Philip Yano are bound together by a single moment at Iwo Jima, 1945, when their fathers, two brave fighters on opposite sides, met in the bloody and chaotic battle for the island. Only Earl Swagger survived. More than sixty years later, Yano comes to America to honor the legacy of his heroic father by recovering the sword he used in the battle. His search has led him to Crazy Horse, Idaho, where Bob Lee, ex-marine and Vietnam veteran, has settled into a restless retirement and immediately pledges himself to Yano's quest. Bob Lee finds the sword and delivers it to Yano in Tokyo. On inspection, they discover that it

is not a standard WWII blade, but a legendary shin-shinto katana, an artifact of the nation. It is priceless but worth killing for. Suddenly Bob is at the center of a series of terrible crimes he barely understands but vows to avenge. And to do so, he throws himself into the world of the samurai, Tokyo's dark, criminal yakuza underworld, and the unwritten rules of Japanese culture. Swagger's allies, hard-as-nails, American-born Susan Okada and the brave, cocaine-dealing tabloid journalist Nick Yamamoto, help him move through this strange, glittering, and ominous world from the shady bosses of the seamy Kabukicho district to officials in the highest echelons of the Japanese government, but in the end, he is on his own and will succeed only if he can learn that to survive samurai, you must become samurai. As the plot races and the violence escalates, it becomes clear that a ruthless conspiracy is in place, and the only thing that can be taken for granted is that money, power, and sex can drive men of all nationalities to gruesome extremes. If Swagger hopes to stop them, he must be willing not only to die but also to kill.

Marine Corps master sniper Bob Lee Swagger travels to the remote deserts and caves of Afghanistan to track down a renegade Marine who is using extreme measures to complete a mission.

Weaving together characters from the best-selling Point of Impact and Dirty White Boys, a gripping thriller builds to an exhilarating climax with an explosion of gunfire that blasts open the secrets of two generations. Reprint.

“A roaring good read.”—FORBES.com Master sniper Bob Lee Swagger returns in this riveting novel by bestselling author and Pulitzer Prize winner Stephen Hunter. The Great Depression was marked by an epidemic of bank robberies and Tommy-gun-toting outlaws who became household names. Hunting them down was the new U.S. Division of Investigation--soon to become the FBI--which was determined to nab the most dangerous gangster this country has ever produced: Baby Face Nelson. To stop him, the Bureau recruited talented gunman Charles Swagger, World War I hero and sheriff of Polk County, Arkansas. Eighty years later, Charles's grandson Bob Lee Swagger uncovers a strongbox containing an array of memorabilia dating back to 1934--a federal lawman's badge, a .45 automatic preserved in cosmoline, a mysterious gun part, and a cryptic diagram--all belonging to Charles Swagger. Bob becomes determined to find out what happened to his grandfather-- and why his own father never spoke of Charles. But as he investigates, Bob learns that someone is following him--and shares his obsession. Told in alternating timeframes, G-Man is a

thrilling addition to Stephen Hunter's bestselling Bob Lee Swagger series.

Bob Lee Swagger, former Marine Corps sniper, is back. And this time, it's personal. Forced off the road and into a crash that leaves her in a coma, barely clinging onto life, journalist Nikki Swagger had been investigating reports of a crystal meth superlab in sleepy Tennessee, when she found herself inadvertently peeling back the layers on a huge conspiracy. Bob Lee Swagger is worried. As a former Marine Corps sniper, he's picked up more than his fair share of enemies hell-bent on revenge and he senses that something isn't right. Unconvinced by the Sheriff's conclusion that Nikki's crash was caused by a local kid high on Meth, Bob picks up the investigation where his daughter left off. As Swagger digs deeper, a violent crime clan, gunmen of all stripes and shapes, and deranged evangelicals all rear their ugly heads, but they will live to rue the day they targeted the wrong man's daughter. What people are saying about Bob Lee Swagger thrillers: 'Stephen Hunter's I, Sniper brings back one of the great characters in modern thrillerdom, Bob Lee Swagger, everyone's favourite lethal, dour Southerner. I kind of want Swagger to meet up with Lee Child's Jack Reacher one day, in a contest to see who could say the least while doing the most damage.' Malcolm Gladwell 'The tension never lets up' New York Times 'Stephen Hunter is an

Stephen Hunter

Elmore Leonard on steroids' John Sandford 'As all Bob Lee fans know, it comes down to 'straight killing time.' And so it does, in a ramped-up, high-tech High Noon finale. As always, Hunter makes it work with precise, detail-rich prose that strips the faux glamour from gun fighting and leaves only the skills of the combatants set against the horrors they wreak.' Booklist 'Hunter is back at the top of his game.' Publisher's Weekly 'In his guns-a-poppin' latest, Hunter pits his series hero against a nest of sharp-shooting vipers. Dust off the OK Corral. Even the somewhat squeamish, and even certifiable gun-dummies, may once again find chivalric, heroic Bob Lee just about irresistible.' Kirkus Reviews 'Hunter's thrillers are always taut, exciting, and well written, and his latest is no exception. There's also a lot of gun and tech talk as Swagger uses decades' worth of skills to stay a step or three ahead of the baddies. Swagger fans will not be disappointed.' Library Journal 'Hunter has a unique writing style that thrills and captivates from the opening scene to deliver an exciting whodunit' The Sun 'Stories of passion, guilt and redemption that jump right off the page and smack the reader clean between the eyes' Independent on Sunday 'American hardboiled at its very best, full of taciturn and stoical characters and plotting in explosive overdrive' The Times 'Hunter choreographs the violence in steely prose and Swagger . . . remains one of crime
