The Wiley Blackwell Anthology of African American Literature is a comprehensive collection of poems, short stories, novellas, novels, plays, autobiographies, and essays authored by African Americans from the eighteenth century until the present. Evenly divided into two volumes, it is also the first such anthology to be conceived and published for both classroom and online education in the new millennium. Reflects the current scholarly and pedagogic structure of African American literary studies Selects literary texts according to extensive research on classroom adoptions, scholarship, and the expert opinions of leading professors Organizes literary texts according to more appropriate periods of literary history, dividing them into seven sections that accurately depict intellectual, cultural, and political movements Includes more reprints of entire works and longer selections of major works than any other anthology of its kind Works hand-in-hand with the Wiley Blackwell Companion to African American Literature, a landmark collection of essays which presents secondary criticism by eminent scholars on many texts and movements featured in the Anthology More information on Volume 1 More

information on Volume 2

The true-life adventure of a Western woman who found happiness in Bali, then stayed on in Indonesia to help in the struggle for freedom. The great-granddaughter of a witch from the Isle of Man, the adopted daughter of a Balinese rajah, hostess of one of the most glamorous hotels in the Far East, a prisoner of the Japanese for two horror-packed years and, as Surabaya Sue, an ardent supporter of the Indonesian revolution, K'tut Tantri is well acquainted with the unexpected.

Adventure and courage run strong in her blood. It was in a Hollywood movie theater that she first discovered Bali and knew it for the place where she belonged. She had hoped to live and paint there quietly among the island's simple people, but destiny, in the form of a stalled car and a delightful young prince, took a hand and revised her plans. She was formally adopted by the prince's father, and...though she came to know the peasants of the Balinese kampongs, she knew also, and intimately, the life of a Balinese palace with all its ritual and tradition. This world lasted for only a few years. With war come the Japanese, presumably as deliverers overthrowing Dutch rule but in reality as tyrants. K'tut Tantri stayed on to join the underground movement agitating for Indonesian independence, and was eventually captured, imprisoned, tortured. Then with the end of hostilities she chose once again to

ally herself with the Indonesians—this time in their resistance against the British and the returning Dutch. A friend of the leaders around Sukarno, she was instrumental in getting the Indonesian story to the outside world, and on several occasions she lent herself to enterprises requiring the combined talents of Mata Hari and T. E. Lawrence. K'tut Tantri has an observant eye, an understanding knowledge, and she writes with spirit. Her story is a deeply moving personal drama and a vivid commentary on a period of crucial change in an ancient, romantic country.

Reveals the thoughts and feelings of New England prep school student Gideon Rayburn through the narration of one of Gideon's female classmates, who is inside his mind and sees events through his perspective. Reprint. 100,000 first printing.

Misty is a one-girl disaster zone. Born with a Savant 'gift' that means she can never tell a lie, her compulsive truth-telling gets her into trouble wherever she goes. So when she meets Alex: gorgeous, confident, and impossibly charming, Misty instantly resolves to keep her distance . . . Someone so perfect could never be hers, surely? But a dark shadow has fallen across the Savant community. A serial killer is stalking young people who have these special mental powers. Soon one of them will be taken to the edge of death . . . and beyond. A stunning new novel

from the best-selling author of Finding Sky, Stealing Phoenix, and Seeking Crystal..

What's your drink of choice? Is it a small pumpkin spice latte? Then you're lots of fun and a bit sassy. Or a medium americano? You prefer simplicity in life. Or perhaps it's a small decaf soy sugar-free hazelnut coffee latte? Some might call you a yuppie. Seventeen-year-old barista Jane Turner has this theory that you can tell a lot about a person by their regular coffee drink. She scribbles it all down in a notebook and calls it *Espressology*. So it's not a totally crazy idea when Jane starts hooking up some of her friends based on their coffee orders. Like her best friend, Em, a medium hot chocolate, and Cam, a toffee nut latte. But when her boss, Derek, gets wind of Jane's *Espressology*, he makes it an in-store holiday promotion, promising customers their perfect matches for the price of their favorite coffee. Things are going better than Derek could ever have hoped, so why is Jane so freaked out? Does it have anything to do with Em dating Cam? She's the one who set them up! She should be happy for them, right? With overtones of Jane Austen's *Emma* and brimming with humor and heart, this sweet, frothy debut will be savored by readers.

For fans of Sarah Dessen and Mary H.K. Choi, this lyrical and emotionally driven novel follows Alina, a young aspiring dancer who suffers a devastating injury and must face a world without ballet—as well as the darker side of her former dream. Alina Keeler was destined to dance, but then a terrifying fall shatters her leg—and her dreams of a professional ballet career along with it. After a summer healing (translation: eating vast amounts of Cool Ranch Doritos and binging ballet videos on YouTube), she is forced to trade her pre-professional dance classes for normal high school, where she reluctantly joins the school musical. However, rehearsals offer more than she expected—namely Jude, her annoyingly attractive castmate she just might be falling for. But to move forward, Alina must make peace with her past and face the racism she experienced in the dance industry. She wonders what it means to yearn for ballet—something so beautiful, yet so broken. And as broken as she feels, can she ever open her heart to someone else? Touching, romantic, and peppered with humor, this debut novel explores the tenuousness of perfectionism, the possibilities of change,
