Drawing from interviews and oral histories, chronicles the history of Japanese American survivors of internment camps.

In this fascinating collection of historical vignettes, author Martin W. Sandler restores to memory important events, people, and developments that have been lost to time. Though barely known today, these are major historical stories, from Ziryab, an eighth-century black slave whose influence on music, cuisine, fashion, and manners still reverberates, to Cahokia, a 12th century city north of the Rio Grande, which at its zenith contained a population greater than any contemporary European city, to the worst peacetime maritime disaster ever, the explosion and sinking of the Sultana on the Mississippi in 1865,

Chronicles the vast movement of immigrants to the U.S., their dreams of freedom, the hardships they faced, and how they have contributed to the development of a nation

Preachers railed against it: "Traveling at speeds up to 20 miles per hour went against the Lord's plan!" Doctors told their patients that traveling on it would cause serious physical and mental ailments, including the boiling of the blood. Newspapers cried out, "It is a topsy-turvy, harum-scarum whirligig!"

But it didn't matter: America loved the train and the freedom of movement that came with it. Riding the Rails in America traces the dynamic relationship of America with the train, showing how the railroad was the single largest influence on the development of the nation's history and economy as it became possible to move freight and people farther and faster than ever before.

Highlights the work of 12 photographers whose photos have changed the nation.

An illustrated look at how the problem of moving large numbers of people within cities has been addressed through a series of vehicles and systems, from horse-drawn cars to the modern subway.
