Computerworld's award-winning Web site (Computerworld.com), twice-monthly publication, focused conference series and custom research form the hub of the world's largest global IT media network.

This book provides a step-by-step guide for motivating individuals in your organization to work together as a team and fully commit to achieving common goals. It shows you how to use the Ladder of Commitment to effectively move people out of their comfort zones to the point where they readily accept change. It walks you step by step through the seven "things that matter most" in a relationship - both professionally and personally - in order to develop mutual and reciprocal trust, respect, and confidence. In the end, you will have the tools for creating a highly supportive environment where management and employees believe so strongly in one another they enthusiastically step forward together, going in the same direction at the same time, all doing the right things for the right reasons!

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)
