There are fifty-four peaks in Colorado that rise above 14,000 feet. Climbing 14ers has become a favourite activity of locals as well as climbers from all over North America. In fact, more than half a million climbers attempt at least one Colorado 14er per year. Organized by mountain range, The Colorado 14ers is a basic guidebook written in

rise of gay and lesbian studies."--Martin Duberman, The Advocate The men of Renaissance Florence were so renowned for sodomy that "Florenzer" in German meant "sodomite." In the late fifteenth century, as many as one in two Florentine men had come to the attention of the authorities for sodomy by the time they were thirty. In 1432 The Office of the Night was created specifically to police sodomy in Florence. Indeed, nearly all Florentine males probably had some kind of same-sex experience as a part of their "normal" sexual life. Seventy years of denunciations,

interrogations, and sentencings left an extraordinarily detailed record, which author Michael Rocke has used in his vivid depiction of this vibrant sexual culture in a world where these same-sex acts were not the deviant transgressions of a small minority, but an integral part of a normal masculine identity. Rocke roots this sexual activity in the broader context of Renaissance Florence, with its social networks of families, juvenile gangs, neighbors, patronage, workshops, and confraternities, and its busy political life from the

early years of the Republic through the period of Lorenzo de' Medici, Savonarola, and the beginning of Medici princely rule. His richly detailed book paints a fascinating picture of Renaissance Florence and calls into question our modern conceptions of gender and sexual identity.

Covering the history of homosexuality in art, this comprehensive chronicle of gay and lesbian visual expression covers the field, from the sexual practices of prehistoric people, to

satirical Medieval art, to the emergence of modern-day gay institutions. 12,500 first printing. Tour.

The author explores the relationship between same-sex love and civilization, comparing attitudes in the Christian west to classical Greek, Roman, Arab, Chinese, and Japanese views on the subject as they were influenced by religious superstition, political intrigue, and basic human desires.

all time. In *Sex, Politics, and Religion in Star Wars: An Anthology*, Douglas Brode and Leah Deyneka have assembled a provocative collection of essays that explore such hot topics as race and racism in the Star Wars galaxy, Judeo-Christian and Eastern religious themes, homosexual romance, and philosophical and political implications—earthbound and otherworldly. The wide range of essays collected here will engross readers, both fans and scholars alike.

Young Lord Somershill flees England for the wonders of Venice, where he becomes

involved in a bizarre murder investigation that plunges him into the depths of this secretive medieval city.

It's 1358, and young Oswald de Lacy, Lord Somershill, is delayed in Venice as he awaits a pilgrim ship to the Holy Land. While the city is besieged by the King of Hungary, Oswald stays at the house of an English merchant, and soon comes under the spell of this decadent and dazzling island state that sits on the edge of Europe—where East meets West. But Oswald has secrets. He is running away from something in England—a shadow that still haunts him, no matter how much he

Download File PDF Ity And Civilization Louis Crompton

consoles himself with the delights of Venice. When he finds a dead man at the carnival, he is dragged into a murder investigation that draws him deep into the intrigues of this paranoid, mysterious city. From the dungeons of the Doge's Palace to the convent-brothel of Santa Lucia, Oswald must search for a murderer in this bewildering maze of alleys and canals. When he comes up against the feared Signori di Notte, the secret police, Oswald learns that he is not the only one with something to hide. Everyone is watching (or trailing) someone else; and nobody in Venice is who they

appear to be. Masks, it seems, are not only for the carnival.

Although many people suggest that Christianity is declining, research indicates that it continues to be the world's most popular worldview. But even so, the Christian faith includes many controversial beliefs that non-Christians find hard to accept. This book explores 12 issues that might cause someone to dismiss orthodox Christianity—issues such as the existence of suffering, the Bible's teaching on gender and sexuality, the reality of heaven and hell,

Download File PDF Ity And Civilization Louis Crompton

the authority of the Bible, and more. Showing how the best research from sociology, science, and psychology doesn't disagree with but actually aligns with claims found in the Bible, these chapters help skeptics understand why these issues are signposts, rather than roadblocks, to faith in Christ.

This book provides an exploratory investigation into the world of atypical sexual variations and interactions, in particular, the intersections of homosexuality and ethnicity,

Download File PDF Ity And Civilization Louis Crompton

sexual addiction and codependency, sex work and cabaret patronage, and Cybersex addiction. It deals primarily with the intrapersonal, interpersonal, historical, social, and cultural manifestations of such atypical interactions and their social construction as atypical behaviors. This book is primarily intended for graduate, and upper level undergraduate, students in psychology, sociology, family studies, and social sciences. Upon reading the book, readers will come to an understanding of how homosexuality, codependency,

Download File PDF Ity And Civilization Louis Crompton

sex work, and Cybersex (Internet pornography) come to affect our emotional, psychological, sexual, and relational well being. This book is unique in the sense that it provides contextually rich information into such neglected and taboo topics by utilizing unique ethnographic and autoethnographic methodological means.
