Gideon's Riders Book #3.

Deal with the Devil is Orphan Black meets the post-apocalyptic Avengers by USA Today and New York Times bestselling author duo Kit Rocha. Nina is an information broker with a mission—she and her team of mercenary librarians use their knowledge to save the hopeless in a crumbling America. Knox is the bitter, battle-weary captain of the Silver Devils. His squad of supersoldiers went AWOL to avoid slaughtering innocents, and now he's fighting to survive. They're on a deadly collision course, and the passion that flares between them only makes it more dangerous. They could burn down the world, destroying each other in the process... Or they could do the impossible: team up. This is the first book in a near-future science fiction series with elements of romance. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The final three books in the bestselling, award-winning BEYOND series! BEYOND RUIN Adrian Maddox fled his royal life—and tragic past—in Sector One, choosing instead to join up with the O'Kanes. For years, he's lived by one rule: love fast, love hard, and always be willing to walk away. He's managed to guard his heart, keep it whole and untouched—until now. They couldn't be more different—Dylan, the brilliant, burned-out doctor from Eden who drowns his pain with drugs and self-destruction. Scarlet, the sensuous, sexy rocker from Three, a woman unafraid to embrace the world. And Jade, the whore turned spy from Sector Two, who battled addiction and came out stronger than anyone he's ever met. Separately, they make Mad long to open his heart, to tumble head-first into a sea of possibilities and wild love. Together, they make him burn, inside and out, with lust and unbearable, unimaginable pleasure. Then one fateful moment shakes their world to its foundations—and leaves the sectors on the verge of all-out war with Eden. It's the biggest fight the O'Kanes have ever faced, and Mad and his lovers are at the dead center of it. They could end up with everything they never knew they wanted—or lose it all. Including their lives. BEYOND ECSTASY The O'Kanes have a reputation for working hard and playing harder—except for Hawk. He joined the gang with one goal: to ensure his family's survival through the impending war with Eden. It's been years since he had the luxury of wanting anything for himself. Now, he wants Jeni. From the first moment he saw her, he's been obsessed with making her his. Not for a night—forever. Jeni's been lusting after the former smuggler for months, but he keeps shutting her down. She's almost given up on getting him in her bed when he offers her the last thing she ever expected—a collar. Accepting it means belonging to him, body and soul. It's a reckless gamble, but Jeni can't resist the chance to slip under Hawk's armor. The only thing more shocking than the dark, dangerous pleasure they discover is how right it feels. But falling in love is even more reckless when forever is far from guaranteed. Because they aren't just at war, they're out of time—and every breath could be their last. BEYOND SURRENDER For years, Nessa has been focused on work. She keeps the whiskey—and the money—flowing, and life is sweet. Sure, she's tired of being everyone's baby sister, and she longs for a man who can stand up to her overprotective O'Kane brothers. But she never thought she'd meet him in the middle of a war. War is all Ryder knows. He was raised with one goal: to ensure the sectors' successful rebellion against Eden. His father and his mentor both died for freedom, and nothing will stop him from securing their legacies with victory. He doesn't have time for distractions—especially beautiful, impulsive ones like Nessa. Opposites don't just attract, they combust. Together, Nessa and Ryder have a chance for something more than the lives they've always known. But this is war—deadly, bloody war—and the only way to happily-ever-after is straight through Eden.

Ana has trained most of her life to achieve one goal: to prove that anything men can do, she can do better. Now she's Sector One's first female Rider, and

being the best is the only way to ensure she won't be its last. Distractions aren't allowed--especially not her painful attraction to the reserved but demanding leader whose stern, grumpy demeanor has already gotten into her head. Deacon has spent the last twenty years trying to atone for his past, but the blood he spilled as a mercenary and assassin will never wash away entirely. If his Riders knew the extent of his sins, he'd lose their trust and respect. It's easier to keep them all at arm's length, especially Ana. But his newest recruit's stubbornness is starting to crack his defenses. And their sparring matches are driving him wild. The passion sparking between them can't be denied, but neither can the vengeance barreling toward Deacon. When his old squad comes back to punish him for his betrayal, Ana and the Riders are squarely in the line of fire. The only way to save his people may be to make the ultimate sacrifice. But first, he has to convince Ana not to follow him straight into hell. Praise for Book #1 in Gideon's Riders "There's a lot riding on Ashwin, a lot expected of the first novel in a new series by a popular author that makes it a tricky, tight rope to walk. Kit Rocha deftly skips down that line with skill, respect, crushing emotions, and breath-taking imagination." "Heroes & Heartbreakers "Ashwin gives readers a seemingly impossible romance while continuing to entice readers to join them in this new world that celebrates love, laughter, and life." "Smexybooks "For me this first book in the new series was just as consuming and addicting as its predecessors. I'm so ready for what comes next. Deacon? Deacon and Ana? Yes, please. Gimme." "FictionVixen

The Mercenary Librarians and the Silver Devils are back in *The Devil You Know*, the next installment of USA Today and New York Times bestselling author Kit Rocha's post-apocalyptic Action/Romance, with hints of *Orphan Black* and the Avengers. Maya has had a price on her head from the day she escaped the TechCorps. Genetically engineered for genius and trained for revolution, there's only one thing she can't do--forget. Gray has finally broken free of the Protectorate, but he can't escape the time bomb in his head. His body is rejecting his modifications, and his months are numbered. When Maya's team uncovers an operation trading in genetically enhanced children, she'll do anything to stop them. Even risk falling back into the hands of the TechCorps. And Gray has found a purpose for his final days: keeping Maya safe. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"I've faced the meanest, toughest warriors in Aldland, I've been stabbed and sliced and lanced, but I never trembled until I met you." After years of humiliating defeat, Brandon the Bear has at last found his strength renewed by the love of Natalie Blackmere. When he and his lady are called back to the Champion's Guild, and the hosting nobleman demands they take part in the Grand Tourney, Brandon sees a chance to prove his worth once and for all. Natalie is finally free to love her champion, but finds herself struggling with the newfound pressures of notoriety. Suffocating in silk and wilting under the prying eyes of Aldland's nobility, she dreads the day she must return to her duties at the castle. But when she and Brandon return to the Champion's Guild, she must decide who she wants to be; Lady Natalie, or the Lioness of Blackmere.

He would sell his warrior soul to possess her. . . . An alluring laird... He was known throughout the kingdom as Hawk, legendary predator of the battlefield and the boudoir. No woman could refuse his touch, but no woman ever stirred his heart--until a vengeful fairy tumbled Adrienne de Simone out of modern-day Seattle and into medieval Scotland. Captive in a century not her own, entirely too bold, too outspoken, she was an irresistible challenge to the sixteenth-century rogue. Coerced into a marriage with Hawk, Adrienne vowed to keep him at arm's length--but his sweet seduction played havoc with her resolve. A prisoner in time... She had a perfect "no" on her perfect lips for the notorious laird, but Hawk swore she would whisper his name with desire, begging for the passion he longed to ignite within her. Not even the barriers of time and space would keep him from winning her love. Despite her uncertainty about following the promptings of her own passionate heart, Adrienne's reservations were no match for Hawk's determination to keep her by his side. . . .

A dangerous world of sex, lust and violence—All Noelle Cunningham has ever wanted is a life beyond—beyond the walls of Eden, where only the righteous are allowed to remain, and beyond her stiflingly restrictive existence as a councilman's daughter. But only ruins lie outside the City, remnants of a society destroyed by solar storms decades earlier. The sectors surrounding Eden house the corrupt, the criminal—men like Jasper McCray, bootlegger and cage fighter. Jas clawed his way up from nothing to stand at the right hand of Sector Four's ruthless leader, and he'll defend the O'Kane gang with his life. But no fight ever prepared him for the exiled City girl who falls at his feet. Her innocence is undeniable, but so is their intense sexual attraction, and soon they're crossing every boundary Noelle barely knew she had. But if she wants to belong to Jas, first she'll have to open herself to a world where passion is power, and freedom is found in submission.

Blake is on a mission from his alpha-to track down a werewolf whose parents dragged her into the human world years ago, one who may be in danger. He expects the lead to go nowhere, given how few wolves live among humans, but he discovers something rare indeed, caged in a basement: a beautiful, curvy woman gripped by the fever, ready to mate. Ashley Todd has never fit in. She's always been too much-too big, too demanding, too aware of the wolf hiding beneath her skin. She's been locked away for months-been alone for a lifetime-and in walks Blake to save her from her prison. Her rescuer is hard, intense-a dominant wolf whose bossy attitude makes her growl...and yearn to submit. Soothing Ashley's mating fever is Blake's responsibility-and his pleasure. Their passion is explosive, undeniable. But what started out as a job for Blake quickly becomes something more, and the toughest part of his mission looms: taking Ashley back to his pack so she can choose her permanent mate from amongst his brethren. Ashley is drawn to dominant Blake, but meeting the rest of the pack reignites her desire. She is overwhelmed by her new life and all it entails, but embracing her inner wolf means embracing the truth: if she doesn't explore her attraction to the other members of the pack, she'll never find her forever mate. Protecting Their Mate was originally published as an eight part serial under the penname Mia Thorne. It has been repackaged, but the story remains the same.
