Zora Neale Hurston's first novel, *Jonah's Gourd Vine* marks the beginning of a dazzling writer's craft. Peppared with the southern dialect that Hurston is so well-known for, it was, at times, a bit unclear as to what the characters were saying. I found myself saying sentences, and even paragraphs, aloud to discern their meaning.

man who loves too many women for his own good. Lucy, his long-suffering wife, is his true love, but there's also Mehaley and Big 'Oman, as well as the scheming Hattie, who conjures hoodoo spells to ensure his attentions. Even after becoming the popular pastor of Zion Hope, where his sermons and prayers for cleansing rouse the congregation's fervor, John has to confess that though he is a preacher on Sundays, he is a "natchel man" the rest of the week. And so in this sympathetic portrait of a man and his community, Zora Neale Hurston shows that faith, tolerance, and good intentions cannot resolve the tension between the spiritual and the physical. That she makes this age-old dilemma come so alive is a tribute to her understanding of the vagaries of human nature.

Mules and Men is a treasury of black America's folklore as collected by a famous storyteller and anthropologist who grew up hearing the songs and sermons, sayings and tall tales that have formed an oral history of the South since the time of slavery. Returning to her hometown of Eatonville, Florida, to gather material, Zora Neale Hurston recalls "a hilarious night with a pinch of everything social mixed with the storytelling." Set intimately within the social context of black life, the stories, "big old lies," songs, Vodou customs, and superstitions recorded in these pages capture the imagination and bring back to life the humor and wisdom that is the unique heritage of African Americans.

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

The first volume of a noted African-American writer's collection includes Their Eyes Were Watching God, Jonah's Gourd Vine, Moses, Man of the Mountain, and Seraph on the Suwanee.

“ I mean to live and die by my own mind, ” Zora Neale Hurston told the writer Countee Cullen. Arriving in Harlem in 1925 with little more than a dollar to her name, Hurston rose to become one of the central figures of the Harlem Renaissance, only to die in

obscure. Not until the 1970s was she rediscovered by Alice Walker and other admirers. Although Hurston has entered the pantheon as one of the most influential American writers of the 20th century, the true nature of her personality has proven elusive. Now, a brilliant, complicated and utterly arresting woman emerges from this landmark book. Carla Kaplan, a noted Hurston scholar, has found hundreds of revealing, previously unpublished letters for this definitive collection; she also provides extensive and illuminating commentary on Hurston ' s life and work, as well as an annotated glossary of the organizations and personalities that were important to it. From her enrollment at Baltimore ' s Morgan Academy in 1917, to correspondence with Marjorie Kinnan Rawlings, Langston Hughes, Dorothy West and Alain Locke, to a final query letter to her publishers in 1959,

Hurston began writing short works that captured the zeitgeist of African American life and transformed her into one of the central figures of the Harlem Renaissance. Nearly a century later, this singular talent is recognized as one of the most influential and revered American artists of the modern period. *Hitting a Straight Lick with a Crooked Stick* is an outstanding collection of stories about love and migration, gender and class, racism and sexism that proudly reflect African American folk culture. Brought together for the first time in one volume, they include eight of Hurston's "lost" Harlem stories, which were found in forgotten periodicals and archives. These stories challenge conceptions of Hurston as an author of rural fiction and include gems that flash with her biting, satiric humor, as well as more serious tales reflective of the cultural currents of Hurston's world.
