Les Guérillères - Wikipedia
Les Guérillères by Monique Wittig, David Le Vay ... just as a way of envisioning their goals being met. Violent imagery abounds. Although Les Guerilleres is considered a classic, it didn't sell well in English; I had to read it in French, so I'm not sure exactly how violent the imagery seems to people familiar with contemporary phrases. Everyone in the US knows that, coming from a comedian ...

BY THE SAME AUTHOR Les Guérillères
"With Les Guérillères, Monique Wittig achieves another revolution in our understanding this time, of women rather than of childhood. What she has almost miraculously achieved, at one throw, is the first novel (or hymn, for this book is close to epic poetry) of Women's Liberation.

Les Guérillères - laph Italia
Monique Wittig was born in the Haut Rhin department in Alsace. She moved to Paris in the 1950s, where she studied at the Sorbonne. Her first novel, L'Opoponax, published by Minuit in 1964, immediately drew attention to her when it was awarded the Prix Médicis by a jury that included Nathalie Sarraute, Claude Simon, and Alain Robbe-Grillet.

Front Page | Monique Wittig
Monique Wittig published Les Guerilleres in 1969, at a time when the whole world seemed on the brink of revolutionary change. It is the story of a successful feminist war against patriarchy. It was one of the most widely read feminist texts of the twentieth century both dated and ahead of its time.

MONIQUE WITTIG 1969, LES GUÉRILLÈRES
Les Guérillères by Monique Wittig was published 50 years ago. La Maison de la Poésie (Paris 3e) pays tribute to this landmark book in two evening readings, on Friday, September 20 and Saturday, September 21, 2019, with Rebecca Chaillon, Virginia Despentes, Anne Garreta, Laure Murat and Suzette Robichon.

Events | Monique Wittig
Wittig (1935-2003) was an author, theorist, and activist. Her engagement in literature and politics was rooted in feminism and lesbianism: all her books, whether novels or theory, interrogate how we approach history and explore feminist utopias.

One of the most widely read feminist texts of the twentieth century, and Monique Wittig ' s most popular novel, Les Guérillères imagines the attack on the language and bodies of men by a tribe of warrior women. Among the women ' s most powerful weapons in their assault is laughter, but they also threaten literary and linguistic customs of the patriarchal order with bullets. In this breathtakingly rapid novel first published in 1969, Wittig animates a lesbian society that invites all women to join their fight, their circle, and their community. A path-breaking novel about creating and sustaining freedom, the book derives much of its energy from its vaunting of the female body as a resource for literary invention.

Monique Wittig, who died in January 2003, was a leading French feminist, social theorist, prose poet, and novelist--and an activist who helped start the lesbian and women's liberation movements in France. This collection of essays by Wittig and on her work is the first sustained examination in English of her broad-ranging political, literary, and theoretical viewpoints. On Monique Wittig contains twelve essays, representing French, Francophone, and U.S. critics, including three previously unpublished pieces by Wittig herself. Among the essays is Diane Griffin Crowder's discussion of the U.S. feminist movement, Linda Zerilli's consideration of gender and will, and Teresa de Lauretis's examination of the development of lesbian theory. Together, these essays situate Wittig's work in terms of the cultural contexts of its production and reception. This volume also contains the first authenticated chronology of Wittig's life and features the first translation of "For a Movement of Women's Liberation," which Wittig published with other "militantes" in May 1970. As the first book to appear on Wittig following her death, On Monique Wittig is an indispensable tool for feminist scholars.

Les Guerilleres - Monique Wittig - Babelio
Presents a collection of nine political and philosophical essays by the controversial feminist theorist and founder of the modern French women's movement

Les Guerilleres - Monique Wittig - Babelio
Back in print, this daring novel constitutes a rhapsodic hymn to women's bodies and women's relationships. "That rare work in fiction . . . the art and the courage are of the highest level." --The Boston Globe

Science Fiction Film develops a historical and cultural approach to the genre that moves beyond close readings of iconography and formal conventions. It explores how this increasingly influential genre has been constructed from disparate elements into a hybrid genre. Science Fiction Film goes beyond a textual exploration of these films to place them within a larger network of influences that includes studio politics and promotional discourses. The book also challenges the perceived limits of the genre - it includes a wide range of films, from canonical SF, such as Le voyage dans la lune, Star Wars and Blade Runner, to films that stretch and reshape the definition of the genre. This expansion of generic focus offers an innovative approach for students and fans of science fiction alike.

Les Guerilleres - Monique Wittig - Babelio
First published in 1996. Routledge is an imprint of Taylor & Francis, an informa company.

How many sexes are there? What is the relationship between sex and gender? Is gender a product of nature, or nurture, or both? In Beyond the Binary, Shannon Dea addresses these questions and others while introducing readers to evidence and theoretical perspectives from a range of cultures and disciplines, and from sources spanning three millennia. Dea ' s pluralistic and historically informed approach offers readers a timely background to current debates about sex and gender in the media, health sciences, and public policy.
