Leviathan Wakes

The first book in the revolutionary New York Times bestselling Expanse series, a modern masterwork of science fiction. Leviathan Wakes introduces Captain James Holden, his crew, and Detective Miller as they unravel a horrifying solar system wide conspiracy that begins with a single missing girl. Now a Prime Original series. Humanity has colonized the solar system - Mars, the Moon, the Asteroid Belt and beyond - but the stars are still out of our reach. Jim Holden is XO of an ice miner making runs from the rings of Saturn to the mining stations of the Belt. When he and his crew stumble upon a derelict ship, the Scopuli, they find themselves in possession of a secret they never wanted. A secret that someone is willing to kill for - and kill on a scale unfathomable to Jim and his crew. War is brewing in the system unless he can find out who left the ship and why. Detective Miller is looking for a girl. One girl in a system of billions, but her parents have money and money talks. When the trail leads him to the Scopuli and rebel sympathizer Holden, he realizes that this girl may be the key to everything. Holden and Miller must thread the needle between the Earth government, the Outer Planet revolutionaries, and secretive corporations - and the odds are against them. But out in the Belt, the rules are different, and one small ship can change the fate of the universe. "Interplanetary adventure the way it ought to be written." - George R. R. Martin

The seventh book in the NYT bestselling Expanse series, Persepolis Rising finds an old enemy returning home with more power and technology than anyone thought possible, and the crew of the aging gunship Rocinante tries to rally forces against the new invasion. HUGO AWARD WINNER FOR BEST SERIES
An old enemy returns. In the thousand-sun network of humanity's expansion, new colony worlds are struggling to find their way. Every new planet lives on a knife edge between collapse and wonder, and the crew of the aging gunship Rocinante have their hands more than full keeping the fragile peace. In the vast space between Earth and Jupiter, the inner planets and belt have formed a tentative and uncertain alliance still haunted by a history of wars and prejudices. On the lost colony world of Laconia, a hidden enemy has a new vision for all of humanity and the power to enforce it. New technologies clash with old as the history of human conflict returns to its ancient patterns of war and subjugation. But human nature is not the only enemy, and the forces being unleashed have their own price. A price that will change the shape of humanity -- and of the Rocinante -- unexpectedly and forever. . . The second book in the NYT bestselling Expanse series, Caliban's War shows a solar system on the brink of war, and the only hope of peace rests on James Holden and the crew of the Rocinante's shoulders. Now a Prime Original series. We are not alone. On Ganymede, breadbasket of the outer planets, a Martian marine watches as her platoon is slaughtered by a monstrous supersoldier. On Earth, a high-level politician struggles to prevent interplanetary war from reigniting. And on Venus, an alien protomolecule has overrun the planet, wreaking massive, mysterious changes and threatening to spread out into the solar system. In the vast wilderness of space, James Holden and the crew of the Rocinante have been keeping the peace for the Outer Planets Alliance. When they agree to help a scientist search war-torn Ganymede for a missing child, the future of humanity rests on whether a single ship can prevent an alien invasion that may have already begun . . .

The first three novels in James S. A. Corey's New York Times bestselling epic science fiction saga the Expanse - now a major television series. "Interplanetary adventure the way it ought to be written." - George R.R. Martin
Humanity has colonized the solar system, but two hundred years after migrating into space, mankind is in turmoil. When a reluctant ship's captain and washed-up detective find themselves involved in the case of a missing girl, what they discover brings our solar system to the brink of civil war, and exposes the greatest conspiracy in human history.
