Making Family Choices in a Changing Society and Chapter 2: Exploring Relationships and Families. 25 Terms.

This best-selling text on marriages, families, and relationships combines a rigorous scholarly and applied approach with a theme especially relevant to today's dynamic global environment: making choices in a diverse society. The authors use an engaging narrative to create a highly readable text that offers insightful perspectives on the diversity of our modern society, including different ethnic traditions and family forms. The balanced presentation discusses a variety of theoretical perspectives (e.g., family ecology, structure-functional, interaction-constructionist, family systems, biosocial), emphasizing both social structure and the importance of individual agency, choice, and decision-making. Students are encouraged to question assumptions and reconcile conflicting ideas and values as they make informed choices in their own lives. Now with SAGE Publishing! Cutting edge and student-friendly, Choices in Relationships takes readers through the lifespan of relationships, marriages, and families, and utilizes research to help them make deliberate, informed choices in their interpersonal relationships. Authors David Knox, Caroline Schacht, and new co-author I. Joyce Chang draw on extensive research to challenge readers to think critically about the choice-making process, consider the consequences involved with choices, view situations in a positive light, and understand that not making a choice is a choice after all.

NEW YORK TIMES BESTSELLER || Over a million copies sold! ||An eminently practical guide to an emotionally intelligentand long-lasting marriage. ||Daniel Goleman, author of Emotional Intelligence The Seven Principles for Making Marriage Work has revolutionized the way we understand, repair, and strengthen marriages. John Gottman's unprecedented study of couples over a period of years has allowed him to observe the habits that can makeand breaka marriage. Here is the culmination of that work: the seven principles that guide couples on a path toward a harmonious and long-lasting relationship. Straightforward yet profound, these principles teach partners new approaches for resolving conflicts, creating new common ground, and achieving greater levels of intimacy. Gottman offers strategies and resources to help couples collaborate more effectively to resolve any problem, whether dealing with issues related to sex, money, religion, work, family, or anything else. Packed with new exercises and the latest research out of the esteemed Gottman Institute, this revised edition of The Seven Principles for Making Marriage Work is the definitive guide for anyone who wants their relationship to attain its highest potential.

ItUs important for students to realize their individual actions and choices are influenced by broader social forces. By using a decision making theme within a sociological framework, Lamanna and Riedman provide the solid research and theoretical base that students need, along with the practical examination of personal choices and decision making that students want.

Durkheim's work in this area is situated in its historical context, and comparisons are drawn to present-day sociology of the family and family issues. Emile Durkheim on the Family is fascinating reading for anyone with an interest in sociology of the family, social theory, family science, European intellectual history, women's studies, and legal history, as well as anyone generally interested in family studies or nineteenth- and early-twentieth-century European intellectual history."--BOOK JACKET.

Finding fulfillment in both love and work isn't easy--but it's possible. The majority of couples today are dual-career couples. As anyone who's part of such a relationship knows, this presents big challenges: trying to raise kids and achieve career goals while caring for and supporting your partner can seem impossible. Yet most advice for dual-career couples fails, framing the challenges as a zero-sum game in which one partner's gain is the other's loss and solutions feel like sacrifices or unsatisfactory trade-offs. This book is different. In Couples That Work, INSEAD professor Jennifer Petriglieri rejects conventional, one-size-fits-all solutions and instead focuses on how dual-career couples can tackle and resolve the challenges they face throughout their lives--together. She identifies three key phases of exploration and personal growth in every couple's work-life journey, showing how partners must navigate these together to strengthen their bond. Each phase is crystallized with a question: How can we make this work? The first phase focuses on the logistics of combining two busy lives and often involves the demands of young children. What do we really want? In the second phase, couples learn to navigate their midlife crises in ways that allow each partner to continue to feel happy and fulfilled. Who are we now? With careers winding down and kids grown up, this last phase offers new freedoms--and uncertainties. Based on a five-year research project, the book includes interviews with couples from over thirty countries--from executives to entrepreneurs and from twentysomething newlyweds to dual-career grandparents. Filled with vivid real-life stories, keen insights, and engaging exercises, Couples That Work will help couples develop their own unique answers to that most pressing question: How can we successfully combine love and work?

This bestselling marriage and family text combines a rigorous scholarly and applied approach with a unique theme especially relevant to today's dynamic global environment: Making choices in a diverse society. The text achieves an excellent balance between the sociological and ecological or family systems theoretical perspectives, while including extensive coverage of family dynamics and interpersonal relationships. The authors use warmth, humor, and an engaging presentation to create a highly readable text that offers insightful perspectives on the diversity of our modern society, including different ethnic traditions and marriage and family alternatives.
