Focus is a rich, varied and clearly structured upper secondary course that provides motivating content and a reliable exam preparation path. Its methodology is built around the concept of 3Ms – Motivation, Memory and Meaning that underpin the benefits of the course for learners and signal its pedagogical effectiveness to teachers.

Grammatik für englisch sprechende Deutschlerner für Anfänger ab Niveau A2 sowie für Fortgeschrittene.

Even after reading countless pregnancy books I still didn't understand what my labour would be like. All I really knew was it would be painful and scary. Then my obstetrician suggested I take Juju Sundin's birth skills classes. Juju gave me the knowledge to understand my body during labour and taught me about the physiology of pain and how to use her techniques to deal with it. - Sarah Murdoch If you're like most women, you'll go into labour with little knowledge of exactly what your body is doing and why, and how you can actively manage the pain and stay in control while helping your body do what it's designed to. That's where Birth Skills comes in, a step-by-step guide packed with information plus easy-to-learn, proven pain management skills. In Birth Skills, obstetric physiotherapist Juju Sundin shares the techniques she has pioneered over her 30-year career, while Sarah Murdoch takes you on a personal journey of her own labour and birth, describing how she learned the skills in the class then applied them on the big day. Whether it's your first baby or lucky last, you will learn: \* how your body works in labour and why \* how to turn fear into positive action so you stay in control \* how to use movement, breathing, vocalisation, visualisation, keywords and other handy techniques \* what to wear, what to take, and what questions to ask \* how your partner can help, and working as a team \* other women's experiences using Juju's techniques. Birth is all about the bigger picture -- educating and empowering yourself, giving it a try, doing it your way, and a healthy mother and baby. - Juju Sundin

Eighteen year old Jay Stevenson is living a horrible nightmare. Two years ago, she had the world in the palm of her hand, but in one moment, it was ruined. Secrets, lies, and the worst imaginable betrayal haunt her new reality. Burying her problems under a cold façade seems to be the only way to cope until it all catches up with her. Soon, she loses control of the lonely world she built around her, and the past, present, and future collide. Three guys are there when it all comes crashing down: JT, the perfect boyfriend she never wanted to give up; Rhye, the local bad boy "rock star" who made her forget the past; and Kane, the funny and sweet tattooed bartender who wants her future. Secrets must be kept. Choices must be made. Is it possible to move forward while still chained to the wicked vices of the past?

Authentic examination papers from Cambridge Assessment English provide perfect practice because they are EXACTLY like the real exam. Inside B2 First for Schools 4 you'll find four complete examination papers from Cambridge Assessment English. Be confident on exam day by working through each part of the exam so you can familiarise yourself with the format and practise your exam technique. This book does not contain the audio recordings, answer keys, sample Writing answers or Speaking test scripts. A Student's Book with answers with Audio with Resource Bank is available separately.

The Activity Book includes practice of vocabulary, listening, speaking, letter recognition and further develops fine motor skills. The Activity Book also includes stickers.

Activity Books at every level help reinforce the language and give further opportunities for practice.

Based on Red Hat Enterprise Linux 7, the new edition of this bestselling study guide covers the updated Red Hat Certified System Administrator (RHCSA) and Red Hat Certified Engineer (RHCE) exams. RHCSA/RHCE Red Hat Linux Certification Study Guide, 7th Edition is fully revised to cover the recently released Red Hat Enterprise Linux 7 and the corresponding RHCSA and RHCE certification exams. This new edition provides complete coverage of all official exam objectives for the new exams. An integrated study system based on proven pedagogy, this revised bestseller features special elements that reinforce and teach practical skills while preparing candidates for the exam. Each chapter includes step-by-step exercises, Exam Watch and On-the-Job sidebars, Two-Minute Drills, end-of-chapter self tests, and hands-on lab questions. Electronic content includes four complete lab-based practice exams to ensure you're ready to sit for the live exams. Complete coverage of all exam objectives and performance-based requirements related to the exams, including difficult lab-based scenarios Electronic content includes four complete lab-based practice exams, two for RHCSA and two for RHCE A proven study system for RHCSA and RHCE candidates This book includes copies of the Linux Kernel provided under the terms of the GNU General Public License version 2
