In his riveting memoir, beloved actor Dick Van Patten reflects on his prolific career, vibrant life, and the people who shaped both. From growing up during the Great Depression when poverty and racially biased ideologies dominated America, to witnessing the advent of television and its subsequent influence on culture, Dick Van Patten's life is a rich record of change and progress in America and Hollywood. He commenced his career by lighting up the Great White Way as a child star alongside Broadway staples such as Tallulah Bankhead, Melvyn Douglas, Alfred Lunt, and Lynn Fontanne, early influences who fueled his relentless thirst for acting and stardom. Although perhaps best known for his role playing the mild mannered "every-dad" in 70s sitcom *Eight Is Enough*,

Dick Van Patten has appeared in thousands of television, film, and radio roles viewed by millions of people. Van Patten divulges anecdotes, both amusing and emotional, that paint a fuller picture of many eminent entertainment idols. He chronicles throwing back drinks with notorious Hollywood producer Robert Evans, forming his family's close friendship with pop icon Farrah Fawcett, rooming with the legendary Burt Lancaster, and living next door to the eccentric Michael Jackson and clan, just to name a few. Van Patten encountered struggles with family, gambling, and the fickleness of Hollywood. Retaining his signature optimistic outlook, even in the face of tragedy and admitted mistakes, shaped his experiences and allowed him to appreciate the simpler parts of life. *Eighty Is Not Enough* provides a look

back on the evolution of entertainment in a manner rarely glimpsed—straight from the man who has experienced it all.

"The inspiring life-story of from the bestselling author of Mindfulness in Plain English--updated and expanded in honor of his 90th birthday. Bhante Gunaratana--Bhante G., as he is affectionately called--has long been among the most beloved Buddhist teachers in the West. Ordained at twelve, he would eventually become the first Buddhist chaplain at an American university, the founder of a retreat center and monastery, and a bestselling author. Here, Bhante G. lays bare the often-surprising ups and downs of his more than ninety years, from his boyhood in Sri Lanka to his decades of sharing the insights of the Buddha, telling his story with the "plain-

This expanded anniversary edition includes four new chapters in which Bhante reflects on the impact of the tsunami that struck his homeland in 2004 and his subsequent appearance on Larry King Live, his brief experiment in ordaining nuns at his monastery, as well intimate reflections on the loss of family members, and his own aging and infirmity--providing a model an inspiring model to us all of gracious equanimity"--

This volume is an adda of great minds, spanning generations and multiple nationalities. While one discusses creativity and

Another questions how it would be if Rabindranath Tagore lived in the twenty-first century; yet another, how "cool" Indians are or might be in the future. Subjects as far apart as war and solitude find space in these musings. Through these lively engagements emerge key insights into the ideas, writings, and life of one of the foremost intellectuals of our time in Indian and global scholarship, thought, and dissent—Ashis Nandy.
