The Anthony family, on the run from their alcoholic husband and father, leaves Minneapolis for the small town of Mills River, Ill. But they've barely begun to acclimate when sassy old lady Tillie Monroe shows up at their doorstep explaining that the house once belonged to her and her late husband.

Love is not an abstract idea. It is not saying 'I'm here for you, let me know if you need me'. It's making the decision, when someone close to you is in trouble, about what you will DO to fix as much as you can for them. It's a 'doing' thing. A verb. For Callie, love is about looking after her family - her husband and two children - and their beautiful home. For Steff, Callie's younger sister, love is about experiencing all that life has to offer without having to ever settle down. For Lila, Callie's best friend, love is about finding a soulmate. And when she meets divorced father-of-two Eddie, she knows her search is over. For Walter and Honor, Callie and Steff's divorced parents, love is about caring for the daughters they share. Then Callie gets some life-changing news. And suddenly the whole family is about to understand what 'love' really, really means....

When Jane's fiance returns severely wounded from Iraq, the two embark on a journey through pain and tragedy. But do hope and redemption await them?

Stunning New Novel from Award-Winning Author When Eve Marryat's father is laid off from the Ford Motor Company in 1931, he is forced to support his family by leaving St. Paul, Minnesota, and moving back to his Ohio roots. Eve's uncle Cyrus has invited the family to live and work at his Marryat Island Ballroom and Lodge. St. Paul seemed like a haven for gangsters, and Eve had grown fearful of living there. At seventeen, she considers her family to be "good people." They aren't lawbreakers and criminals like so many people in her old neighborhood. Thrilled to be moving to a "safe haven," Eve is blissfully unaware that her uncle's lodge is a transfer station for illegal liquor smuggled from Canada. Eve settles in to work and makes new friends, including an enigmatic but affecting young man. But when the reality of her situation finally becomes clear, Eve is faced with a dilemma. How can she ignore what is happening right under their very noses? Yet can she risk everything by condemning the man whose love and generosity is keeping her and her family from ruin?

As a family faces their darkest moments, this elegant novel paints a story of God's healing in the face of suffering.

On the cusp of adulthood, 18-year-old Penny is swept off her feet by a handsome farmhand. But the fairy tale doesn't last, and she finds redemption with two women from very different worlds.

Shaken by an unwanted divorce, FBI Special Agent Kit McGovern retreats to her grandmother's Virginia island home for a little R & R. But her vacation comes to an unexpected end when the body of a young Latino boy is found on the beach. Kit teams up with D.C. cop David O'Connor to investigate the murder with the smallest of clues—tomato seeds and acorns found in the boy's pockets. Using plant DNA evidence, Kit traces the young boy to a huge farm where more than a killer looms. With grit, determination, and a growing interest in David, Kit pursues her case and discovers that, to truly move forward in life, justice has to be tempered with mercy.

Elizabeth Tenner and her brothers, Bryce, Mitch, and Danny, have special traditions and other family favorites that keep them close despite the instability of their past: a substance-abusing mother, a mostly absent father, and a fatal car wreck that took the lives of their loving grandparents. Elizabeth is 26 years old when her brothers present her with a gift: peace and quiet in the form of a two-week solo vacation to the coast of North Carolina. While there, Elizabeth is intrigued by Nathan Monroe, a man who challenges her in all things faith- and family- related. Elizabeth can't figure out why, but she feels compelled to share pieces of her story with Nathan, leading the pair into a deeper bond than Elizabeth could have ever expected. Nathan and the Tenners have big obstacles ahead: Can Elizabeth and Nathan's relationship sustain the distance and their different beliefs? Will her brothers rely on their own faith to see them through an uncertain situation? Will Elizabeth ask God

From the best-selling author of *War Room* comes a Christy Award finalist, now a Lifetime original movie called *Child of Grace*. "I believed everything my daddy told me until I walked into Wal-Mart and saw my picture on a little poster . . ." For as long as she can remember, June Bug and her father have traveled the back roads of the country in their beat-up RV, spending many nights parked at Wal-Mart. One morning, as she walks past the greeter at the front of the store, her eyes are drawn to the pictures of missing children, where she is shocked to see herself. This discovery begins a quest for the truth about her father, the mother he rarely speaks about, and ultimately herself. But when her father's past catches up with them, forces beyond his control draw them back to Dogwood, West Virginia, down a winding path that will change their lives forever.

Dare she unlock the door behind which she stalwartly conceals her broken heart? An insightful and moving portrayal of the transforming power of love
