Discover the inspirational real-life stories of superstar athletes like LeBron James, Stephen Curry, Tim Howard, and more! Team USA goalkeeper Tim Howard was diagnosed with Tourette Syndrome in 6th grade. He went on to become a national treasure after single-handedly keeping America competitive in the 2014 World Cup. Stephen Curry was told he was too small, too weak, and too slow to even receive a scholarship to play college basketball. He outworked everyone and went on to become MVP of the National Basketball Association. Jim Abbott was born without his right hand, yet he refused to be defined by what he lacked. He went on to pitch a no-hitter in the Major Leagues. Athlete after athlete in this book found discipline, hope, and inspiration on the playing field, rising above their circumstances. Filled with first-hand accounts from stars who exemplify the idea of enduring at all costs, Rising Above will serve as a must-read source of inspiration for kids and sports fans of all ages. Praise for Rising Above A Scholastic Teacher magazine Summer Reading List selection A Milwaukee Journal Sentinel Summer Reading List selection "An easy pitch for middle school sports lovers."--School Library Journal "This collection of mini-bios about athletes who overcame major obstacles packs a powerful message—perseverance and passion pay off. Even non-sports fans will cheer for superstars like LeBron James and Stephen Curry."--Scholastic Teacher "So many of the obstacles that these athletes share are retold using personal interviews and primary source material that young readers will find very relatable. Though the people chronicled are all athletes, their stories have morals that are easily transferred to life off the court or the field. The highly relevant message is that no situation is too dire or insurmountable with the right attitude and that young people shouldn't allow setbacks to define them."--Booklist "[O]ften inspiring . . . The underdog stories reveal that dedication and perseverance pay off, as well as that sports can serve as needed outlets and refuges."--Publishers Weekly

From Shannon Hale, bestselling author of *Austenland*, comes *Kind of a Big Deal*: a hilarious, madcap story that will suck you in—literally. There's nothing worse than peaking in high school. Nobody knows that better than Josie Pie. She was kind of a big deal—she dropped out of high school to be a star! But the bigger you are, the harder you fall. And Josie fell. Hard. Ouch. Broadway dream: dead. Meanwhile, her life keeps imploding. Best friend: distant. Boyfriend: busy. Mom: not playing with a full deck? Desperate to escape, Josie gets into reading. Literally. She reads a book and suddenly she's inside it. And with each book, she's a different character: a post-apocalyptic heroine, the lead in a YA rom-com, a 17th century wench in a corset. It's alarming. But also . . . kind of amazing? It's the perfect way to live out her fantasies. Book after book, Josie the failed star finds a new way to shine. But the longer she stays in a story, the harder it becomes to escape. Will Josie find a story so good that she just stays forever?

The ultimate book for young sports fans is back with the past year's top sports stories, including the biggest wins from the thrilling Tokyo Summer Olympics and Paralympics.

Basketball's most unlikely—and most sought-after—training guru offers an inside look at his career, his methods, and the all-star players whose games he's helped transform. Where do the best basketball players in the world turn when they want to improve their game? Whom does a future NBA Hall of Famer thank at his press conference when he's named Rookie of the Year? Who is it that Sports Illustrated, The Wall Street Journal, and Men's Journal all call the "Hoops Whisperer" because of his ability to engage, inspire, and challenge the players he trains? The answer to all of these questions is Idan Ravin. Ravin never played or coached in college or the pros, yet a virtual NBA All-Star team relies on him to better their game and reach their full potential. A soft-spoken former lawyer, Ravin has become professional basketball's hottest trainer. In *The Hoops Whisperer*, Ravin shares the fascinating story of how he transformed a passion for the game into working with iconic basketball stars such as Chris Paul, LeBron James, Kevin Durant, Carmelo Anthony, Stephen Curry, Blake Griffin, James Harden, Dwight Howard, and many more. He offers a rare unguarded glimpse inside the lives of these great athletes, drawn from his intimate connection with them that is the basis of his success. Showcasing his unorthodox drills and improvisational techniques in action, Ravin reveals how faith, effort, dedication, and passion can make a player into a superstar—and anyone into a success. Combined with his own inspiring journey, Ravin's insights make *The Hoops Whisperer* a must-read for anyone who loves the game.

In life, just as in sports, you miss all of the shots you don't take. 'Shoot Your Shot' provides a unique and entertaining approach to the self-help book genre by identifying the key principles that the world's most elite basketball players--such as Michael Jordan, Kobe Bryant, LeBron James, and Stephen Curry--have applied to their lives and relates how you, the reader, can use those exact same principles to help you navigate through life and realize your dreams. Divided into "Quarters" and reading as if you are in an actual game, 'Shoot Your Shot' provides a never-before-seen yet effective and enjoyable approach on how to accomplish your goals and attain success. By utilizing examples of techniques employed on the court, the stories of current and former NBA players and personnel, as well as personal recollections from the author, 'Shoot Your Shot' gives you the winning formula on how to live your best life. This book is perfect for any age, background, and standing in life!

Basketball is the most popular participatory sport in the United States. As simple as the game often seems—throwing a ball through a hoop—there are many aspects of the game that go unnoticed. But with *Basketball For Dummies, Second Edition*, you'll get the inside scoop on hoops. Whether you're a player, a fan, or a coach, *Basketball For Dummies, Second Edition* will get you better acquainted to the game, so you can play it better, coach it smarter, or appreciate it more as a spectator. Former Notre Dame head coach Digger Phelps begins with the fundamentals and quickly moves up court from there. From playing a pick-up game to watching March Madness on TV to the excitement of the NBA Playoffs, Phelps has come up with a game plan that shows you how to have fun with the game, while you become familiar with it. By the final buzzer, you'll have pulled down pointers on how to play the game, how to look good on the court, how to coach it, how to watch it, how to strategize, and even how to talk trash on the playground. Within these pages, you'll also discover how to: Suit up for the court Get into basketball shape Play effective offense and defense Use signature moves from NBA greats Shoot quality free-throws Join fantasy leagues and get great stuff online From the basics to the latest coaching drills and techniques, this friendly reference offers you expert advice on the plays, strategies, and moves on and off the court—from high school to college hoops, to the WNBA, and beyond.

Allen Iverson transcended race, celebrity, and pop culture and emerged from a troubled past to become one of the most successful and highly compensated athletes in the world. Babb examines what drove his successes and failures, getting behind the familiar, sanitized, and heroic version of Iverson-- the hard-charging, hard-partying athlete who played every game as if it were his last. He brings to life a private, loyal, and often generous Allen Iverson who rarely made the headlines, revealing the back story behind some of Iverson's most memorable moments, and delves deep to discover where Iverson's demons lurked. Over time, Iverson himself came to believe his own hype: that he lived in a world where celebrity is eternal and riches are everlasting.
