Season of Migration to the North is a book I go back to again and again. The prose is incredibly poetic and the narrative arc loses nothing when the surprise has gone. The plot is bleak in the extreme and the contrast with the beauty of the prose gives it a power that leaves one thinking well after the book has ended.

After years of study in Europe, the young narrator of *Season of Migration to the North* returns to his village along the Nile in the Sudan. It is the 1960s, and he is eager to make a contribution to the new postcolonial life of his country. Back home, he discovers a stranger among the familiar faces of childhood--the enigmatic Mustafa Sa'eed. Mustafa takes the young man into his confidence, telling him the story of his own years in London, of his brilliant career as an economist, and of the series of fraught and deadly relationships with European women that led to a terrible public reckoning and his return to his native land. But what is the meaning of Mustafa's shocking confession? Mustafa disappears without explanation, leaving the young man--whom he has asked to look after his wife--in an unsettled and violent no-man's-land between Europe and Africa, tradition and innovation, holiness and defilement, and man and woman, from which no one will escape unaltered or unharmed. *Season of Migration to the North* is a rich and sensual work of deep honesty and incandescent lyricism. In 2001 it was selected by a panel of Arab writers and critics as the most important Arab novel of the twentieth century.

An 'Arabian Nights' in reverse, enclosing a moral about international misconceptions and delusions. This is the story of a student who returns to his village after his obsession with the West had led him to London and the beds of women with similar obsessions about the mysterious East.

A beautifully constructed novel set in the Sudan and Europe. 'Among the six finest novels to be written in modern Arabic literature.' Edward Said

The lyrically told story of one of the world's greatest artists finding his true calling Though Vincent van Gogh is one of the most popular painters of all time, we know very little about a ten-month period in the painter's youth when he and his brother, Theo, broke off all contact. In *The Season of Migration*, Nellie Hermann conjures this period in a profoundly imaginative, original, and heartbreaking vision of Van Gogh's early years, before he became the artist we know today. In December 1878, Vincent van Gogh arrives in the coal-mining village of Petit Wasmes in the Borinage region of Belgium, a blasted and hopeless landscape of hovels and slag heaps and mining machinery. Not yet the artist he is destined to become, Vincent arrives as an ersatz preacher, barely sanctioned by church authorities but ordained in his own mind and heart by a desperate and mistaken spiritual vocation. But what Vincent experiences in the Borinage will change him. Coming to preach a useless gospel he thought he knew and believed, he learns about love, suffering, and beauty, ultimately coming to see the world anew and finding the divine not in religion but in our fallen human world. In startlingly beautiful and powerful language, Hermann transforms our understanding of Van Gogh and the redemptive power of art.

“The Wedding of Zein” unfolds in the same village on the upper Nile where Tayeb Salih’s tragic masterpiece *Season of Migration to the North* is set. Here, however, the story that emerges through the overlapping, sometimes contradictory voices of the villagers is comic. Zein is the village idiot, and everyone in the village is dumbfounded when the news goes around that he will be getting married—Zein the freak, Zein who burst into laughter the moment he was born and has kept women and children laughing ever since, Zein who lost all his teeth at six and whose face is completely hairless, Zein married at last? Zein’s particular role in the life of the village has been the peculiar one of falling in love again and again with girls who promptly marry another man. It would be unheard of for him to get married himself. In Tayeb Salih’s wonderfully agile telling, the story of how this miracle came to be is one that engages the tensions that exist in the village, or indeed in any community: tensions between the devout and the profane, the poor and the propertied, the modern and the traditional. In the end, however, Zein’s ridiculous good luck augurs an ultimate reconciliation, opening a prospect of a world made whole. Salih’s classic novella appears here with two of his finest short stories, “The Doum Tree of Wad Hamid” and “A Handful of Dates.”

“This funny, perceptive and ambitious work of historical fiction by a Kenyan poet and novelist explores his country’s colonial past and its legacy.” –The New York Times Book Review, Editors’ Choice Set in the shadow of Kenya’s independence from Great Britain, *Dance of the Jakaranda* reimagines the special circumstances that brought black, brown and white men together to lay the railroad that heralded the birth of the nation. The novel traces the lives and loves of three men—preacher Richard Turnbull, the colonial administrator Ian McDonald, and Indian technician Babu Salim—whose lives intersect when they are implicated in the controversial birth of a child. Years later, when Babu’s grandson Rajan—who ekes out a living by singing Babu’s epic tales of the railway’s construction—accidentally kisses a mysterious stranger in a dark nightclub, the encounter provides the spark to illuminate the three men’s shared, murky past. With its riveting multiracial, multicultural cast and diverse literary allusions, *Dance of the Jakaranda* could well be a story of globalization. Yet the novel is firmly anchored in the African oral storytelling tradition, its language a dreamy, exalted, and earthy mix that creates new thresholds of identity, providing a fresh metaphor for race in contemporary Africa. “Destined to become one of the greats . . . This is not hyperbole: it’s a masterpiece.” –The Gazette “A fascinating part of Kenya’s history, real and imagined, is revealed and reclaimed by one of its own.” –Minneapolis Star Tribune “Kimani’s novel has an impressive breadth and scope.” –Los Angeles Review of Books “Highlighted by its exquisite voice, Kimani’s novel is a standout debut.” –Publishers Weekly “Lyrical and powerful.” –Kirkus Reviews
