First in the YA bestselling fantasy trilogy of the battle between Light and Dark. If you loved the Twilight series, you will love this book. Giuliana Rancic, E! News anchor Caroline Ellis's sixteenth birthday sets into motion a series of events that have been fated for centuries. A descendant of Virginia Dare, the first child born in the lost colony of Roanoke, and unaware of her birthright as the heir to the throne of the Light Fae, it isn't until Caroline begins a tumultuous relationship with Devilyn Reilly that the truth of her heritage is revealed. Devilyn is the only Fae who is both of the Light and of the Dark, and struggles to maintain that precarious balance to avoid succumbing to the power of the Dark within him. He is the only one who can save Caroline from those who would destroy her and destroy all hope for unity among the Fae. He promises Caroline that he will protect her at all costs, even when it means protecting her from himself. Told from the alternating perspectives of Caroline and Devilyn, Fae draws on mysteries, myths and legends to create a world, and a romance, dangerously poised between Light and Dark. Praise for the Fae trilogy "A phenomenal series." Margaret Stohl, #1 New York Times bestselling coauthor of Jo & Laurie "Lovers you must buy a copy!" Nicky Whelan, actress, Hall Pass, Franklin & Bash "Since the Twilight series recently came to an end, the search for the next hit teen novel is on. Fortunately, with C.J. Abedi's first book in the Fae series, there may be no need to look any further." Firsttoknow.com

From the #1 New York Times bestselling author of the Ella and Micha series comes a gripping story of passion, pain, and the courage to love . . . THE TEMPTATION OF LILA AND ETHAN On the surface, Lila Summers is flawless: good looks, expensive clothes, and a big, beautiful smile. But a dark past and even darker secrets are threatening to bubble over her perfect façade. She'll do anything to keep the emptiness inside hidden-which leads her into situations that always end badly. Whenever she hits bottom, there's only one person who's there to pull her out: Ethan Gregory. Ethan set the rules a long time ago: he and Lila are just friends. He doesn't do relationships. Although his tattooed, bad boy exterior is a far cry from Lila's pretty princess image, Ethan can't deny they have a deeper connection than he's used to. If he's not careful, he could be in serious danger of becoming attached-and he's learned the hard way that attachment only leads to heartbreak. When Lila falls farther than she ever has before, can Ethan continue to help as a friend? Or is he also getting close to falling . . . for her?
