The most precious metal during a crisis is silver, but not because of its role as a monetary metal. Silver is not the most precious metal because of global supply, its current "price", or investor sentiment. It is not the most precious metal because of its role in photovoltaic solar panels or electronic circuits. It certainly isn't the most precious metal because it makes for a nice set of earrings or tableware. There is nothing wrong with any of these uses of silver, but silver has a much higher purpose that clearly makes it the most important metal any person could own.

Betsy Stevenson is praying fervently for a change. But when a big part of her prayer is answered she asks the Lord, "Is this really You? An RV, of all things." According to Ben (her hubby and a workaholic), he thinks retiring at 60, buying an RV and traveling is a grand idea. He says, "I've been talking to Matilda (their pooch) and the Lord and I feel it's a go. After much more prayer and preparation Betsy agrees and they begin the journey to downsize into a 38 foot 5th wheel. Then their RV adventure begins. Their best friends Rose and Larry Wilford tag along and the four get on the road again. Yes, Willie Nelson joins them – if only in song – on the highways and byways of this great country called the U.S.A. While on the road the foursome encounter a near miss with a lamp post, a not-too-happy proprietor at an RV Park, and a 1000 year flood that hits Colorado. Can the four of them survive their travels together and learn to live, laugh and love more and grump less? Or is the Lord taking them on this path to learn more about themselves than they ever wanted to know? And in the end, do they find it is better to give than receive? Follow along with the Early Birds on their adventures and I'm sure you'll want to join up with them ASAP. All you need is a sense of humor, willingness to change, and, of course, a recreational vehicle. Any size will do.

After a terrible war, medieval England is under the watchful eye of The Guild, formed centuries past to ensure that society has a chance to rebuild slowly and safely. Adept at playing many roles, its powerful Guildsmen – at times warriors, wizards or spies – serve as Judges and executioners to protect the fragile society. Their plans are thrown into turmoil by an invading force that no-one saw coming...a Japanese fleet, bringing with it fanatical samurai, deadly ninjas and powerful sorcerers. Worse, they have managed to awaken their long-dead heroes, including the Miyamoto Musashi, Japan's greatest swordsman, and the fearsome Winter Dragon. Unable to stop the initial Japanese attacks, the Guild recalls some of England's own dead heroes: William the Conqueror, Merlin and Robin Hood joining the fight against the invaders. Arden and Carron, two of the Guild's finest, are forced by the Guild Council to sit back and watch as the invaders spread across England. As the situation becomes more desperate, and the old English heroes fall, the two friends are forced into the forefront of the war, taking command in one last stand that they hope will break the invading armies once and for all.
