The Khmer Rouge
ruled Cambodia for
three years, eight
months and twenty
days. After
overthrowing Lon Nol
in April 1975 and
establishing a so-

responsible for the
deaths of as many as

almost one-third of

recalls life under the

Attempting to conceal his identity as a policeman for the previous government, Chileng changed his name and moved his family to the village of Prayap, near the Vietnamese border. In April of 1977, after two years of starvation and cruelty at the hands of the

Chileng was forced to watch as Communist guerillas brutally murdered his wife and two-year-old son.

With nothing left for him in Prayap Chileng fled to Vietnam, but eventually returned to Cambodia as part of a Vietnamese invasion force that would end the bloody reign of the

Descended from West
African kings and
healers, raised in the
turbulence of Guinea
in the 1960s,
Kadiatou Diallo was

married off at the age of thirteen and bore her first child when she was sixteen.

Twenty-three years later, that child—a gentle, innocent young man named Amadou Diallo—was gunned down without cause on the streets of New York City. Now Kadi Diallo tells the astonishing,

inspiring story of her life, her loss, and the defiant strength she has always found within. It was Kadi Diallo's voice that captivated the public when she came to America to defend her slain son, and it is that same voice—candid, wise, and generous—that fills the pages of this

extraordinary book.

Kadi reaches back to her earliest memories of growing up in Guinea, the daughter of a strict man who was thwarted by the relics of the French colonial system. Raised in a world in which age-old religious and cultural rituals were disappearing before

the onslaught of modernity, Kadi saw her own childhood end abruptly at age thirteen when her father literally gave her away in marriage. Kadi prayed for death, but instead she found herself plunged into a baffling new life—the life of a second wife in a strange household in a distant country,

and soon afterwards
the teenage mother of
a sweet-natured son.

Yet somehow, Kadi
managed not only to
survive but to flourish.

Despite the rigid
strictures of African-
Islamic culture, she
attended school and
later started a
successful business
of her own. She
eventually divorced

and remarried and lived for eight years in Bangkok. Back in Guinea, she learned that her oldest child Amadou had been shot in New York City in a case of racial profiling. Kadi read with outrage the American newspaper description of her son as "an unarmed West African street vendor."

Nothing," she writes,
"could be more
distant from the truth."
Now, with great pride
and searing love, Kadi
Diallo finally tells the
truth about herself
and her son. My Heart

is an extraordinary
book—a girl's story of
desire and innocence,
a wife's story of
defiance, a mother's
