The Subaru Impreza first appeared on the World Rally scene in 1993, taking a hat-trick of World Rally Manufacturers' Championships, in 1995, 1996 and 1997. The drivers the likes of Marku Alen, Ari Vatanen, and Colin McRae have competed in the World Rally Championship in Imprezas and all went on to winning the World Rally Drivers' Championship in Imprezas. These cars continued to compete on the World Rally stage until the end of 2008, when the Subaru World Rally Team unfortunately withdrew from rallying. This brand new Haynes Manual covers one of the most iconic rally cars in recent years, and does so in perfect detail. People that love the Impreza, really love the Impreza, so get the full facts and specs now!

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. "When individuals are suffering through unpleasant or undesirable situations and circumstances, they are often unaware of how they participate in creating or re-creating their experience. In severe cases, there is addiction or suffering. Frequently, my first attempt at offering suffering individuals another way of seeing their experience is met with fierce resistance, which I call "the fight to be right." Often people unwittingly fight to maintain ownership of the very limitations that cause their suffering. Unfortunately, while fighting for their limitations, most fail to realize this is not a fight they want to win. Rather than engage them in a mental or emotional sparring match, I ask one simple question: "What is your prayer?" When an individual seriously contemplates this question, stories about how pain and suffering should or can be tolerated begin to recede. The ego has very few arguments that can survive the power of an earnest and heartfelt prayer."--
