We both got the waffle with chicken tenders and a side of hash browns and it is exactly what we envisioned it to be. 'Sunny Side Up' is a great album from Paolo Nutini and is a complete departure from his previous album, but it is still excellent. His voice really shines through on this CD and this has a great soul feel to it.

When is a summer vacation not really a summer vacation? Sunny Lewin has been packed off to Florida to live with her grandfather for the summer. At first she thought Florida might be fun -- it is the home of Disney World, after all. But the place where Gramps lives is no amusement park. It's full of . . . old people. Really old people. Luckily, Sunny isn't the only kid around. She meets Buzz, a boy who is completely obsessed with comic books, and soon they're having adventures of their own: facing off against golfball-eating alligators, runaway cats, and mysteriously disappearing neighbors. But the question remains -- why is Sunny down in Florida in the first place? The answer lies in a family secret that won't be secret to Sunny much longer. . .

Lauren Cook is a welcome new voice to shake us out of our doldrums." -Lisa Bloom, New York Times bestselling author of Think and Swagge Do you ever find yourself saying, "I'll be happy when..." or "I can't wait until (this or that) is over?" Most of us are caught red-handed wishing our time away or thinking we will be happy only after we have either achieved our dream job, bought our perfect home, or married, "the one." But hold on... happiness is not something to hope for in the future, it is something to have right now - Today!

A life-changing breakfast conversation that encourages men to live wholeheartedly for Christ What event could change your life? Winning the lottery? Getting a promotion? Getting a degree? Scoring a home run, or a winning goal? It might be hard to believe, but a breakfast conversation could be the most consequential event in your life € if it is with Jesus. Looking at the breakfast conversation in John 21, we see how Peter's life changed forever as he was challenged to step up and play his part in God's big plan. And Jesus has an exciting challenge for all of us today. As Jesus captures our hearts with his love and forgiveness, we'll be motivated to be part of something truly extraordinary. Perfect to read with men who you'd like to encourage to live all out for Christ or to give away at men's breakfasts.

Summer's over and it's time for Sunny Lewin to enter the strange and unfriendly hallways of . . . middle school. When her Gramps calls her from Florida to ask how she's doing, she always tells him she's fine. But the truth? Sunny is NOT having the best time. Not only is the whole middle school thing confusing . . . but life at home is confusing, too. Sunny misses her brother Dale, who's been sent to boarding school. But when Dale comes back, she STILL misses him . . . because he's changed. Luckily Sunny's got her best friend and a mysterious new neighbor on her side . . . because she is NOT going let all this confusion get her down. Instead, she's going to remain Sunny-side up!

The Calmanifesto of Happiness 'One of the kindest people I have ever met - a beautiful dancer and a beautiful person' Kevin Clifton 'Be good, be kind, be more like Susan Calman' Kirstie Allsopp 'Be kind to yourself - read this book, keep it on your bedside table or on your Kindle - even Kindle has the word kind in it' Sandi Toksvig 'Full of wisdom and humour, with the soft underbelly of the profound' Fi Glover 'It's a warm, funny and delightful book that is sure to cheer even the grumpiest curmudgeon in your life' Woman and Home Susan Calman's enthusiasm at being on Strictly Come Dancing was an inspiration to all of us. Cheer Up Love, Susan's first book, had a clear aim: to help people understand depression. Sunny Side Up has a similarly clear path: to persuade people to be kinder to each other and spread more joy. These are extremely difficult and confusing times - people are cross and shouty. It's exhausting! But more than anything, people like Susan, people who don't hate other people, are apologising for the way that they think. Susan wants to make sure that they don't. She wants them to know that it's ok to love people and that kindness is something wonderful and brilliant. Above all, she wants them to bring on the joy. So the mission is simple. To get the nation to join her in not being negative. To bring back joy, kindness and community, to find that joy in the little things in life and defeat the hate and fear. Susan is a one-woman army of hope and joy, and she's ready to lead the nation in a different direction.

Start with one quiet, perfect life. Add: 1 step-dad, 2 pre-cooked siblings, 1 best friend, 1 sworn enemy and a long lost grandmother. Flavour with a dash of secrets, a pinch of jealousy and a good dollop of growing-up. Cook on high all summer long. Fresh and spicy and as irresistible as Friday night pizza, Sunny Side Up is a story about surviving a heatwave, running a business, avoiding headlice, loving your dog, keeping secrets, saying goodbye and hello, and finding out what really matters.
