Nicholas Flamel appeared in J.K. Rowling 's Harry Potter—but did you know he really lived? And his secrets aren't safe! Discover the truth in book six of Michael Scott 's New York Times bestselling series the Secrets of the Immortal Nicholas Flamel. The Location: The home of the Elders. The Time: The last day of Nicholas and Perenelle Flamel's long existence. The two that are one must become the one that is all. One to save the world, one to destroy it. Sophie and Josh Newman traveled ten thousand years into the past following Dr. John Dee and Virginia Dare to the home of the Elders at Danu Talis. But this is no ordinary island—it is the legendary city of Atlantis, and Scathach, Prometheus, Palamedes, Shakespeare, Saint-Germain, and Joan of Arc are also there. Here, as the Flamels take their final breaths, the battle for the world begins and ends. Except no one is sure what—or who—the twins will be fighting for. " The Secrets of the Immortal Nicholas Flamel has everything you loved about Harry Potter, including magic, mystery, and a constant battle of good versus evil. " —Bustle Read the whole series! Theodosia Throckmorton has her hands full at the Museum of Legends and Antiquities in London. Her father may be head curator, but it is Theo—and only Theo—who is able to see all the black magic and ancient curses that still cling to the artifacts in the museum. Sneaking behind her father 's back, Theo uses old, nearly forgotten Egyptian magic to remove the curses and protect her father and the rest of the museum employees from the ancient, sinister forces that lurk in the museum 's dark hallways.

There has long been a need for a scholarly English edition of the great 13th century historical epic, The Secret History of the Mongols, the only surviving Mongol source about the empire. The book is mainly about the life and the career of Chinggis Khan, his ancestors and his rise to power. Chinggis Khan was not only a military genius, but also a great statesman and diplomat. Through a combination of armed force and diplomacy, he managed to merge the complex system of alliances which existed between diverse tribes into a powerful confederacy that swept across most of Eurasia, starting in 1219. Urgunge Onon's fresh translation brings out the excitement of this epic with its wide-ranging commentaries on military and social conditions, religion and philosophy, while remaining faithful to the original text. This fully annotated edition is prefaced by a 36 page introduction setting the work in its cultural and historical context.

When twelve-year-old twins John and Philippa Gaunt develop extraordinary magical gifts, they travel to London to meet their wildly eccentric djinn-uncle, Nimrod, who teaches them to harness their new powers and sends them on a mission.
