The Narrative of John Smith (2011) is a novel written in 1883 by Arthur Conan Doyle, published posthumously by The British Library. In a work of narrative fiction, Doyle writes from the perspective of a middle-aged bachelor named John Smith recovering from rheumatic gout.

~~The Narrative of John Smith - Wikipedia~~

John Smith, perhaps Conan Doyle's vision of himself as an older man, is confined to his room by gout; the narrative consists of his reflections on life and his conversations with his doctor, his neighbours, his landlady, and the local curate - characters who are depicted with a lively authenticity.

before he was thirty years old. This is Captain John Smith's life. Everyone knows the story of Pocahontas, and how in 1607 she saved John Smith. And were it not for Smith's leadership, the Jamestown colony would surely have failed. Yet Smith was a far more ambitious explorer and soldier of fortune than these tales suggest – and a far more ambitious self-promoter, too. Now, in this first new major biography of Smith in decades, award-winning BBC filmmaker and author Peter Firstbrook traces the adventurer's astonishing exploits across three continents, testing Smith's own writings against the historical and geographical reality on the ground. With *A Man Most Driven*, Firstbrook delivers a riveting, enlightening dissection of this myth-making man, England's arrival on the world stage, and the creation of America.

In honor of the four hundredth anniversary of Jamestown, a collection of writings taken from the journals of Captain John Smith limns a detailed portrait of the founding of the Jamestown colony, life in colonial Virginia, his efforts to establish trade relations with local Native Americans, and the real-life facts behind the legend of his relationship with Pocahontas. Original. 10,000 first printing.

"The Story of Pocahontas and Captain John Smith" by E. Boyd Smith. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

A New York Times Notable Book and a San Jose Mercury News Top 20 Nonfiction Book of 2003 In 1606, approximately 105 British colonists sailed to America, seeking gold and a trade route to the Pacific. Instead, they found disease, hunger, and hostile natives. Ill prepared for such hardship, the men responded with incompetence and infighting; only the leadership of Captain John Smith averted doom for the first permanent English settlement in the New World. The Jamestown colony is one of the great survival stories of American history, and this book brings it fully to life for the first time. Drawing on extensive original documents, David A. Price paints intimate portraits of the major figures from the formidable monarch Chief Powhatan, to the resourceful but unpopular leader John Smith, to the spirited Pocahontas, who twice saved Smith's life. He also gives a rare balanced view of relations between the settlers and the natives and debunks popular myths about the colony. This is a superb work of history, reminding us of the horrors and heroism that marked the dawning of our nation.

A teen at boarding school grapples with life, love, and rugby in this unforgettable novel that is "alternately hilarious and painful, awkward and enlightening" (Publishers Weekly, starred review). Ryan Dean West is a fourteen-year-old junior at a boarding school for rich kids. He's living in Opportunity Hall, the dorm for troublemakers, and rooming with the biggest bully on the rugby team. And he's madly in love with his best friend Annie, who thinks of him as a little boy. Ryan Dean manages to survive life's complications with the help of his sense of humor, rugby buddies, and his penchant for doodling comics. But when the unthinkable happens, he has to figure out how to hold on to what's important, even when it feels like everything has fallen apart. Filled with hand-drawn infographics and illustrations and told in a pitch-perfect voice, this realistic depiction of a teen's experience strikes an exceptional balance of hilarious and heartbreaking.

Camilla Townsend's stunning new book, *Pocahontas and the Powhatan Dilemma*, differs from all previous biographies of Pocahontas in capturing how similar seventeenth century Native Americans were--in the way they saw, understood, and struggled to control their world---not only to the invading British but to ourselves. Neither naïve nor innocent, Indians like Pocahontas and her father, the powerful king Powhatan, confronted the vast might of the English with sophistication, diplomacy, and violence. Indeed, Pocahontas's life is a testament to the subtle intelligence that Native Americans, always aware of their material disadvantages, brought against the military power of the colonizing English. Resistance, espionage, collaboration, deception: Pocahontas's life is here shown as a road map to Native American strategies of defiance exercised in the face of overwhelming odds and in the hope for a semblance of independence worth the name. Townsend's Pocahontas emerges--as a young child on the banks of the Chesapeake, an influential noblewoman visiting a struggling Jamestown, an English gentlewoman in London--for the first time in three-dimensions; allowing us to see and sympathize with her people as never before.
