The Brief Wondrous Life of Oscar Wao is a novel written by Dominican American author Junot Díaz, published in 2007. Although a work of fiction, the novel is set in New Jersey in the United States, where Díaz was raised, and it deals with the Dominican Republic experience under dictator Rafael Trujillo. The book chronicles both the life of Oscar de León, an overweight Dominican boy growing up in Paterson, New Jersey, who is obsessed with science fiction and fantasy novels and with falling ...

In The Secret Life of Oscar Wilde, Neil McKenna provides stunning new insight into the tumultuous sexual and psychological worlds of this brilliant and tormented figure. McKenna charts Wilde's astonishing odyssey through London's sexual underworld, and provides explosive new evidence of the political machinations behind Wilde's trials for sodomy. Dazzlingly written and meticulously researched, The Secret Life of Oscar Wilde offers a vividly original portrait of a troubled genius who chose to martyr himself for the cause of love between men.

Living with an old-world mother and rebellious sister, an urban New Jersey misfit dreams of becoming the next J. R. R. Tolkien and believes that a long-standing family curse is thwarting his efforts to find love and happiness. A first novel by the author of the collection, Drown. Reprint.

Living with an old-world mother and rebellious sister, an urban New Jersey misfit dreams of becoming the next J. R. R. Tolkien and believes that a long-standing family curse is thwarting his efforts to find love and happiness. A first novel by the author of the collection, Drown. 100,000 first printing.

Things have never been easy for Oscar. A ghetto nerd living with his Dominican family in New Jersey,

he's sweet but disastrously overweight. He dreams of becoming the next J.R.R. Tolkien and he keeps falling hopelessly in love. Poor Oscar may never get what he wants, thanks to the Fukú - the curse that has haunted his family for generations. With dazzling energy and insight Díaz immerses us in the tumultuous lives of Oscar; his runaway sister Lola; their beautiful mother Belicia; and in the family's uproarious journey from the Dominican Republic to the US and back. Rendered with uncommon warmth and humour, *The Brief Wondrous Life of Oscar Wao* is a literary triumph, that confirms Junot Díaz as one of the most exciting writers of our time.

The captivating story of the famed Savoy Hotel's founders, told through three generations—and one hundred years—of glamour and high society. For the gondoliers-themed birthday dinner, the hotel obligingly flooded the courtyard to conjure the Grand Canal of Venice. Dinner was served on a silk-lined floating gondola, real swans were swimming in the water, and as a final flourish, a baby elephant borrowed from London Zoo pulled a five-foot high birthday cake. In three generations, the D'Oyly Carte family and London's Savoy Hotel pioneered the idea of the luxury hotel and the modern theater, propelled Gilbert and Sullivan to lasting stardom, made Oscar Wilde a transatlantic celebrity, inspired a P. G. Wodehouse series, and popularized early jazz, electric lights, and Art Deco. Following the history of the iconic Savoy Hotel through three generations of the D'Oyly Carte family, *The Secret Life of the Savoy* brings to life the extraordinary cultural legacy of the most famous hotel in the world.

Examines the life and presidency of the only man to serve two non-consecutive terms, reveals what really happened on the night President Grover Cleveland's illegitimate son was conceived, and explores the scandal surrounding the child.

An entirely new kind of biography, *Built of Books* explores the mind and personality of Oscar Wilde through his taste in books. This intimate account of Oscar Wilde's life and writings is richer, livelier, and more personal than any book available about the brilliant writer, revealing a man who built himself out of books. His library was his reality, the source of so much that was vital to his life. A reader first, his readerly encounters, out of all of life's pursuits, are seen to be as significant as his most important relationships with friends, family, or lovers. Wilde's library, which Thomas Wright spent twenty years reading, provides the intellectual (and emotional) climate at the core of this deeply engaging portrait. One of the book's happiest surprises is the story of the author's adventure reading Wilde's library. Reminiscent of Jorge Luis Borges's fictional hero who enters Cervantes's mind by saturating himself in the culture of sixteenth-century Spain, Wright employs Wilde as his own Virgilian guide to world literature. We come to understand how reading can be an extremely sensual experience, producing a physical as well as a spiritual delight.

'The Book of the Year, perhaps of the decade, has to be Matthew Sturgis's *Oscar*' TLS, Books of the Year. NOMINATED FOR THE WOLFSON HISTORY PRIZE 2019. A SUNDAY TIMES BOOK OF THE YEAR. 'Simply the best modern biography of Wilde ... A terrific achievement' Evening Standard. 'Page-turning ... Vivid and desperately moving. However much you think you know Wilde, this book will absorb and entertain you' Sunday Times. 'Wonderfully exciting ... Sturgis's great achievement is to take on board his great flurry of contradictions' Craig Brown, Mail on Sunday. '[Sturgis] is a tremendous orchestrator of material, fastidious, unhurried, indefatigable' Observer. 'Oscar Wilde is more fashionable than ever ... Sturgis's account of the hearing at the Old Bailey is as gripping as it is grim' Guardian. 'The Book of the Year, perhaps of the decade, has to be Matthew Sturgis's *Oscar* which captures the wit, the love-ability, the dramatic genius, the insane self-destructiveness, the originality of Wilde ... [Sturgis] is the greatest chronicler of the 1890s we have ever had' TLS, Books of the Year. Oscar Wilde's life — like his wit — was alive with paradox. He was both an early exponent and a victim of 'celebrity culture': famous for being famous, he was lauded and ridiculed in equal measure. His achievements were frequently downplayed, his successes resented. He had a genius for comedy but strove to write tragedies.

He was an unabashed snob who nevertheless delighted in exposing the faults of society. He affected a dandified disdain but was prone to great acts of kindness. Although happily married, he became a passionate lover of men and — at the very peak of his success — brought disaster upon himself. He disparaged authority, yet went to the law to defend his love for Lord Alfred Douglas. Having delighted in fashionable throngs, Wilde died almost alone: barely a dozen people were at his graveside. Yet despite this ruinous end, Wilde's star continues to shine brightly. His was a life of quite extraordinary drama. Above all, his flamboyant refusal to conform to the social and sexual orthodoxies of his day make him a hero and an inspiration to all who seek to challenge convention. In the first major biography of Oscar Wilde in thirty years, Matthew Sturgis draws on a wealth of new material and fresh research to place the man firmly in the context of his times. He brings alive the distinctive mood and characters of the fin de siècle in the richest and most compelling portrait of Wilde to date.

The fullest, most textural, most accurate—most human—account of Oscar Wilde's unique and dazzling life—based on extensive new research and newly discovered materials, from Wilde's personal letters and transcripts of his first trial to newly uncovered papers of his early romantic (and dangerous) escapades and the two-year prison term that shattered his soul and his life. "Simply the best modern biography of Wilde." —Evening Standard Drawing on material that has come to light in the past thirty years, including newly discovered letters, documents, first draft notebooks, and the full transcript of the libel trial, Matthew Sturgis meticulously portrays the key events and influences that shaped Oscar Wilde's life, returning the man "to his times, and to the facts," giving us Wilde's own experience as he experienced it. Here, fully and richly portrayed, is Wilde's Irish childhood; a dreamy, aloof boy; a stellar classicist at boarding school; a born entertainer with a talent for comedy and a need for an audience; his years at Oxford, a brilliant undergraduate punctuated by his reckless disregard for authority . . . his arrival in London, in 1878, "already noticeable everywhere" . . . his ten-year marriage to Constance Lloyd, the father of two boys; Constance unwittingly welcoming young men into the household who became Oscar's lovers, and dying in exile at the age of thirty-nine . . . Wilde's development as a playwright. . . becoming the high priest of the aesthetic movement; his successes . . . his celebrity. . . and in later years, his irresistible pull toward another—double—life, in flagrant defiance and disregard of England's strict sodomy laws ("the blackmailer's charter"); the tragic story of his fall that sent him to prison for two years at hard labor, destroying his life and shattering his soul.

Welcome to the mind—to the world—of Fake Steve Jobs. Fake Steve the counterintuitive management guru: "Obviously we can't literally put our employees' lives at risk. But we have to make them feel that way." Fake Steve the celebrity hobnobber: "I like Bono. He's the only person I know who's more self-absorbed than I am." Options is the book that had the critics howling—with laughter: "A voice for our own digital age....Mac-slappingly funny."—Newsweek.com "Hilarious."—New York Times "There's a laugh-out-loud moment on nearly each one of the book's pages."—Wall Street Journal "Wickedly funny."—San Francisco Chronicle
