The spiral dance, also called the grapevine dance and the weaver ' s dance, is a traditional group dance practiced in Neopaganism in the United States, especially in feminist Wicca and the associated " Reclaiming " movement. It is designed to emphasize "community and rebirth", and is also used "to raise power in a ritual".

The spiral dance was seen also in the sky: in the moon, who monthly dies and is reborn; in the sun, whose waxing light brings summer's warmth and whose waning brings the chill of winter. Records of the moon's passing were scratched on bone, and the Goddess was shown holding the bison horn, which is also the crescent moon.

Publisher Description. The twentieth anniversary edition of The Spiral Dance celebrates the pivotal role the book has had in bringing Goddess worship to the religious forefront. This bestselling classic is both an unparalleled reference on the practices and philosophies of Witchcraft and a guide to the life-affirming ways in which readers can turn to the Goddess to deepen their sense of personal pride, develop their inner power, and integrate mind, body, and spirit.

The twentieth anniversary edition of The Spiral Dance celebrates the pivotal role the book has had in bringing Goddess worship to the religious forefront. This bestselling classic is both an unparalleled reference on the practices and philosophies of Witchcraft and a guide to the life-affirming ways in which readers can turn to the Goddess to deepen their sense of personal pride, develop their inner power, and integrate mind, body, and spirit. Starhawk's brilliant, comprehensive overview of the growth, suppression, and modern-day re-emergence of Wicca as a Goddess-worshipping religion has left an indelible mark on the feminist spiritual consciousness. In a new introduction, Starhawk reveals the ways in which Goddess religion and the practice of ritual have adapted and developed over the last twenty years, and she reflects on the ways in which these changes have influenced and enhanced her original ideas. In the face of an ever-changing world, this invaluable spiritual guidebook is more relevant than ever.

The twentieth anniversary edition of The Spiral Dance celebrates the pivotal role the book has had in bringing Goddess worship to the religious forefront. This bestselling classic is both an unparalleled reference on the practices and philosophies of Witchcraft and a guide to the life-affirming ways in which readers can turn to the Goddess to deepen their sense of personal pride, develop their inner power, and integrate mind, body, and spirit. Starhawk's brilliant, comprehensive overview of the growth, suppression, and modern-day re-emergence of Wicca as a Goddess-worshipping religion has left an indelible mark on the feminist spiritual consciousness. In a new introduction, Starhawk reveals the ways in which Goddess religion and the practice of ritual have adapted and developed over the last twenty years, and she reflects on the ways in which these changes have influenced and enhanced her original ideas. In the face of an ever-changing world, this invaluable spiritual guidebook is more relevant than ever.

Explores the growth, suppression, and modern reemergence of witchcraft as a religion, demystifying a misunderstood and maligned tradition and pointing out its relationship to feminism.

This classic, a founding document of modern Neopaganism, is both a reference on the practices and philosophies of Witchcraft and a guide to the life-affirming ways in which readers can turn to the Goddess to deepen their sense of personal pride, develop their inner power, and integrate mind, body, and spirit.--From publisher description.

A women's spirituality classic now back in print! The Holy Book of Women's Mysteries is essential for Pagans, feminists, and women seeking to learn more about the spiritual path as it relates to the feminine and the Goddess aspects of witchcraft and Wicca. This book is not about reinstating a matriarchy or tearing down patriarchy; it is about women's spirituality and its relationship with politics and lifestyle. Z. Budapest is one of the founding mothers of modern women's witchcraft, beginning with the establishment of Susan B. Anthony Coven in Los Angeles in 1971. She catapulted herself into the media spotlight when she was tried as a witch and found guilty in 1975 after being arrested on Venice Beach for reading tarot cards. She fought the charges and, after a nine year battle, won the right for every tarot reader to do so legally. The Holy Book of Women's Mysteries is a seminal text that

contains invaluable information on Dianic witchcraft and spells, including everyday magick, sabbat rituals, and divination methods; a section on how vegetarian theories and politics relate to witchcraft and the feminine aspect; and a good deal of information on goddesses and how the patriarchal religions distorted old myths to serve their own needs. There are several unique and beautiful Rites of Passage for women and men that you don't often find, and Budapest's personal life stories are an equally valuable read, from her escape across the mountains from Communist Hungary to her fight for women's religious freedom upon moving to America. * This reprint features a new introduction by Z. Budapest, in addition to essays by luminaries such as Starhawk and Merlin Stone.

In a world filled with beginner books, deeper explanations of the Pagan faith are rarely found. Picking up where their critically acclaimed first book Paganism left off, bestselling authors Joyce & River Higginbotham offer intermediate-level instruction with Pagan Spirituality. Respected members of their communities, the Higginbothams describe how to continue spiritual evolution through magick, communing, energy work, divination, and conscious creation in a pleasant, encouraging tone. Learn how to use journaling, thought development, visualization, and goal-setting to develop magickal techniques and to further cultivate spiritual growth. This book serves to expand the reader's spiritual knowledge base by providing a balanced approach of well-established therapies, extensive personal experience, and question-and-answer sessions that directly involve the reader in their spiritual journey.

Witchcraft for Tomorrow answers many frequently asked questions about witchcraft including: 'How can I find a witches' coven?' and 'How can I become a witch?' Doreen Valiente tells you what the old religion of witchcraft has to offer the new age of Aquarius; how the age-old Craft of the Wise can be practised in the modern world; how to initiate yourself as a witch and found your own coven. The author, who was the leading figure in the establishment of the modern Wiccan movement, includes a new Book of Shadows (the witches' handbook of rituals and instructions) based upon ancient magical tradition but geared to the age of the future. There are witch songs, spells, incantations and practical advice on how to run a coven and how to acquire your own collection of magical implements; as well as methods of divination and other witch lore. The author shows how the oral traditions of witchcraft throw light not only upon the origins of the present-day witch cult and the activities of the witch leader George Pickingill and his covens, but also upon the mystery of the founding of the famous magical order, the Golden Dawn. Also discussed is the relationship between the witchcraft of Britain and Europe and the magical belief of the Far East. Do both traditions hark back to the legendary city of Shamballah and to the shamanistic practices of Asia? And why do the secret circles of the witches resemble those of the Tantric sex-magic of India?

America's most renowned witch and eco – feminist offers a sequel to her bestselling classic The Spiral Dance, weaving together the latest findings in environmental science with magical spells, chants, meditations and group exercises to create the ultimate primer on our relationship to the earth. From the earliest times, respecting our interdependent relationship with nature has been the first step toward spirituality. Earth, air, fire and water are the four elements worshiped in many indigenous cultures and celebrated in earth – based spiritualities such as Wicca. In The Earth Path, America's best – known witch offers readers a primer on how to open our eyes to the world around us, respect nature's delicate balance, and draw upon its tremendous powers. Filled with inspiring meditations, chants, and blessings, it offers healing for the spirit in a stressed world and helps readers find their own sources of strength and renewal. Will appeal to Starhawk's traditional Pagan, New Age, and feminist readership. Young women newly interested in magic and witchcraft. A new and growing generation of those involved in ecology
