Annabella Jocelyn is a widow of 4 years. She had not planned on marrying again after finding out her husband was unfaithful. She only had 3 months with him before he went to war and never saw him again. She inherited half a publishing company. She was in Paris for company business to buy the memoirs of a femme fatale' diary.

From the USA TODAY bestselling author. "I consider Elizabeth Thornton a major find." -Mary Balogh, NEW YORK TIMES bestselling author of ONLY ENCHANTING Ignoring the dangers still lingering in the aftermath of Waterloo, Annabella Jocelyn arrives in Paris on a mission-to purchase the publishing rights to a scandalous dairy written by a notorious femme fatale. An astute businesswoman, Annabella knows that securing this diary will certainly bring both fame and fortune to her fledgling press. All that stands in her way is a cadre of dangerous gentlemen determined to bury their indiscretions, and a brave war hero (and incorrigible rogue) determined to keep her safe, preferably in his bed. David Falconer, the Earl of Dalmar, knows how to fight and win, be it for his country or any woman who takes his fancy. His need to possess the cool, composed Annabella is unrelenting and deliciously consuming, yet his duty as a gentleman to keep her safe from the hands of merciless men is growing even stronger. Both desires are proving treacherous at best, for fearless Annabella is a formidable match for his skills for both soldiering-and for seduction...

The USA Today-bestselling author launches a dazzling Regency trilogy with a "fast-paced" novel "filled with tension, danger, and adventure" (Rendezvous). Zoë Devereux is a fearless seventeen-year-old. Though disguised as a schoolgirl, when she is spirited out of France by Rolfe Brockford, marquess of Rivard, her life changes forever. Posing as a Revolutionary, Rolfe is on a mission to rescue innocents from the bloody horrors of the guillotine. Once in London, Rolfe finds himself unwilling to abandon the waifish girl and shocks polite society by taking her as his bride-in name only. What began as a marriage of convenience quickly grows into something altogether different. But Rolfe and Zoë face countless challenges-from political intrigue to their own pride, jealousy, and fiercely guarded secrets. Now, as the strife in Europe hits its peak, two stubborn hearts must make the ultimate alliance. "I consider Elizabeth Thornton a major find." -Mary Balogh, New York Times-bestselling author of the Westcott Novels

Winner of the 2017 Reading the West Award A New York Times Book Review Editors' Choice "What keeps you reading is not just the quality of the writing, which is just absolutely wonderful, but also to find out: Is [Dulcy] going to [remake herself]? Can this be successful? Or is she going to be found out?" ?Nancy Pearl, Morning Edition, NPR Dulcy Remfrey has traveled the globe with her eccentric father, Walton, a wealthy entrepreneur obsessed with earthquakes and catastrophe, searching to cure his long battle with syphilis through any crackpot means necessary. Their deep connection is tested, however, when Walton returns from an African expedition without any of the proceeds from the sale of his gold mine. It seems he's lost his mind along with the great sum of money, his health declining rapidly. Her father's business partner (and her ex-fiance?) insists Dulcy come to Seattle to decipher her father's cryptic notebooks-a dozen in all, wrapped in brightly colored silk-which may hold clues to the missing funds. Yet when her father dies before they can locate the money, Dulcy falls under suspicion. Petrified of being forced to spend the rest of her life with her ex-love, Dulcy decides to disappear from the train bringing her father's body home. Is it possible to disappear from your old life and create another? Dulcy travels the West reading stories about her presumed death and settles into a small Montana town where she is reborn as Mrs. Nash, a wealthy young widow with no burden of family. But her old life won't let go so easily, and soon her ex-fiance? is on her trail, threatening the new life she is so eager to create. The Widow Nash is a riveting narrative, filled with a colorful cast of characters, rich historical details, and epic set pieces. Europe in summer. New York in fall. Africa in winter. The lively, unforgettable town of Livingston, Montana. And in Dulcy, Jamie Harrison has created an indelible heroine sure to capture the hearts of readers everywhere. "This gorgeously written historical novel follows Dulcy, a young woman in 1904 who attempts to flee her late father's business problems?and her violent ex-fiance's grasp?by traveling west and posing as a wealthy widow." ?Entertainment Weekly

Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable -- but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into modern context. It explains not only what the Bible means but also how it can speak powerfully today.

The death of her husband has thrown Lady Maria Kersey's future into doubt-and her heart into the arms of a man she cannot have. But Christmas with the Widows' Club will bring choices-and surprises--that may change all her holidays to come. . . . Maria just gave birth to her first child, a beautiful daughter-but the event is shrouded in sorrow. A month earlier, Maria's husband, Lord Kersey, was killed in a duel under compromising circumstances. Worse, Maria's failure to provide a male heir has stripped her of any hope of an inheritance. Scorned by the ton, one of her few allies is her late husband's steward, Hugh Granger. Hugh is everything her husband was not-warm, charming-and penniless. . . . Hugh has fallen desperately in love with Maria, but has little to offer but comfort. As their attraction becomes impossible to resist, Maria flees to London to spend Christmas with her dearest friends, a group of widows who lost their own husbands in the Battle of Waterloo. Little does she know the holidays will reveal a twist of fate she never expected-proving that the greatest Christmas gift is the magic of true love. . . . Visit us at www.kensingtonbooks.com

This study of Castilian widows, based on extensive analysis of literary and archival sources, provides insight into the complex mechanisms lying behind the formulation of gender boundaries and the pragmatic politics of everyday life in the early modern world.
