Maria Semple's last novel, the hilarious *Where'd You Go, Bernadette* was shortlisted for the Women's Prize for Fiction. This one is just as shocking, funny and delightful. Violet Parry has everything: a husband, a toddler and a luxurious Hollywood home. What she wants is Teddy, a bass player. Soon she's risking everything for the chance to find herself.

I absolutely loved Maria Semple's previous novel '*Where Did You Go Bernadette?*', which is a skilfully crafted portrait of a marriage on the brink. '*This One Is Mine*' deals with similar issues of love and marriage, this time set in LA. Violet is married to David, and although they are very rich indeed, all is not well.

Violet Parry is living the quintessential life of luxury in the Hollywood Hills with David, her rock-and-roll manager husband, and her darling toddler, Dot. She has the perfect life--except that she's deeply unhappy. David expects the world of Violet but gives little of himself in return. When she meets Teddy, a roguish small-time bass player, Violet comes alive, and soon she's risking everything for the chance to find herself again. Also in the picture are David's hilariously high-strung sister, Sally, on the prowl for a successful husband, and Jeremy, the ESPN sportscaster savant who falls into her trap. For all their recklessness, Violet and Sally will discover that David and Jeremy have a few surprises of their own. THIS ONE IS MINE is a compassionate and wickedly funny satire about our need for more--and the often disastrous choices we make in the name of happiness.

compassionate and wickedly funny satire about our need for more -- and the often disastrous choices we make in the name of happiness.

* Instant New York Times Bestseller * A brilliant novel from the author of *Where'd You Go, Bernadette*, about a day in the life of Eleanor Flood, forced to abandon her small ambitions and awake to a strange, new future. Eleanor knows she's a mess. But today, she will tackle the little things. She will shower and get dressed. She will have her poetry and yoga lessons after dropping off her son, Timby. She won't swear. She will initiate sex with her husband, Joe. But before she can put her modest plan into action-life happens. Today, it turns out, is the day Timby has decided to fake sick to weasel his way into his mother's company. It's also the day Joe has chosen to tell his office-but not Eleanor-that he's on vacation. Just when it seems like things can't go more awry, an encounter with a former colleague produces a graphic memoir whose dramatic tale threatens to reveal a buried family secret. *TODAY WILL BE DIFFERENT* is a hilarious, heart-filled story about reinvention, sisterhood, and how sometimes it takes facing up to our former selves to truly begin living.

A revolutionary memoir about domestic abuse by the award-winning author of *Her Body and Other Parties* *In the Dream House* is Carmen Maria Machado's engrossing and wildly innovative account of a relationship gone bad, and a bold dissection of the mechanisms and cultural representations of psychological abuse. Tracing the full arc of a harrowing relationship with a charismatic but volatile woman, Machado struggles to make sense of how what happened to her shaped the person she was becoming. And it's that struggle that gives the book its original structure: each chapter is driven by its own narrative trope—the haunted house, erotica, the bildungsroman—through which Machado holds the events up to the light and examines them from different angles. She looks back at her religious adolescence, unpacks the stereotype of lesbian relationships as safe and utopian, and widens the view with essayistic explorations of the history and reality of abuse in queer relationships. Machado's dire narrative is leavened with her characteristic wit, playfulness, and openness to inquiry. She casts a critical eye over legal proceedings, fairy tales, *Star Trek*, and Disney villains, as well as iconic works of film and fiction. The result is a wrenching, riveting book that explodes our ideas about what a memoir can do and be.

Family secrets, revenge, and righteous fury collide in an international bestselling novel of psychological suspense and intrigue. Clara and Henrik are married and living in a beautiful inherited villa in Oslo. She is a single-mindedly ambitious child-rights activist at the Ministry of Justice. Having grown up in rural Western Norway, she is also an Oslo outsider. Henrik is a doctor from a well-to-do Oslo family. Though their marriage is under serious strain, they share a devotion to their twin sons and their work. Outwardly, they're a successful couple both dedicated to saving lives. Then a Pakistani Norwegian child is admitted to Henrik's hospital and dies in his care. The boy had clearly been the victim of child abuse. Soon after, a related murder rocks the city. It won't be the last. The events unearth years of trauma, secrets, and buried resentments at the heart of Clara and Henrik's fragile marriage. Little by little, in the wake of these shattering crimes, the veneer of normalcy begins to fall away. But even then, nothing is as it appears.

And she certainly brought something to the table, including a PhD in psychology and an acclaimed and growing body of work on human behavior and how to hack it. So Seidel was in, and soon she was down the rabbit hole with him, into the wild, fiercely competitive, overwhelmingly masculine world of high-stakes Texas Hold'em, their initial end point the following year's World Series of Poker. But then something extraordinary happened. Under

Seidel's guidance, Konnikova did have many epiphanies about life that derived from her new pursuit, including how to better read, not just her opponents but far more importantly herself; how to identify what tilted her into an emotional state that got in the way of good decisions; and how to get to a place where she could accept luck for what it was, and what it wasn't. But she also began to win. And win. In a little over a year, she began making earnest money from tournaments, ultimately totaling hundreds of thousands of dollars. .

Twelve shocking paintings. Eleven famous murders. One missing artist . . . and one woman driven to find her—this Reese's Book Club x Hello Sunshine Selection is a “stunning achievement” (Los Angeles Times). Kim Lord is an avant-garde figure, feminist icon, and agent provocateur in the L.A. art scene. Her groundbreaking new exhibition Still Lives is comprised of self-portraits depicting herself as famous, murdered women—the Black Dahlia, Chandra Levy, Nicole Brown Simpson, among many others—and the works are as compelling as they are disturbing, implicating a culture that is too accustomed to violence against women. As the city's richest art patrons pour into the Rocque Museum's opening night, all the staff, including editor Maggie Richter, hope the event will be enough to save the historic institution's flailing finances. Except Kim Lord never shows up to her own gala. Fear mounts as the hours and days drag on and Lord remains missing. Suspicion falls on the up-and-coming gallerist Greg Shaw Ferguson, who happens to be Maggie's ex. A rogue's gallery of eccentric art world figures could also have motive for the act, and as Maggie gets drawn into her own investigation of Lord's disappearance, she'll come to suspect all of those closest to her. Set against a culture that often fetishizes violence, Still Lives is a page-turning exodus into the art world's hall of mirrors, and one woman's journey into the belly of an industry flooded with money and secrets. “Has a heck of a hook . . . It sucks you into a compelling story, before forcing you to contemplate the big, uncomfortable ideas it's considering. It's a fresh choice for Reese's Book Club, to be sure.” —Entertainment Weekly
