"I was happy in my small town. In my life as a single, thirty-two year old woman. I had a good job, wonderful friends, my independence. I also hadn't been laid in three years. Hadn't been on a date in two. Had stopped counting calories and wearing makeup...a while ago. Then Brett Jacobs waltzed in. Caressed my thigh, dug rough fingers into my hair, lowered his soft mouth to my skin, took sexual control of my mind and stirred it all around with what he packed in his pants. He dumped my quiet life upside down and crawled into a place in my heart I thought was dead. The issue is his secret. The issue is her. The issue is that I don't even know she exists, and he thinks she's dead. The issue is that shit is about to hit the fan and I can't hold on to him tight enough"--Page 4 of cover.

years. Has proposed 4 times. Been rejected 4 times. Lee: Cuts grass when he's not banging housewives. Good with his hands, his mouth, and his cock. Has been pursued relentlessly by me for almost 2 years, whether he knows it or not. Go ahead. Judge me. You have no idea what my love entails. If you think you've heard this story before, trust me - you haven't.

"I'm not sure what you have been told about me, but I'm not nearly as bad as they make me out to be." His deliciously deep voice carried a little bit of ego. I'm sure you are exactly as bad as they make you out to be.... Brad De Luca is used to getting whatever and whomever he wants. The premier divorce attorney in town, he's a playboy who's bedded half the city—including his own clients. And when the newest intern at his firm poses a challenge, his seductive prowess goes into overdrive. Pre-law student Julia Campbell is fresh off a failed engagement and happy with her new independence. Even if she weren't warned away from Brad at every turn, she'd know he was bad news. The last thing she needs is a man who could destroy her job prospects, not to mention her innocence. But before she knows it, the incorrigible charmer has her under his spell. His deviant tastes plunge her deep into a forbidden world of sexual exploration...but her heart may not survive the fall.

sort of obligations that are required in a relationship. Paul, because he loves Madison too much to tell her no. And because her sexual appetite is such that one man has trouble keeping up. So they exist, parallel relationships, each running their own course, with no need for intersection or conflict. Dana sat in the background and waited, saw the relationships, the love, and the moment that it all fell apart. She loves them. Everything else hangs in the balance.

I hired her to fix my company, to bring Marks Lingerie back to life. I didn't expect her to become my friend. I didn't expect to fall in love with her. The first rule of business is to never touch your employees. I think there is another rule about not falling for your best friend--a rule against imagining the curves of her body, or the way her breathing would change if I pulled down her panties and unzipped my pants. Now, I can't wait any longer. I'm tossing out the rules. Damn the company. Damn our friendship. Damn my fears.

The internet's most famous celebrities hate each other. Or, at least they think they do... There was a lot I did to get to this point, to get 42 million followers. Some of it I was proud of, most of it I wasn't. There was a group of us, all internet celebrities, and everyone wanted in, which is how six of us ended up living in this mansion, a camera always on, the public always watching. Two months and nine carefully scripted TV episodes that would get us more of the three F's we were desperately chasing. Fame. Fortune. Followers. I knew my role. I was Emma, the unlikeable one. The dark villain with the devious smile. The package of dynamite that would blow up any chance of peaceful living and harmony. Cash knew his role. He was the good guy. The lovable one. The one that everyone, even the darkest cast member of them all, would fall in love with. They were supposed to just be roles. None of it was supposed to be real. My heart didn't get that memo.

Welcome to the neighborhood. Watch your husband, watch your friends, and watch your back. Cat Winthorpe has worked hard to get what she has: a gorgeous home; social standing; and William, her successful, handsome husband. Then a friendly new couple moves into the estate next door. While cautious, a good neighbor like Cat greets them with open arms and warm hospitality. Neena Ryder isn't a fellow lady of leisure. A life coach with off-the-rack dresses, personal issues, and a husband who hasn't delivered, she's anxious to move up in the world. This beautiful new town is a step in the right direction. It's also making Neena aware of what she doesn't have. Namely, William. When Neena's infatuation escalates into obsession, it's just a matter of eliminating a few obstacles to get the life she wants. The life
