"I would recommend this book for anyone who is anxious about interviews or who wants to improve their interview performance." Phoenix, May 2012 "In a tough market with strong competition for just a handful of roles, you need to be the best on the day. Only careful preparation and ensuring you match everything you say and do to the specific role, employer and even interviewer, will position you as a serious contender for the role. John once again combines a proven, thorough approach with practical tips that will equip you with the skills, examples and confidence required to achieve interview success." Isabel Chadwick, Managing Director, Career Management Consultants Ltd "John's book is a great asset to anyone who fears the interview process. As well as some very practical and useful exercises, designed to help capture powerful information and to get you thinking, he gives a fascinating insight into the psychological processes, making it much easier to understand and put yourself into the shoes of the interviewer. John's style is very accessible, demonstrating his years of experience and translating it into an easy-to-read collection of hints, tips and guidance. I suspect a lot of interviewers will also want to use this book to help them raise their game!" Kerwin Hack, Consultant Director, Fairplace Cedar "This book is an extremely comprehensive guide on how to succeed in job interviews. John takes you 'backstage' into the mind of the interviewers so you can understand what they are thinking and what they really want to know when asking a range of different questions. Getting a job interview into today's difficult employment market is a privilege. This manual will help you to be much better prepared so that your next job interview becomes a positive opportunity to show what you can really offer, not a ordeal to be feared. He covers everything from warm up questions to the tricky issue of salary." Simon Broomer, Managing Director, CareerBalance "John Lees is the career professional's professional; the doyen of career experts. His books and advice have helped countless numbers of people to enjoy better, more fulfilling careers. This book is an essential read for anyone who is about to attend a job interview."
