The automotive industry appears close to substantial change engendered by " self-driving " technologies. This technology offers the possibility of significant benefits to social welfare—saving lives; reducing crashes, congestion, fuel consumption, and pollution; increasing mobility for the disabled; and ultimately improving land use. This report is intended as a guide for state and federal policymakers on the many issues that this technology raises.

Facsimile of extremely rare 1794 edition of von Steuben's basic manual of military training and procedure — the official U.S. military guide until 1812. Formation of a company, marching, firings, inspection, more. 8 black-and-white illustrations.

Stoicism is the most helpful and practical philosophy ever devised. Its intention is to help people find happiness by thinking differently about their lives and their problems. The advice the Stoics provided centuries ago is still the best anyone has offered, and it ' s as useful today as it was then—or more. When anyone today says something really wise, the Stoics usually said it first. Today the word " stoicism " is often used to mean suffering without complaint, but the true ideas, and ideals, of the Stoics are far more powerful and interesting. Stoicism means knowing the difference between what we can control and we can ' t, and not worrying about the latter. The Stoics were masters of perspective, always taking the long view while remembering that life is short. And they were deep and insightful students of human nature, understanding how we manage to make ourselves miserable as well as how we seek and can find fulfillment. The great insights of the Stoics are spread over a wide range of ancient sources. This book brings them all together for the first time. It systematically presents what the various Stoic philosophers said on every important topic, accompanied by an eloquent commentary that is clear and concise. The result is a set of philosophy lessons for everyone—the most valuable wisdom of ages past made available for our times, and for all time.

An explosive expose of Samsung that " reads like a dynastic thriller, rolling through three generations of family intrigue, embezzlement, bribery, corruption, prostitution, and other bad behavior " (The Wall Street Journal). LONGLISTED FOR THE FINANCIAL TIMES AND MCKINSEY BUSINESS BOOK OF THE YEAR AWARD Based on years of reporting on Samsung for The Economist, The Wall Street Journal, and Time, from his base in South Korea, and his countless sources inside and outside the company, Geoffrey Cain offers a penetrating look behind the curtains of the biggest company nobody in America knows. Seen for decades in tech circles as a fast follower rather than an innovation leader, Samsung today has grown to become a market leader in the United States and around the globe. They have captured one quarter of the smartphone market and have been pushing the envelope on every front. Forty years ago, Samsung was a rickety Korean agricultural conglomerate that produced sugar, paper, and fertilizer, located in a backward country with a third-world economy. With the rise of the PC revolution, though, Chairman Lee Byung-chul began a bold experiment: to make Samsung a major supplier of computer chips. The multimillion- dollar plan was incredibly risky. But Lee, wowed by a young Steve Jobs, who sat down with the chairman to offer his advice, became obsessed with creating a tech empire. And in Samsung Rising, we follow Samsung behind the scenes as the company fights its way to the top of tech. It is one of Apple ' s chief suppliers of technology critical to the iPhone, and its own Galaxy phone outsells the iPhone. Today, Samsung employs over 300,000 people (compared to Apple ' s 80,000 and Google ' s 48,000). The company ' s revenues have grown more than forty times from that of 1987 and make up more than 20 percent of South Korea ' s exports. Yet their disastrous recall of the Galaxy Note 7, with numerous reports of phones spontaneously bursting into flames, reveals the dangers of the company ' s headlong attempt to overtake Apple at any cost. A sweeping insider account, Samsung Rising shows how a determined and fearless Asian competitor has become a force to be reckoned with.

Learn how to make the most of Apple ' s mobile operating systems! Updated 6/25/2020 Whether you use an iPad, iPhone, or iPod touch, you'll find lots to explore inTake Control of iOS 13 and iPadOS 13 by TidBITS Managing Editor Josh Centers. Learn about what's new in iOS 13 and iPadOS 13—and how to customize them to fit your needs. The latest annual update to iOS features the usual selection of new features, improved user interface, and security enhancements. It also marks the split of Apple's mobile operating system into iOS (for iPhone and iPod touch) and iPadOS (for iPad only). This is more than just a name change; with iPadOS 13, the iPad gets huge improvements that bring it much closer to the computing power and flexibility we expect from conventional computers. TidBITS Managing Editor Josh Centers is back to guide you through all the major capabilities of both operating systems in this new book. Take Control of iOS 13 and iPadOS 13 goes far beyond the new features, providing anextensive guide to getting the most out of iOS 13 and iPadOS 13. Among other things, you'll learn how to: • New! Discover all the major changes in iOS and iPadOS • New! Use activity views (which replace Share sheets and are for more than just sharing) • New! Enable Dark Mode on your mobile device • Updated! Use the new Find My app • New! Make the most of improved text editing tools • Updated! Use Siri and Shortcuts to do even more than before, thanks to significantly expanded capabilities • New! Use accessibility improvements, including voice control and mouse support • Updated! Discover the new (and existing) capabilities of Apple's upgraded apps—including Files, Mail, Maps, Messages, Notes, and Reminders • Updated! Use Screen Time to make better choices about when and how you use your device • New! Work with the updated iPad Home screen, Dock, and onscreen keyboard • New! Learn about the new iPad multitasking capabilities, including more ways to split the screen, use multiple windows, and drag & drop between apps • New! Browse the web with ease using the desktop-class Safari for iPadOS • New! Use the significantly updated Camera and Photos apps to take photos and videos, apply camera effects, and organize your media • Make sense of the Lock screen, Home screen, and Control Center—and customize them to meet your needs • Search with Spotlight • Switch between apps and use Handoff to transfer your work • Navigate the App Store • Understand the ins and outs of Family Sharing • Manage your data—both locally on your device and in the cloud • Make calls and use FaceTime and Voicemail • Organize your Wallet and use Apple Pay • Protect your privacy • Improve your battery life • ...and much more! Anyone with a compatible iPhone, iPad, or iPod touch will benefit from Josh's in-depth explanations.

Prized recipes and tales of home, work, and family—from the immigrant vendor-chefs of NYC ' s first and favorite night market On summer Saturday nights in Queens, New York, mouthwatering scents from Moldova to Mexico fill the air. Children play, adults mingle . . . and, above all, everyone eats. Welcome to the Queens Night Market, where thousands of visitors have come to feast on amazing international food—from Filipino dinuguan to Haitian diri ak djon djon. The World Eats Here brings these incredible recipes from over 40 countries to your home kitchen—straight from the first- and second-generation immigrant cooks who know them best. With every recipe comes a small piece of the American story: of culture shock and language barriers, of falling in love and following passions, and of family bonds tested then strengthened by cooking. You ' ll meet Sangyal Phuntsok, who learned to make dumplings in a refugee school for Tibetan children; now, his Tibetan Beef Momos with Hot Sauce sell like hotcakes in New York City. And Liia Minnebaeva will blow you away with her Bashkir Farm Cheese Donuts—a treat from her childhood in Oktyabrsky in western Russia. Though each story is unique, they all celebrate one thing: Food brings people together, and there ' s no better proof of that than the Queens Night Market, where flavors from all over the world can be enjoyed in one unforgettable place.

This handbook implements AFPD 36-22, Air Force Military Training. Information in this handbook is primarily from Air Force publications and contains a compilation of policies, procedures, and standards that guide Airmen's actions within the Profession of Arms. This handbook applies to the Regular Air Force, Air Force Reserve and Air National Guard. This handbook contains the basic information Airmen need to understand the professionalism required within the Profession of Arms. Attachment 1 contains references and supporting information used in this publication. This handbook is the sole source reference for the development of study guides to support the enlisted promotion system. Enlisted Airmen will use these study guide to prepare for their Promotion Fitness Examination (PFE) or United States Air Force Supervisory Examination (USAFSE).

Will Byers' top-secret binder--based on the Netflix series Stranger Things! Read notes from the Upside Down and uncover secrets from the Hawkins National Laboratory in Will Byers's personal files. Based on Netflix's Stranger Things, this book is designed to look like a vintage school binder from the '80s. Filled with photos, notes, sketches, and diary entries, this book is sure to amaze and entertain fans of all ages.

The ultimate guide to branding and building your business in the era of the Social Web—revised and updated with a Foreword by Ashton Kutcher Engage! thoroughly examines the social media landscape and how to effectively use social media to succeed in business—one network and one tool at a time. It leads you through the detailed and specific steps required for conceptualizing, implementing, managing, and measuring a social media program. The result is the ability to increase visibility, build communities of loyal brand enthusiasts, and increase profits. Covering everything you need to know about social media marketing and the rise of the new social consumer, Engage! shows you how to create effective strategies based on proven examples and earn buy-in from your marketing teams. Even better, you'll learn how to measure success and ROI. Introduces you to the psychology, behavior, and influence of the new social consumer Shows how to define and measure the success of your social media campaigns for the short and long term Features an inspiring Foreword by actor Ashton Kutcher, who has more than 5 million followers on Twitter Revised paperback edition brings the book completely up to date to stay ahead of the lightning fast world of social media Today, no business can afford to ignore the social media revolution. If you're not using social media to reach out to your customers and the people who influence them, who is?
